Design For Preaching:

Design for Preaching H. Grady Davis, 2003-03 **Design for preaching** Henry Grady David, 1958 **Design for Preaching** Henry Grady Davis, 1979 **12 Essential Skills for Great Preaching** Wayne McDill, 2006 In this newly expanded second edition of 12 Essential Skills for Great Preaching Dr Wayne McDill draws on decades of experience as a preacher and homiletics professor to inspire other preachers to live up to their God given potential Here are twelve proven ways to pack more content and effectiveness into every sermon covering all of the bases from general preparation to the end result of increasing each listener's faith Recent seminary graduates and seasoned pastors alike will identify skills that need personal improvement and McDill encourages them to strengthen such areas at their own pace and in whatever order they feel is best Every chapter in this new edition has been revised and updated Also included are additional worksheet helps and sermon examples **The Shape of Preaching** Dennis M. Cahill, 2007-01-01 Many pastors are just too busy to follow the latest theories on preaching and sermon form In The Shape of Preaching Dennis M Cahill seeks both to educate the working pastor on the current issues of sermon design and enable them to use this design in a way that can change their preaching After first laying the theoretical groundwork with discussions of the theological cultural and literary roots of the new approaches to sermon design Cahill expertly guides the preacher through a practical process for designing sermons that speak to people in the world today *Preaching* James Cox, 2002-06-17 Stands head and shoulders above the other texts Cox has complete mastery over all aspects of preaching Students and teachers will be awed Review and Expositor A contemporary restatement of the fundamentals of good preaching serves as a splendid refresher course for old timers and as a basic text for some of the newer preachers A distinctly practical handbook The Christian Century Balanced practical and familiar The strength of the book is the many practical sections in which the author gives step by step guidance A useful ring on which to cut one's homiletical teeth Theology Today Inspiring offers excellent counsel on ways to master the message will strengthen any pulpit Ministries A strong and worthy book may well prove little short of revolutionary in the years ahead The Christian Ministry *Preaching from Memory to Hope* Thomas G. Long, 2009-03-19 In this compelling and hard hitting book respected preacher and teacher Thomas Long identifies and responds to what he sees as the most substantive theological forces and challenges facing preaching today The issues he says are fourfold the decline in the quality of narrative preaching and the need for its reinvigoration the tendency of preachers to ignore God's action and presence in our midst the return of the church's old nemesis gnosticism albeit in a milder form evidenced in today's new spirituality and the absence of eschatology in the pulpit Long once again has his finger on the pulse of American preaching demonstrated by his creative responses to these challenges Whether he is calling for theologically smarter and more ethically discerning preaching providing a method of interpretation that will allow pastors to recover the emphasis on God in our midst or encouraging a kind of interfaith dialogue with gnosticism he demonstrates why he has long been considered one of the most thoughtful and

Studyguide: Preaching Peter K. Stevenson, 2017-01-31 Peter Stevenson provides an introduction to the practice of preaching It is designed for people from various church traditions in the early stages of ministerial formation Preaching is a complex and challenging business requiring a demanding mixture of skills People listening to a sermon have the right to expect that a person who stands up to preach can interpret the Bible competently has a grasp of core Christian beliefs and believes what they preach They also expect someone who has the necessary range of communication skills to put the message across in an accessible way Such a range of expectations presents daunting challenges to the most experienced preacher Including practical exercises which could be used by individuals or by groups this book is suitable for introductory courses in preaching or for modules which consider preaching within an overall focus upon leading public worship **Preaching Biblically** Don M. Wardlaw, 1983-01-01 How can a sermon be shaped so that it conveys the reality of Scripture In this innovative work seven homileticians explore new ways of bringing to life the power and drama of God's word in Scripture In addition to editor Don M Wardlaw contributors include Ronald J Allen William J Carl III Thomas G Long Charles Rice Gardner Taylor and Thomas H

Troeger *Deep Preaching* J. Kent Edwards, 2009 J Kent Edwards recalls a story that late pastor J Vernon McGee told about seeing children in South Africa playing a game of marbles in the dust with real diamonds The precious stones were being handled with no regard for their true worth Edwards fears the same thing happens today when preachers offer Scriptural truth to listeners without being completely overwhelmed by its greatness themselves in the process Deep Preaching is his call to rethink preaching Edwards helps preachers learn to preach the word in ways that will powerfully change the lives of hearers He contends that sermons need not settle comfortably on the lives of the listeners like dust on a coffee table He encourages preachers to join him in casting off the lines that moor their ministries to the status quo and make every effort to steer their preaching out of the comfortable shallows He urges them to preach deep sermons rather than superficial ones moving beyond the yawn inspiring to the awe inspiring from the trite to the transforming **The Senses of Preaching** ,1988-01-01 Written in conversational style The Senses of Preaching is a thought provoking book using anecdotes to take a careful look at the relationship between preachers and congregations Thomas Long provides insight into faith and life as well as preaching and homiletics He offers preachers a better understanding of the whole concept of their craft and complements it with sermon starter ideas This compact volume shows preachers how to develop and implement a preaching experience that encourages the hearing of the gospel
