

Das Land Am Nil

Massimo Mastrogregori

Das Land Am Nil:

Dialogangebote. Die Anrede des Kaisers jenseits der offiziellen Titulatur Sophia Bönisch-Meyer, 2021-06-08 Der Kaiser war der Bevölkerung im Römischen Reich auf vielfältige Weise präsent durch Statuen auf öffentlichen Plätzen sein Bildnis auf Münzen oder seinen Namen in Inschriften Dabei waren seine Untertanen nicht nur Rezipienten kaiserlicher Selbstdarstellung sondern beteiligten sich auch aktiv an der Ausgestaltung der kaiserlichen Repräsentation mit ihren eigenen Vorstellungen und Erwartungen Dieses Thema wird in *Dialogangebote Die Anrede des Kaisers jenseits der offiziellen Titulatur* erstmals am Beispiel der sog inoffiziellen Titulaturen auf breiter Quellenbasis untersucht Dabei werden diese ehrenden Epitheta in ihrer diachronen Entwicklung von Augustus bis Severus Alexander 27 v Chr 235 n Chr und ihren thematischen medialen funktionalen und sozialen Kontexten analysiert Die Untersuchung arbeitet die wichtige Rolle der Untertanen für die Herrscherrepräsentation heraus und bietet neue Einblicke in die Bedeutung dieses Phänomens für die reziproke Kommunikation zwischen Kaiser und Untertanen The people of the Roman Empire encountered the emperor in many different ways such as through statues in public places his portrait on coins or his name in inscriptions In these encounters his subjects were not merely recipients of imperial self expression but also expressed their own ideas and expectations *Dialogangebote Die Anrede des Kaisers jenseits der offiziellen Titulatur* is the first study of this dynamic to make use of the rich Latin and Greek source material for the so called unofficial titulature These honorific epithets are analysed in their diachronic development from Augustus to Severus Alexander 27 BCE 235 CE and discussed in their thematic media functional and social contexts The study fleshes out the important role played by the subjects in the representation of rulers and offers new insights into the importance of this phenomenon for the reciprocal communication between emperors and subjects

A Globalised Visual Culture? Fabio Guidetti, Katharina Meinecke, 2020-07-31 Late Antique artefacts and the images they carry attest to a highly connected visual culture from ca 300 to 800 C E On the one hand the same decorative motifs and iconographies are found across various genres of visual and material culture irrespective of social and economic differences among their users for instance in mosaics architectural decoration and luxury arts silver plate textiles ivories as well as in everyday objects such as tableware lamps and pilgrim vessels On the other hand they are also spread in geographically distant regions mingled with local elements far beyond the traditional borders of the classical world At the same time foreign motifs especially of Germanic and Sasanian origin are attested in Roman territories This volume aims at investigating the reasons behind this seemingly globalised visual culture spread across the Late Antique world both within the borders of the former Roman and later Byzantine Empire and beyond bringing together diverse approaches characteristic of different national and disciplinary traditions The presentation of a wide range of relevant case studies chosen from different geographical and cultural contexts exemplifies the vast scale of the phenomenon and demonstrates the benefit of addressing such a complex historical question with a combination of different theoretical approaches *The Eastern Roman*

