Be Lifted Up:

If I Be Lifted Up Samuel M. Shoemaker, 2007-01-16 These sermons represent an attempt to approach the central meaning of the Cross along several confessedly incomplete avenues of approach I think of them as a little circle of converging but incompleting radii all pointing toward and therefore in a sense defining but none of them finally touching the real heart of the meaning of the Cross Were any of us able at last to do this we should unlock the mystery of life itself Even Dr Moberly in his great book *Atonement and Personality* begins by saying Atonement is a reality much too fundamental to human consciousness to be capable of any ready explanation Our explanations at their best are still always partial explanations It is always more than our understanding of it And so it is that one does not hesitate to add his own convictions to the many words that are written and said about the meaning of the Cross of Christ from the Foreword **John** Colin G. Kruse, 2017-08-01 Among the Gospels John's is unique in both structure and content Ultimately faith in Jesus is at the center with signs highlighted to provoke faith and stories of those who responded to Jesus as examples of faith In this replacement Tyndale commentary Colin Kruse ably reveals how the Fourth Gospel weaves its themes of belief and unbelief into its rich Christology

Signs of the Messiah Andreas Köstenberger, 2021-02-24 That you may believe Have you ever asked God for a sign Throughout Scripture God gave signs to his people whether mighty acts during the exodus or miracles through Elijah and Elisha Jesus was also asked for a sign Yet despite giving seven remarkable signs his people refused to believe him In *Signs of the Messiah* Andreas Köstenberger veteran New Testament scholar and expert on the Gospel of John guides readers through John and highlights its plot and message John's Gospel is written to inspire faith in Jesus By keeping the Gospel's big picture in view readers will see Jesus' mighty signs and be compelled to trust more fully in the Messiah Readers will have a deeper grasp of John's message and intent through this short and accessible introduction **Discourses and Sayings of Our Lord Jesus Christ** John Brown, 1858 **A Hebrew and English Lexicon of the Old Testament** Wilhelm Gesenius, 1894 **A Complete Concordance to the Book of Mormon** George Reynolds, 1900 *The 99 Beautiful Names for God for All the People of the Book* David Bentley, 1999 In a bridge building exercise between Christians Muslims and other people of the book David Bentley traces the Semitic pre-Islamic origins of Islam's 99 names of God He points the reader to Old Testament counterparts of these names as well as to Jesus' comparable representations of Himself [Theology in a Suffering World](#) Christopher Southgate, 2018-08-30 The book proposes a new way of understanding the glory of God in Christian theology based on glory as sign *A paraphrase on the four Evangelists* Samuel Clarke, 1736 **Bible Training for Sabbath Schools ... Eighth edition** David STOW, 1859 **The Son of Man in Myth and History** Frederick Houk Borsch, 2007-03-01 Borsch has not answered all the questions of course Who can But his view of the Man tradition makes more sense to me than for example Perrin's rather cavalier dismissal of the evidence and it not only enlightens but also enlivens the discussion As against the extreme skeptics Borsch is also convincing to me in arguing the case for a large

measure of authenticity in the Son of man tradition in the Gospels If the proof of the pudding is in the eating the book constantly calls me back to its pages for insight regarding the problem both in its historical dimension and in its bearing upon the meaning of Jesus of Nazareth for faith today Theology The author is well aware of the difficulties involved in entering a field wherein so much investigation has been done And of this with the positive and negative conclusions he gives an excellent survey crisp and critical The lines opened up will engage the attention of a new and more positive chapter in the form critical argument London Quarterly and Holborn Review Frederick H Borsch is the retired Bishop of the Episcopal Diocese of Los Angeles and Professor of New Testament and Chair of Anglican Studies at The Lutheran Theological Seminary at Philadelphia He is also the former Dean of the Chapel at Princeton University His other books include The Spirit Searches Everything Keeping Life's Questions The Bible's Authority in Today's Church Introducing the Lessons of the Church Year A Guide for Lay Readers and Congregations and The Christian and Gnostic Son of Man
