Clinical Delegation Skills:

Clinical Delegation Skills: A Handbook for Professional Practice Ruth Hansten, Marilynn Jackson, 2009-07-02 Clinical Delegation Skills helps readers better understand delegation skills and apply them effectively in their own clinical setting. Practical, easy to read and full of checkpoints and exercises, this renowned text teaches readers about the world of professional health care roles and accountability as well as how to communicate effectively, provide feedback, handle conflict, and address leadership strengths and weaknesses using higher order critical thinking skills, emotional intelligence, and clinical judgment. The Fourth Edition has been completely revised and updated and reflects all new delegation laws and policies.

Clinical Delegation Skills Ruth I. Hansten, 1994 Winner of the AJN Book of the Year Award. Develop the skills you need to supervise UAPs safely and confidently with this unique how-to guide that includes fundamentals of effective delegation, explanations of state nurse practice acts, dozens of real-life situations from all clinical settings, and exercises to help you apply what you've learned. Learn how to delegate effectively with this easy-to-use learning tool for individual study or inservice training. Clinical Delegation Skills will help develop confidence in the ability to delegate effectively, minimize risks, understand what can be delegated and what must be retained as professional responsibility, discover how to recognize and validate the competence of the individual to whom you assign tasks, understand the risks and liabilities associated with delegation.

Home Care Nursing Delegation Skills Ruth I. Hansten, Marilynn J. Washburn, Virginia Kenyon, 1999 An essential reference for nursing students in developing and implementing the competencies necessary in caring for critically ill patients. Synergy for Clinical Excellence: The AACN Synergy Model for Patient Care enhances the understanding of The Synergy Model in practice. Based on a decade of work by the American Association of Critical Care Nurses, the text encompasses the history and development of the nurse and patient characteristic inherent in The Synergy Model and then thoroughly addresses each characteristic individually and applies the model in practice. Includes sample test questions relevant to the model that will assist nursing students in preparing for certification through AACN and provide further examples of the integration of the Synergy Model in practice.

Clinical Delegation Skills: A Handbook for Professional Practice Hansten, Marilynn Jackson, 2014-08-06 Revised and updated to reflect all new delegation laws and policies, this text teaches readers about the world of professional health care roles and accountability as well as how to communicate effectively, provide feedback, handle conflict, and address leadership strengths and weaknesses.