Empire under the Severans Julia Hoffmann-Salz, Matthäus Heil, Holger Wienholz, 2024-06-17 The year of the four emperors in AD 193 shows the cosmopolitan interconnectedness of the Roman Empire yet scholarship has long framed the Severan dynasty in a narrative of descent stressing their North African and in particular their Syrian origins The contributions of this volume question this conventional approach and instead examine more closely actual Severan policy in the Near East to detect potential local connections that determined this policy as well as how local communities and elites reacted to it The volume thus explores new beginnings and old connections in the Roman Near East **Literacy in Ancient Everyday Life** Anne Kolb, 2018-08-21 This volume explores the significance of literacy for everyday life in the ancient world It focuses on the use of writing and written materials the circumstances of their use and different types of users The broad geographic and chronologic frame of reference includes many kinds of written materials from Pharaonic Egypt and ancient China through the early middle ages yet a focus is placed on the Roman Empire **The Thebaid in Times of Crisis** Ralph Birk, Laurent Coulon, 2025-01-27 This collective volume explores societal crises in Hellenistic Egypt focussing regionally on the Thebaid from small scale insurgencies to full fledged secession As a result of an international conference held at the Freie Universität Berlin May 2 4 2019 the presented case studies ask how actors and modern scholars of Ptolemaic Egypt shape and frame times of crisis and what traces remain thereof in the record As decisive moments in time crises reveal fundamental features of societies and structure the flow of events into historically meaningful yet potentially teleological trajectories In Ptolemaic historiography from Polybius till today the Great Theban Revolt 206 186 BCE served as such a turning point demarcating rise and decline By confronting the historiographic record with independent and yet partially unexploited sources such as temple epigraphy Demotic literary texts archaeological numismatic and private documentation the reunited studies aim at diversifying the perspectives on and in societal conflicts in Ptolemaic Egypt in order to gain a fuller and more nuanced picture of how various actors kings queens officials and priests coped with times of crisis **GWF; Das Gas- und Wasserfach** , 1929 *Noscendi Nilum Cupido* Eleni Manolaraki, 2012-12-06 What significations did Egypt have for the Romans a century after Actium and afterwards How did Greek imperial authors respond to the Roman fascination with the Nile This book explores Egypt's aftermath beyond the hostility of Augustan rhetoric and Greek and Roman topoi of Egyptian barbarism Set against history and material culture Julio Claudian Flavian Antonine and Severan authors reveal a multivalent Egypt that defines Rome's increasingly diffuse identity while remaining a tertium quid between Roman Selfhood and foreign Otherness Vespasian's Alexandrian uprising his recognition of Egypt as his power basis and his patronage of Isis re conceptualize Egypt past the ideology of Augustan conquest The imperialistic exhilaration and moral angst attending Rome's Flavian cosmopolitanism find an expressive means in the geographically and semantically nebulous Nile The rapprochement with Egypt continues in the second and early third centuries The Hellenic Antonines and the African Syrian Severans expand perceptions of geography and identity within an increasingly decentralized and diverse empire In the political and cultural

discourses of this period the capacious symbolics of Egypt validate the empire's religious and ethnic pluralism

Allgemeine Geographie Klun, 1861 Empire and Religion in the Roman World Harriet I. Flower, 2021-08-19 The inspiration for this volume comes from the work of its dedicatee Brent D Shaw who is one of the most original and wide ranging historians of the ancient world of the last half century and continues to open up exciting new fields for exploration Each of the distinguished contributors has produced a cutting edge exploration of a topic in the history and culture of the Roman Empire dealing with a subject on which Professor Shaw has contributed valuable work Three major themes extend across the volume as a whole First the ways in which the Roman world represented an intricate web of connections even while many people's lives remained fragmented and local Second the ways in which the peculiar Roman space promoted religious competition in a sophisticated marketplace for practices and beliefs with Christianity being a major benefactor Finally the varying forms of violence which were endemic within and between communities *Yale Papyri in the Beinecke Rare Book and Manuscript Library IV* Hélène Cuvigny, Ruth Duttonhoefer, Ann Ellis Hanson, 2021-12-08 Yale Papyri in the Beinecke Rare Book and Manuscript Library IV springs from work undertaken at Yale University's Beinecke Rare Book and Manuscript Library at its Papyrological Summer Institute in 2003 This fourth volume of Yale papyri presents three groups of texts dating from the second century BCE to the seventh century CE Editions are presented in chronological order and include items such as samples of scribal training mathematical tables and exercises schoolroom work letters tax receipts contracts and petitions Contributors in addition to the volume editors include Daniel Markovich Charles W Hedrick Jr Jitse H F Dijkstra Kevin Wilkinson AnneMarie Luijendijk Richard L Phillips Gary Reger Shane Berg Elizabeth Penland George Bevan Josiah E Davis Mariam Dandamayeva Andrew T Crislip and Jean Gascou 2010 Massimo Mastrogregori, 2014-12-12 Every year the Bibliography catalogues the most important new publications historiographical monographs and journal articles throughout the world extending from prehistory and ancient history to the most recent contemporary historical studies Within the systematic classification according to epoch region and historical discipline works are also listed according to author's name and characteristic keywords in their title **Allgemeine Geschichte, von der Urzeit bis auf die heutigen Tage. Bd. I.** Joseph Anton HENNE, 1845 Papyri of the University Library of Basel (P.Bas. II) Sabine R. Huebner, W. Graham Claytor, Isabelle Marthot-Santaniello, Matthias Müller, 2020-04-06 Die Universitätsbibliothek in Basel ist im Besitz einer kleinen Papyrussammlung von 63 Papyri aus ptolemäischer römischer sowie spätantiker Zeit in überwiegend griechischer aber auch hieratischer lateinischer koptischer und mittelpersischer Sprache Der Freiwillige Museumsverein der Stadt Basel erwarb sie im Jahre 1899 für die Universitätsbibliothek und machte damit Basel zur einer der ersten Universitäten die im Besitz einer Sammlung griechischer Papyri war Im frühen 20. Jahrhundert nahm sich zwar der an der Universität Basel als Professor für Rechtsgeschichte lehrende Ernst Rabel Basel 1906 1910 der Sammlung an und bearbeitete einige ausgewählte Texte Doch er belie es bei einer Auswahl von 26 Papyri die er als Papyrusurkunden der öffentlichen Bibliothek der Universität

