Boxed Set 4: Mary Campisi, 2019-06-18. Small town romantic women's fiction with love, hope, second chances, and a happy ending. Note from Mary: I love secondary characters; writing them, reading about them, even watching them on the big screen. Secondary characters support the stars, make them more vibrant and compelling. But when the story ends, I'm often left wondering what they'd do if they were in the spotlight. That's why I've created special boxed sets that were part of That Second Chance series and the Truth in Lies series. These boxed sets let the reader follow the before and after of select characters as they first appear in That Second Chance series and later in the fictional town of my bestselling Truth in Lies series.

Boxed Set Four contains **Paradise Found** and **A Family Affair: The Wish**. I invite you to follow their journey.

Paradise Found: How does one see truly, with the heart or with the eyes? Matt Brandon has it all: wealth, power, looks, and talent. Women want him; men want to be like him. When a freak ski accident strips him of one of life's most basic needs, his sight, he struggles to accept the possibility that his blindness may be permanent. Enter psychologist Sara Hamilton, a woman who has known her own share of grief and loss and may just be the one person who can help Matt redefine his new world. Sara is every woman's woman; she's not a toothpick or a Cosmo girl; has never been prom queen or dated the blond-haired god with the big white teeth. She's honest and decent and real and lives on the perimeter, applauding her patients' successes, nursing them through their failures, but never acknowledging or accepting what she lacks in her own life. She's loved and lost once and has been so emotionally scarred she's not willing to risk those feelings again. Of course, she's never met a man like Matt Brandon. As Matt and Sara explore the delicate balance between blind trust and hope, they will discover that sometimes you have to lose everything to find what you are truly looking for.

A Family Affair: The Wish: Bree Kinkaid is finally going to get her happily ever after with Adam Brandon from **Paradise Found**, That Second Chance series, but it's not going to be quick or easy. You won't

These boxed sets let the reader follow the before and after of select characters as they first appear in That Second Chance series and later in the fictional town of my bestselling Truth in Lies series.

Boxed Set 6 contains The Butterfly Garden and A Family Affair: Return. I invite you to follow their journey. The Butterfly Garden: Sometimes love happens when you least expect it. Jenny Romano has never been a white picket fence happily ever after girl. Despite a mother who rejected her free-spirited, unique ways as irresponsible and just plain wrong, Jenny has found happiness as a photographer flitting around the country and snapping photos of other people's lives. Her older sister, Grace, has a husband, children, and a carpool schedule. She's the one their mother calls perfect. But when tragedy strikes, her sister's carefully constructed life, Jenny must step in and offer support. Soon she finds herself in the sort of small town/suburban life she swore to avoid.

Psychologist Elliot Drake spends so much time healing other people's pain and witnessing the backlash of caring too deeply that he prefers to keep his own relationships short and bittersweet. He's loved and lost once, and with a young daughter to raise, he's not willing to risk his heart again. But he's never met anyone quite like Jenny. Outrageous and unpredictable, she's a force of nature, not at all like her well-controlled older sister. Suddenly, Elliot isn't so sure that short-term is what he wants. Taken by surprise and unsure of the next step, Elliot and Jenny are about to discover that real life happens whether you want it to or not. Will they let real love happen, too?

A Family Affair: The Return. Magdalena, New York: Home of memories, long-buried steamy nights, and one regrettable summer. Grace Romano had been seventeen, impressionable, innocent to the power of attraction and desire. Max Ruhland taught her about both. He loved Grace, and

thought they had a future together until she crushed his heart and told him he wasn't part of her life plan Twenty two years later Grace Romano Clarke is a widow with two children and a pile of broken dreams When her aunt dies she must return to Magdalena the town she'd rather forget to honor the woman's last wishes stay in her house for thirty days and complete a list that according to her aunt will reveal a bit about life and maybe reveal something about herself too What Grace doesn't know but will find out soon enough is that Max Ruhland must stay in the house with her and help complete the list Max Ruhland isn't the same lovesick puppy from the wrong side of the tracks who had his heart broken all those years ago He's a wealthy successful businessman who owes his good fortune to Grace's aunt the woman who never gave up on him Max can have any woman he wants but he's never forgotten Grace or how she hurt him Now he'll have to spend the next thirty days with her in close quarters to honor her aunt's last wishes and he's not looking forward to it It's going to get very interesting as the town watches and wonders what's going on between those two Of course Pop Benito understands exactly what's happening in the house on Bayberry Street even if Max and Grace don't He's the one who helped Grace's aunt create the thirty day list which he insists will finally get this couple their happily ever after
