Mystical Theology and Continental Philosophy David Lewin, Simon D. Podmore, Duane Williams, 2017-05-18 Exploration of the interface between mystical theology and continental philosophy is a defining feature of the current intellectual and even devotional climate But to what extent and in what depth are these disciplines actually speaking to one another or even speaking about the same phenomena This book draws together original contributions by leading and emerging international scholars delineating emerging debates in this growing and dynamic field of research and spanning mystical and philosophical traditions from the ancient to the medieval modern and contemporary At the heart of which lies Meister Eckhart perhaps the single most influential Christian mystic for modern

times The book is organised around significant historical and contemporary figures who speak across the intersections of philosophy and theology offering new insights into key interlocutors such as Pseudo Dionysius Augustine Isaac Luria Eckhart Hegel Heidegger Marion Kierkegaard Deleuze Laruelle and i ek Designed both to contribute to current trends in mystical theology and philosophy and elicit dialogue and debate from further afield this book speaks within an emerging space exploring the retrieval of the mystical within a post secular context

The Secret of Secrets Osho, 2017-06-06 Taoist teachings on life and existence presented by one of the best known and provocative spiritual teachers of our time In this unique series of discourses Osho unravels The Secret of the Golden Flowers an ancient text that he describes as the essence of Taoism It is the core of all religions and spiritual paths belonging to no one and belonging to all More than 2 500 years old this remarkable text continues to be as relevant today as it was to its contemporaries Osho demystifies the important terms used by the Chinese mystic Lu Tsu or Lao Tzu and shares his meditation exercises He also outlines the qualities of animus and anima our male and female energies as delineated by Lu Tsu explaining the importance of their relationships inside each of us He also provides many valuable techniques and gives specific instructions on the Taoist Golden Light Meditation which involves harmonizing the male and female elements and transmuting sexual energy A timeless collection of Osho s talks on The Secret of the Golden Flower this book will show you how to not remain a seed but to become what the Chinese called a golden flower Called the one thousand petaled lotus in India the golden flower is a symbol that represents perfection totality It represents the actualization of potential the beauty the grandeur and the splendor of being

The Soul at Rest Tricia McCary Rhodes, 2018-11-06 Many Christians today struggle with having a consistent or life giving quiet time They are looking for a form of prayer that doesn t make them feel like they re begging God or being judged by him The Soul at Rest is a quiet time companion that introduces inward disciplines from throughout Christian history to those who hunger for greater intimacy with God The Soul at Rest is a 40 day guided experience of prayer that puts readers in the presence of God and allows them to enter and enjoy his rest It guides readers into a rhythm of quiet contemplative prayer easing them into God s presence and demonstrating how prayer is not so much a duty as it is a gift By the time someone finishes The Soul at Rest they ll not only understand prayer better they ll be engaging in it as a regular rhythm of life

Radical Passion Andrew Harvey, 2012-10-23 This culmination of award winning author Andrew Harvey s life s work bridges the great divide between spiritual resignation and engaged spiritual activism A manifesto for the transformation of the world through the fusion of deep mystical peace with the clarity of radical wisdom it is a wake up call to put love and compassion to urgent focused action According to Harvey we are in a massive global crisis reflected by a mass media addicted to violence and trivialization at a moment when what the world actually needs is profound inspiration a return to the heart centered way of the Divine Feminine the words of the mystics throughout the ages and the cultivation of the nonviolent philosophies of Gandhi Nelson Mandela Aung San Suu Kyi and the Dalai Lama Harvey s concepts of radical passion and sacred activism fly in the face of

restraint of pessimism of denial of all that is inhumane fusing the mystic's passion for God with the activist's passion for justice and for healing the division between heaven and earth heart and will body and soul prayer and action Sacred activism asks that we engage deeply on a personal spiritual and political level so as to become a fully empowered fully active and contemplative humanity that can turn tragedy into grace and desolation into the opportunity to build and co create a new world Unlike many spiritual books Radical Passion does not veil the dark with artificial hope It explores the catastrophes of our current times and celebrates the ecstatic hope and divinity that is possible right now and in the future **The Secret Power of Blue and Black Magic** Alina Rubi, 2025-08-02 This book is not an ordinary manual It is a profound journey into two magical currents that are opposite yet complementary Blue Magic connected to water intuition and ancestral wisdom coexists with Black Magic a symbol of power transformation and confrontation with the shadows Through spells rituals symbols and reflections this book reveals how both forces can exist harmoniously within the modern witch Here you will find lunar invocations pacts with your inner power and a guide to embracing duality without fear It is ideal for advanced practitioners and those curious about the occult who seek a powerful symbolic and emotionally honest guide Prepare to immerse yourself in the forbidden the profound and the sacred
