Contemporary Problems Of Democracy:

Contemporary Problems of Democracy Marvin Zimmerman, 1972 Contemporary Problems of Pakistan J. Henry Korson, 1974 **Readings in Contemporary Problems in the United States** Horace Taylor, Joseph Daniel McGoldrick, 1929 Gift of Rabbi W Gunther Plaut **Contemporary Issues in Information Systems** Denis Reilly, 2022-09-07 Information technology IT and information systems IS are crucial to our everyday lives This book brings together a collection of research papers related to the application of IT and IS to address issues at national levels The first section provides some introductory material relating to IS and future challenges facing IS The second section considers several diverse applications of IT and IS ranging from Internet voting to missing person investigations This volume is suitable for both academics and IT practitioners working in the industry government or service providing sectors John Dewey and Contemporary Challenges to Democratic Education Michael G. Festl, 2024-09-23 This book reconsiders pragmatist conceptions of democratic education especially those of John Dewey It addresses what democratic education can mean in the face of current threats that are undermining democracy Since the mid twentieth century liberal philosophers have been skeptical of fostering values through public education Since liberal democracy must embrace different worldviews education especially public education must refrain from teaching values as much as possible Given the recent undermining of democratic nation states and their liberal foundations this educational abstinence can be interpreted as one of the drivers of the current crisis of democracy This book sketches how a renewed democratic education modeled after John Dewey and other forms of pragmatist educational philosophy might look today It identifies the conceptual political and technological challenges to education and democracy and explores how a new democratic education could be implemented in the classroom John Dewey and Contemporary Challenges to Democratic Education will appeal to scholars and advanced students interested in pragmatism and American philosophy the philosophy of education and political philosophy **The Public Order and the Sacred Order: Contemporary Issues, Catholic Social Thought, and the Western and American Traditions** Stephen M. Krason, 2009-05-20 The Public Order and the Sacred Order evaluates a range of contemporary social and political questions in light of Catholic social teaching philosophy great political thinkers and America's founding tradition It treats a wide range of topics including economics education free speech abortion church state relations American legal trends international politics Through discussions of these and other issues confronting contemporary American society author Stephen M Krason offers a scholarly social commentary suggests means for a reconstruction of sound social and political thought and calls for a renewal of American institutions politics and culture The book is structured in three parts Part I sets out foundational principles guided by Catholic social teaching philosophical reasoning Western political thought and the American founding Part II examines and evaluates the numerous issues in light of the principles set out in Part I and Part III provides approaches to the issues both general and specific policy ideas consonant with the foundational principles

set out in Part I There is also a volume of important Catholic Church documents Supreme Court cases and excerpts of important writings in the history of Western and American political thought that let the reader examine directly many documents discussed in the text of the book Along with being a strong and focused defense of traditional Catholic approaches to the questions of our time the vast array of material covered makes this book an invaluable reference for anyone interested in contemporary politics