zu Basel während des 1. Weltkriegs im Jahre 1917 publizierte. Dieser Band bietet nun eine Reedition der bereits bekannten Stücke und eine Erstedition aller weiteren Basler Papyri. Hieratic, Demotic and Greek Studies and Text Editions Cary J. Martin, Francisca A.J. Hoogendijk, Koenraad Donker van Heel, 2018-06-12. This volume is a Festschrift in honour of Sven Vleeming containing the contributions of thirty eight friends and colleagues often renowned specialists in their respective fields. It includes the editions of fifty four new texts from Ancient Egypt that date from the 7th century BCE to the 2nd century CE and covers a very wide range of subjects in Abnormal Hieratic Demotic and Greek papyrology. As such it reflects the equally wide range of knowledge of the scholar to whom this book is dedicated. *Herodian's World*, 2021-12-13. The volume collects fourteen essays on Herodian that investigate the most important aspects of his historiography: literature, politics, economy, religion and warfare. Empire and Religion Elena Muñoz Grijalvo, Juan Manuel Cortés Copete, Fernando Lozano Gomez, 2017-07-10. This volume explores the nature of religious change in the Greek speaking cities of the Roman Empire. Emphasis is put on those developments that apparently were not the direct result of Roman actions: the intensification of idiosyncratically Greek features in the religious life of the cities. Heller, M. u. iz Camia: the active role of a new kind of Hellenism in the design of imperial religious policies. Gordillo, Galimberti, Rosillo, L. pez: or the locally different responses to central religious initiatives and the influence of those local responses in other imperial contexts. Cortés, Melfi, Lozano, Rizakis. All the chapters try to suggest that religion in the Greek cities of the empire was both conservative and innovative and that the Roman factor helps to explain this apparent paradox. **Meyers Grosses Konversations-Lexikon** Hermann Julius Meyer, 1902. , *Death on the Nile* Walter Scheidel, 2017-09-18. A pioneering comparative and multidisciplinary study of the interaction between local disease environments and demographic structure: this book breaks new ground in reconstructing the population history of Egypt during the Roman period and beyond. Drawing on a wide range of sources from ancient census data and funerary commemorations to modern medical accounts, statistics and demographic models, the author explores the nature of premodern disease patterns, challenges existing assumptions about ancient age structure and develops a new methodology for the assessment of Egyptian population size. Contextualising the study of Roman Egypt within the broader framework of premodern demography, ecology and medical history, this is the first attempt to interpret and explain demographic conditions in antiquity in terms of the underlying causes of disease and death. *The Mysteries of Mithras* Attilio Mastrocinque, 2017-08-07. Attilio Mastrocinque explains the mysteries of Mithras in a new way as a transformation of Mazdean elements into an ideological and religious reading of Augustus' story. The author shows that the character of Mithras played the role of Apollo in favoring Augustus' victory and the birth of the Roman Empire.

This is likewise one of the factors by obtaining the soft documents of this **Das Land Am Nil** by online. You might not require more become old to spend to go to the ebook introduction as with ease as search for them. In some cases, you likewise get not discover the message Das Land Am Nil that you are looking for. It will agreed squander the time.

However below, next you visit this web page, it will be consequently utterly simple to acquire as skillfully as download lead Das Land Am Nil

It will not consent many period as we notify before. You can accomplish it though sham something else at home and even in your workplace. therefore easy! So, are you question? Just exercise just what we provide below as with ease as review **Das Land Am Nil** what you in the manner of to read!
