World War II Memory and Contested Commemorations in Europe and Russia Jennifer A. Yoder, 2024-01-01 Instrumentalization of the wartime past for political gain is the subject of this study of eleven World War II commemorations Using a comparative conceptually original approach Yoder identifies the actors who manipulate memory surrounding wartime anniversaries such as the bombing of Dresden and ceremonies to honor fallen soldiers and fascist collaborators The cases of memory contestation span three geographic regions Western Europe Eastern Europe and Russia recognizing that each developed distinctive interpretations of the war and different patterns of memory politics This empirically rich study reveals the grievances that motivate memory challengers and their strategies for shaping the commemoration discourses and rituals The memory challengers toolkit includes varieties of emotional manipulation subtle distortion revisionism and full scale denial The study finds that while there are differences in context and strategy across cases and regions there are also

areas of convergence Moreover a memory challenge in one country can spill over into others with serious consequences for foreign relations While *World War II Memory and Contested Commemorations in Europe and Russia* deals with debates and narratives about events in the last century its focus is on power persuasion and identity in the present *Teaching LGBTQ+ History in High Schools* Stacie Brensilver Berman, Robert Cohen, 2025-07-28 *Teaching LGBTQ History in High Schools* Practical Strategies and Voices of Experience offers insights concrete strategies and lesson plans for teaching LGBTQ history in high schools With essays from educators historians and activists it speaks to the power and significance of LGBTQ inclusive curriculum and its greater necessity at a time when the LGBTQ community is both more visible and increasingly targeted Across the US challenges exist that prevent teaching LGBTQ history including curriculum censorship laws prohibiting discussion of the LGBTQ community in schools However there are also grassroots movements in the US that are generating quality LGBTQ history curriculum and implementing them in secondary schools This book shows how integrating LGBTQ content offers myriad benefits for all students including making history more relevant and representative and reversing years of silence and erasure in the sources topics and narratives that students encounter throughout their education Combining insights from changemakers with practical strategies and lesson plans for teaching LGBTQ history this book will equip educators with the rationale and resources they need to effectively integrate this history into the curriculum It will also be highly valuable for pre service teachers particularly within Social Studies Education and Social Justice Education *Supplemental Appropriations* United States.
