Contemporary Reader For Creative Writing

Hassan Kamshad, H. Kamshad

Contemporary Reader For Creative Writing:

Towards a Poetics of Creative Writing Dominique Hecq, 2015 This book offers an in depth study of the poetics of creative writing as a subject in the dramatically changing context of practice as research taking into account the importance of the subjectivity of the writer as researcher It explores creative writing and theory while offering critical antecedents theoretical directions and creative interchanges The book narrows the focus on psychoanalysis particularly with regard to Lacan and creative practice and demonstrates that creative writing is research in its own right The poetics at stake neither denotes the study or the techniques of poetry but rather the means by which writers formulate and discuss attitudes to their work

Poetics and the Modern Reader Robert M. Jordan,2023-04-28 In Chaucer s Poetics and the Modern Reader the focus shifts from a realist interpretation of Chaucer s works to a nuanced exploration of his rhetorical poetics emphasizing the poet s ambivalence about the nature of truth and language The study aligns Chaucer s fragmented and contingent narratives with modern poststructuralist and rhetorical theories arguing that his works embody a profound self awareness about the limitations and possibilities of literary language Rejecting static notions of truth to life this approach highlights Chaucer s place in a lineage of literary innovators who probe the intersection of language reality and artifice Through analyses of works like the House of Fame and The Canterbury Tales the study reveals Chaucer s consistent use of rhetorical poetics across diverse narrative forms The House of Fame with its flamboyant structure and reflexive style serves as a touchstone for understanding Chaucer s aesthetic principles while the Canterbury Tales showcases his adaptability blending realism in the Pardoner s Tale with rhetorical brilliance in the Nun s Priest s Tale Ultimately Chaucer s poetic ambivalence culminates in the final sequence of the Tales where he juxtaposes the ambiguities of literary art with theological certitude This work presents Chaucer as a pioneering figure whose insights into the instability of language and meaning resonate deeply with modern literary discourse This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1987 American Women Short Story Writers Julie

Brown,2014-05-01 This collection of original and classic essays examines the contributions that female authors have made to the short story The introductory chapter discusses why genre critics have ignored works by women and why feminist scholars have ignored the short story genre Subsequent chapters discuss early stories by such authors as Lydia Maria Child and Rose Terry Cooke Others are devoted to the influences race class sexual orientation education that have shaped women s short fiction through the years Women s special stylistic formal and thematic concerns are also discussed in this study The

final essay addresses the ways our contemporary creative writing classes are stifling the voices of emerging young female authors The collection includes an extensive five part bibliography

Stylistic Manipulation of the Reader in Contemporary Fiction Sandrine Sorlin, 2019-12-12 This book focuses on how readers can be manipulated during their experience of reading fictional texts and how they are incited to perceive process and interpret certain textual patterns Offering fine grained stylistic analysis of diverse genres including crime fiction short stories poetry and novels the book deciphers various linguistic pragmatic and multimodal techniques These are skilfully used by authors to achieve specific effects through a subtle manipulation of deixis metalepsis dialogue metaphors endings inferences or rhetorical narratorial and typographical control Exploring contemporary texts such as *The French Lieutenant's Woman* *The Remains of the Day* and *We Need to Talk About Kevin* chapters delve into how readers are pragmatically positioned or cognitively mis directed as the author guides their attention and influences their judgment They also show how readers responses can conversely bring about a certain form of manipulation as readers challenge the positions the texts invite them to occupy
