Gendina,Yuriko Nakamura,2012 In recent years interest in International Librarianship has grown rapidly and will continue to
grow as globalization influences education and librarianship In countries around the world public and school libraries have
unique roles and their staffs collaborate across types of libraries to varying degrees Library staff preparation training and
ongoing learning and organization of youth serving librarians mirror each country s values and priorities The essays in Youth
Serving Libraries in Japan Russia and the United States address the universal and culture specific aspects of library services
to children and teens in these three countries This collection shows how libraries have developed in light of each country s
political educational and social history They examine how government and citizen roles in youth serving libraries also reflect
culturally defined social structures The chapters highlight unique collections and services within each country and also show
how librarians deal with the challenges they encounter both from within their culture as well as from outside including
natural disasters Each country s authors discuss contemporary issues that face youth serving libraries such as information
literacy reading in a multimedia world and the overarching influence of technology This book will be of interest to youth
serving librarians around the world library educators and for those studying international and young adult librarianship
