

DESIGN AND MAKE YOUR OWN CONTEMPORARY SAMPLER QUILT

Katie Pasquini

In this unique guidebook, writer, teacher and talented quilter Katie Pasquini provides expert advice on how to design and put together your own contemporary sampler quilt. Her thorough and enthusiastically written how-to manual not only shows beginners basic quilting procedures, but also encourages more experienced quilters to try new formats.

Novices will learn how to make, applique, piece blocks together (by hand or machine), create borders, bind, finish and even hang the finished projects. More experienced quilters will want to use the guide as a design workbook, selecting traditional patterns, then fitting blocks into preplanned layouts to create a new twist on an old favorite.

Over 100 different block plans are included, with templates for cutting out patterns. You'll also find full color photos of 25 completed quilts that incorporate a variety of attractive designs created by using these inspired methods.

Formats are provided for three different sized projects: a small quilt, a larger wallhanging that's still small enough not to intimidate beginners and a full size quilt for the more ambitious needleworker.
