1 000 Days The Ministry Of Christ

Marcel A. Müller

1 000 Days The Ministry Of Christ:

1000 Days Jonathan Falwell, 2012 Examines the mission and ministry of Jesus during the one thousand days before the ascension offering insight into his teachings on such topics as hypocrisy temptation happiness and love *The First 10,000 Days - the Silent Years of Jesus* Christopher Halls, 2005-10-11 The First 10000 days is a biblical and historical investigation into the hidden years of Jesus life the 30 years before he began his ministry Drawing extensively upon the Old Testament the scriptures Jesus knew and loved our knowledge of first century Judaism and life in Israel at the time we can begin to put together the pieces of the puzzle what might life for Jesus have been like This background material is woven together with New Testament insights about his early life and the first believers experiences of the power of the Holy Spirit Since the time of the early church people have been naturally curious about the person of Jesus his feelings and thoughts as he grew up The First 10000 days speaks to that longing and also takes care to caution us about what can and cannot be known Through the incarnation Jesus was made like us he knows what it is like to confront difficulties and situations similar to those we face As Christians we must guard against the error of docetism the view that Christ only appeared to be a human being In the same way that he became aware of his own unique identity message and mission so too can those of us in Christ discover our call and purpose in life The First 10000 days is written as a 30 day devotional guide suitable for both individual and group study Each day concludes with questions for discussion and reflection [1,000 Days](#) Jonathan Falwell, 2012 Examines the mission and ministry of Jesus during the one thousand days before the ascension offering insight into his teachings on such topics as hypocrisy temptation happiness and love **1,000-Day Journey** Jan Taylor Lippitt, 2022-06-18 Our life journey isn't always smooth days are not always wonderful The author explores passages from Scripture and the personal message it has for each of us What can we learn from God's timeless word for our everyday living From several years of written meditations she has taken one thousand days of Scripture reflections coupled with a daily gratitude there is something for which we can be grateful every day and written them with the sole purpose of sharing insights from ordinary days in an ordinary life on a path guided by an extraordinary God [Is There A Synoptic Problem?](#) Eta Linnemann, 2020-05-06 *Mark's Choice of Stories* Tan Geok Hock, 2018-09-23 It is commonly believed that Jesus ministry lasted roughly three years That approximates a thousand days Yet Mark relates only about fifty events prior to Passion Week Even if those events took place on separate days it would still mean Mark covers only fifty days or five percent of Jesus ministry It cannot be that Jesus did nothing significant on the other days The apostle John said that if everything Jesus did were written down the world would not have sufficient space for the books So why did Mark choose these fifty or so stories Why did he not include more spectacular miracles like the raising of Lazarus Or remarkable teachings like the Sermon on the Mount This short commentary tries to answer these questions It concludes that Mark wants to provide guidance for believers at various stages of maturity Therefore although the subject matter should interest all serious students of Mark technical language is kept to a minimum

so that this commentary can also be used for personal study and reflection **Bread on the Water** David W.

Poindexter,2024-06-06 Jesus broke the cultural rules of his time With the only miracle found in all four gospels he focuses on the humble generosity of eight year old David as the catalyst for feeding five thousand families In *Bread on the Water* a fictional story steeped in the scriptures author David W Poindexter teaches we must have the faith of a child to enter the kingdom of God This work offers a fresh and meaningful story creating faces and names around this miracle of Jesus The miracle of feeding five thousand inspires us to ask What s in my lunch and then find the courage to place it in the hands of the one who can do the most with it The included journal allows families to write their own story of generosity *Bread on the Water* is the first book in *Family on Purpose A Series for Building Core Family Values* The stories are inspired by true firsthand accounts of Jesus s ministry found in Matthew Mark Luke and John each miracle found in scripture stands on its own This creative narrative offers direction in goodness and encourages fresh insight and deeper understanding Other character topics include values such as grit adventure gratitude and more *Discovering Jesus' Disciples* James Allen

Moseley,2024-06-25 Apart from a few famous stories like Peter walking on water most readers of the Bible have only a vague notion of who Jesus s apostles were and what they did They had incredibly adventurous lives This book gleaned from over a decade of teaching and study takes you on a magic carpet ride with the apostles reveals the world through their eyes and accurately retraces every known step of their lives Imprisoned in Nero s Rome Paul wrote I am an ambassador in chains Apostle means ambassador and these long suffering ambassadors of Christ bore the gospel over tens of thousands of miles from Jerusalem to Africa Europe and Asia They planted churches had heavenly encounters worked miracles wrote all time best sellers were shipwrecked flogged imprisoned and martyred and turned empires and kingdoms upside down This book is a journey of discovery back to the first century experiencing how against all odds these embattled and triumphant ambassadors in chains so perfectly fulfilled the Great Commission of Jesus **Biblical Roots of Mormonism: Over 1000**

scriptures Refernced from the bible Eric Shuster,Chuck Sale,2023-03-22 Last year Eric Shuster wrote *Catholic Roots Mormon Harvest* about his conversion from Catholicism to Mormonism Now he and coauthor Charles Sale bring us *The Biblical Roots of Mormonism* a discovery of Mormon doctrines as they are revealed in the Bible Each chapter delves into a specific belief such as the Godhead premortal life and revelation Quoting hundreds of Old and New Testament passages the authors show how the Bible alone can sustain Mormon theology and practice This incredibly well researched guide provides fresh insights about the Bible as each page reveals a new connection to the Mormon beliefs Perfect for believers investigators and skeptics alike this book will inspire and astonish as it lays out the biblical foundation of Mormonism

Bible Student and Religious Outlook ,1916 **Israel and the Covenants in New Testament Times** Peter Williams,2016-05-23 Second Edition Updated and Revised A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled

now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ's return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God's saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that
