Don Menkens,2024-04-10 With what is happening in our sad old world today and the increase of knowledge and men running to and fro JUST IN MY LIFETIME surely all people need to know what the Word of God shows how this story is going to end very soon **Folktales and Other Stories from the Edge of the Great Thirst** Bhekumuzi Wuyane,2015-10-06 As Bhekumuzi Wuyane perches himself on the great local dome of Dombodema he is approached by an elderly African storyteller who begins telling him about life in a harsh environment at the edge of the Kalahari Desert Amid a backdrop filled with cunning animals strong women feared and adored leaders and lovers and sworn enemies the man relays tales of the three great kingdoms that will eventually transform Wuyane and teach him valuable life lessons In his collection of twenty folk tales derived from that experience Wuyane weaves the African mans stories with others both old and new to emphasize the rapidly fading art of passing down messages through folklore As animals and people struggle both together and separately to overcome their challenges and survive in the desert leadership styles a variety of emotions and good and evil intentions are revealed illustrating the deeper meaning in every story told within the African culture When the tales conclude Wuyane meets with the older man once again relating the treasured messages he has learned Folktales and Other Stories from the Edge of the Great Thirst is a collection of stories with strong and timeless morals that will appeal to both current and future generations interested in fulfilling their visions Summer Promise And Other Stories Elvi Rhodes,2011-08-31 Fans of Rosamunde Pilcher Maeve Binchy and Erica James will love this collection of stories to suit the reader s every mood tender funny romantic ironic bitter sweet nostalgic multi million copy seller Elvi Rhodes has captured them all Perfect to settle down with READERS ARE LOVING SUMMER PROMISE AND OTHER STORIES A very easy and enjoyable read Reader review Excellent Reader review Wonderful Reader review These enchanting stories are guaranteed by turn to entertain soothe intrigue and touch you The couple in Summer Promise are at first glance placed in an appalling situation but nevertheless in the warmth of southern France their relationship develops in an unexpected way Be Your Age Dear is a delightful tale of a generation gap which in one family seems non existent or has it gone into reverse The Meeting describes

the ten yearly reunion of a group of friends which for obvious reasons dwindles each time The two members most closely involved come to a decision that was perhaps inevitable Model of Beauty is set in a painting class where the temporary illness of the generously endowed model brings about surprising consequences Summer Promise and Other Stories is a wonderful collection the perfect dose of escapism and tonic to settle down with The Writing on the Wall and Other Stories Penny Edwards,2016-05-12 Peter Bayer was seventy three He d taught at the school just up the road for most of his life and when the wall came down saw no reason to move Nobody could say life had been easy and when it was built he d lost contact with many friends but he d learnt to enjoy life as best he could and had had the good fortune of a happy marriage to Elsa It s 2006 Peter Bayer and his wife Elsa live on the East side of Berlin as they ve always done even when that wasn t an attractive proposition What limits Peter s freedom nowadays isn t a concrete wall but often feels like one Elsa has dementia and barely recognises him so his life is not only hard work but it s lonely What makes it lonelier is that his wife s illness has given her a distorted view of the past and one that would horrify the woman he married When Helen a recently widowed English woman rents the flat Peter owns nearby he experiences the kinds of conversations that used to be normal for him which makes his current reality all the more painful Helen s come to Berlin to find out more about her husband s past in the city and learns things from their German friends that she was unaware of when he was alive During her struggle to come to terms with her present life Helen sees that the terrible demands on Peter s life are almost impossible to endure Other stories in the book show the toll of war as fear is passed from one generation to another and we see how the power of secrecy never disappears They also reveal how gratitude can take various forms and how intergenerational friendships really are all they re cracked up to be The Writing on the Wall and Other Stories is a collection of tales spanning the 1980s to the present day that will appeal to fans of Anne Tyler Alan Bennett and Alice Munro whom Penny Edwards takes inspiration from **The Wicked Stepbrother and Other Stories** Warren Rochelle,2020-09-23 Fairy tales Prince Charming fights evil wins the princess lives happily ever after Three sons three wishes witches dragons a quest and happily ever after These stories are part of our cultural fabric The stories change in retellings to reflect contemporary culture such as Princess Charming or heroes and heroines as people of color In this collection queer characters take center stage in stories that grew out of questions What if the prince falls in love with Cinderella s gay stepbrother What if Rumpelstiltskin doesn t really want the Queen s child but rather the King himself What if Beauty and the Beast are two men These stories explore metaphors of magic and the magical this time with a gay perspective What price must be paid for happily ever after Duty or love Is love worth great sacrifice Once upon a time Cliff's Edge, and Other Stories Masaaki Tachihara,1989 *The Kean Land and Other Stories* Jack Schaefer,2017-08-15 The classic Western short stories in this Jack Schaefer collection explore the changing and often challenging truths found throughout the American West The featured novella The Kean Land tells the story of young Ben Hammon as he arrives in western Colorado after the death of his parents to live with his small town lawman uncle The drama

unfolds as Ben learns the ways of the land and the people who live there including the Kean family As progress pursues there is a dramatic price the Keans and others must pay to keep their land in this once hostile territory How much blood must those who love the land pay in order to stay The Lady in Glass and Other Stories Anne Bishop,2025-02-11 A magical collection of stories new and old spanning across all of Anne Bishop s most beloved fantasy worlds Here together for the first time the shorter works of New York Times bestselling fantasy author Anne Bishop are included in one dazzling volume A master of bringing fantasy worlds to life this collection showcases Bishop s impressive range from rarities of her earliest writing to the Realms of the Blood from darker fairytale retellings to the Landscapes of Ephemera and from standalone stories of space exploration and fantastical creatures to the contemporary fantasy terrain of the World of the Others Includes previously published and unpublished tales as well as two brand new stories written especially for this collection Friends and Corpses a murder mystery in which the corpse has some decidedly unusual qualities and Home for the Howlidays a heartwarming return to the Blood Prophet Meg Corbyn and the shapeshifting Simon Wolfgard from The Others The Fiery Dive and Other Stories [by] Martin Armstrong Martin Armstrong,1929 Dying Light and Other Stories Donald Hays,2010-05-16 Uncompromising often dark and always insightful Dying Light explores the mysteries of duty forgiveness power and love through a broad range of narrative voices We meet a football coach who seeks to avenge his wife s affair a delusional poet who escapes from a hospital as the bombing of Baghdad begins a woman whose son was killed in a car accident and an almost widower wistful about his first love In these and other stories Hays illuminates his characters most secret and human realizations with unwavering candor and clarity **The Tale Of Greta Gumboot And Other Stories** Lee Pritchett, **A Visitation and Other Stories** Denny Davis,2024-11-08 A short story or two with a cup of tea is an ideal way to relax and escape from the cares of the world None of the stories in this book are overlong and all make for easy reading The subjects are varied ranging from ghost stories to little slices of life with at least one drawn from the author s own experience He hopes the reader derives as much pleasure from reading them as he did from writing them **A Capillary Crime; And Other Stories** Francis Davis Millet,2025-08-15 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Hero of Kargil & Other Stories** Lt.
