Metes & Bounds III Donna Hechler Porter, 2016-04-16 John McQueen was born at the height of the Old French War in 1759 the grandson of Jacobite rebel Dugal McQueen. At the age of seven his father Thomas McQueen died and John moved with his mother and new family to the fringes of the American frontier. He grew up fighting Indians serving in militia campaigns and carving homes out of the wilderness. After the American Revolution he moved to Madison County Kentucky and in October of 1788 married Nancy Crews daughter of wealthy tobacco planter David Crews and his first wife Annie Magee. Together they had at least five children who grew to adulthood carved homes twice from the wilderness one in Tennessee and another in Texas. Their children and grandchildren were instrumental in settling Tyler and Jasper Counties many of them coming to Texas while it was under Spanish rule. This long awaited volume covers the vast history of this family from John's birth in the colonies in 1759 to the death of John and Nancy's last living grandchild James Polk McQueen in 1917. Included are family histories family photographs documents maps and a complete genealogical listing three generations past John and Nancy. Over 200 sources much of which was primary source material including court land tax military and probate records hard to find Bible records and interviews. Many unknown correlations between the Barclay Taylor Bean and McQueen families are here detailed. A fine edition to round out the Metes Bounds Series.

The Descendants of Moses and Sarah Kilham Porter of Pawlet, Vermont John S. Lawrence, 2018-02-09

Excerpt from *The Descendants of Moses and Sarah Kilham Porter of Pawlet Vermont With Some Notice of Their Ancestors and Those of Timothy Hatch Amy and Lucy Seymour Hatch Mary Lawrence Porter and Lucretia Bushnell Porter* In 1893 Henry Porter Andrews of Saratoga Springs New York published a work in two large volumes entitled *The Descendants of John Porter of Windsor Conn 1635*. It was a painstaking accumulation of facts and as I am told cost Mr Andrews his eyesight. Our ancestor Moses Porter is No 857 and his pedigree is shown to go back to John Porter through Experience Porter No 242 Experience Porter No 49 and Samuel Porter No 5. Mr Andrews states the wife of John Porter to have been Rose Porter. At that time it had not been ascertained that the mother of John Porter's children was a first wife Anna White daughter of Robert White and granddaughter of William Allgar. As respects John Porter himself no more is known at this time than what Mr Andrews set down in his book. Mr Andrews work is one of the most valuable genealogies we have. Apparently he invited all his correspondents to furnish him their pedigrees whether in the Porter line or otherwise with the result that there is no other such compendium of American pedigrees in print. It is true that he seems to have printed everything that was sent him.

and many discordant accounts of the same family appear but yet if examined with discrimination the work is a very valuable mine of genealogical information I owe to it the starting point at least of many a successful research and much useful information respecting Moses Porter's descendants It is to supplement Mr Andrews book with a full list of these latter that I publish what follows Moses Porter had seven children Abigail Sarah Elijah Joseph Solomon Moses R and Hervey Solomon died in boyhood A few of the descendants of Sarah fitch Elijah Joseph and Moses B Were set down by Mr Andrews but he does not seem to have got into touch with any member of the family of Abigail hatch the most numerous of all or the family of Hervey In what he did set down he went only a generation or so and the information furnished was inaccurate and unreliable Nevertheless in view of the large task he attempted to accomplish it is remarkable that he did so well with our particular branch of the family The descendants of John Porter as given in Mr Andrews book include many names of importance in American history Amongst them are two Presidents of the United States General Grant and Mr Cleveland Bishops Core and Huntington of the Protestant Episcopal Church Judges Selden and Porter of the New York Court of Appeals William E Dodge the merchant philanthropist of New York City err governor Baldwin of Michigan Chief Justice Waite of the United States Supreme Court President McKinley's private secretary John Addison Porter and many other men of prominence If Porters were given to boasting and they are not they might well regard their family as one of exceptional distinction About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
