Clean or Unclean Foods: Which Do You Choose? Aurelia Sotello Fernandez,2011-08-03 This book is written for all God s children that finally understand the truth about the unclean the unclean meats that God tells you about in his word He changes not Don t think because man tells you now you can eat pork fish without scales and fins you are now safe to eat these beasts Man has no power to change Gods creation So Remember only the meats that God put on this earth to be received to eat I pray for you to have a long and healthy life and blessings from our Father Your sister in Christ Aurelia Fernandez **Clean & Unclean Foods** ,1991-09-01 **The Wiersbe Bible Commentary: Old Testament** Warren W. Wiersbe, Whether you are a pastor teacher or layperson now you can study the Bible in easy to read sections that emphasize personal application as well as biblical meaning Developed from Dr Wiersbe s popular Be series of Bible study books this commentary carefully unpacks all of God s Word The Wiersbe Bible Commentary Old Testament offers you Dr Wiersbe s trustworthy insights on the entire Old Testaments New Biblical images maps and charts Introductions and outlines for each book of the Bible Clear readable text that s free of academic jargon Let one of the most beloved and respected Bible teachers of our time guide you verse by verse through the Scriptures It s the trusted reference you ll love to read **Acts** John B. Polhill,1992-01-06 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text **God-given Foods Eating Plan: for Lifelong Health, Optimization of Hormones, Improved Athletic Performance** Gary F. Zeolla,2007-03-01 This book studies different food groups with a chapter devoted to each major classification of foods First the Biblical evidence is considered then modern day scientific research Foods are classified as God given foods and non God given foods A healthy eating plan is composed of a variety of God given foods and avoids non God given foods Unlike other books on this subject this book does not promote a vegetarian diet since God gave us meat for food and meat eating is assumed throughout Scripture with no negative connotations Moreover meat poultry and fish can and should be included in a healthy eating plan The proposed eating plan is also designed to optimize hormones such as testosterone growth hormone and insulin This can produce dramatic differences in a person s health and well being and can lead to a gain in muscle mass and a loss of body fat It can also lead to improved athletic performance This book also looks at other aspects of athletic nutrition **Understand the Old Testament** David Holsted,2018-02-16 A full 75 percent of the Bible is the Old Testament If one of your kids or your coworkers or your friends were to ask you about the Old Testament could you talk knowledgably about it When you pastor says that your church believes in the Old Testament because the whole Bible is about Jesus can you even imagine what he s talking about In my experience Christians often know stories from the Old Testament or maybe have memorized verses from it but very few would say that they understand it That s where I stood not long ago so I set out to do something about it Frankly without help the Old Testament can be difficult to read let alone understand But with a little guidance you can not only understand it you can appreciate how it harmonizes

with the New Testament and you can see how it is so foundational to your faith I put together this book as I earnestly studied my way through the Old Testament My hope is that I have taken hundreds of hours of reading and work and summarized it into a book that can be used by Christians who just don't have hundreds of hours to invest This book combines the best of what I've read and studied about the Old Testament It is part book read it through or select areas of interest from the summaries It is part Bible study guide use the summaries to study or lead a Bible study group It is part commentary use it to complement your Old Testament reading The Old Testament is the story that Jesus completes and the promise that Jesus fulfills Are you willing to invest about an hour per week for a year in order to see how this is true Learn the name nature attributes and character of God Learn biblical principles patterns and promises Learn about Hebrew culture language and history in the context of world history Learn of the prophecies of hope through the Messiah Learn how the Old Testament testifies to Jesus throughout Share this adventure with me Take the first step Start down the path You will find it one of the most fulfilling things you've ever done *Bible Knowledge Commentary: Old Testament* John F. G. Dunn, 2005-01-18 Taking the

New Testament as the charter of Christian liberty distinguished biblical scholar James D G Dunn approaches the complex subject of freedom from the perspective of Scripture in order to demonstrate what is distinctively Christian liberty After opening with an overview of the historical development of the concept of liberty Dunn goes on to examine three scriptural test cases that help to elucidate the often tense relationship 1 between freedom and authority as revealed in the responses of Jesus to the dominant conventions of his day 2 between liberty and the self derived from Paul's teaching about sin death and the law and 3 between liberty and society illustrated by a masterly exposition of Romans 14 15 In a day when the forces of fundamentalism are gathering strength once again on all sides the theme of liberty and not least Christian liberty is one that demands attention This study shows that the freedom of Jesus is something no Christian need fear that liberty is not a threat to faith but one of its prime expressions **Living for What Really Matters** Teresa Swanstrom Anderson, 2020-07-14 The

Get Wisdom Bible Studies help women connect with Scripture in an accessible and energizing way Teresa Swanstrom Anderson guides with a winsome style that is rich in depth but still approachable for newer readers of the Bible What Are You Hustling For We glorify busyness We hustle hoping to gain approval and find acceptance Yet for most of us we simply hustle our way to burnout But what if it s only pointless hustle that leads to burnout What if meaningful struggle can lead us to growth and depth and even joy The apostle Paul understood hustle and struggle better than most But in prison where we d expect him to be burned out and depressed he wrote a letter to his Philippian friends seeking to build them up a letter filled with thankfulness generosity and joy Focused on Jesus rather than concentrating on his own discomfort Paul s actions brilliantly display what happens when hardship is used for the glory of God We might feel that life is trying to bury us but what we forget is that we re a seed Philippians will show us how we can grow deep roots and blossom by finding the meaning in our struggle
