Contours Of A World View Studies In A Christian World View:

Contours of a World View Arthur Frank Holmes, 1983 *Worldview* David K. Naugle, 2002-07-16 Conceiving of Christianity as a worldview has been one of the most significant events in the church in the last 150 years In this new book David Naugle provides the best discussion yet of the history and contemporary use of worldview as a totalizing approach to faith and life This informative volume first locates the origin of worldview in the writings of Immanuel Kant and surveys the rapid proliferation of its use throughout the English speaking world Naugle then provides the first study ever undertaken of the insights of major Western philosophers on the subject of worldview and offers an original examination of the role this concept has played in the natural and social sciences Finally Naugle gives the concept biblical and theological grounding exploring the unique ways that worldview has been used in the Evangelical Orthodox and Catholic traditions This clear presentation of the concept of worldview will be valuable to a wide range of readers **An Introduction to Christian Worldview** Tawa J. Anderson, W. Michael Clark, David K. Naugle, 2017-10-10 Why do worldviews matter What characterizes a Christian worldview Part of being a thoughtful Christian means being able to understand and express the Christian worldview as well as developing an awareness of the variety of worldviews Well organized clearly written and featuring aids for learning this is the essential text for either the classroom or for self study *Christian Worldview and the Academic Disciplines* Deane E. D. Downey, Stanley E. Porter, 2009-04-15 This book an edited compilation of twenty nine essays focuses on the difference s that a Christian worldview makes for the disciplines or subject areas normally taught in liberal arts colleges and universities Three initial chapters of introductory material are followed by twenty six essays each dealing with the essential elements or issues in the academic discipline involved These individual essays on each discipline are a unique element of this book These essays also treat some of the specific differences in perspective or procedure that a biblically informed Christian perspective brings to each discipline *Christian Worldview and the Academic Disciplines* is intended principally as an introductory textbook in Christian worldview courses for Christian college or university students This volume will also be of interest to Christian students in secular post secondary institutions who may be encountering challenges to their faith both implicit and explicit from peers or professors who assume that holding a strong Christian faith and pursuing a rigorous college or university education are essentially incompatible This book should also be helpful for college and university professors who embrace the Christian faith but whose post secondary academic background because of its secular orientation has left them inadequately prepared to intelligently apply the implications of their faith to their particular academic specialty Such specialists be they professors or upper level graduate students will find the extensive bibliographies of recent scholarship at the end of the individual chapters particularly helpful *Christian Contours* Douglas S. Huffman, 2012-01-12 What does it mean to think and live Christianly in a world of competing worldviews *Christian Contours* answers this question by inviting readers to consider the understanding of reality proposed by the Bible Though it

is easy to divide life into separate compartments religious and secular theological and practical faith invites us to view all of life in the light of that Biblical understanding Presenting a clear compelling case for unity in essential Christian tenets the authors of *Christian Contours* guide the reader through developing internalizing and articulating a biblical worldview This robust worldview enables the Christian to be a critically thinking participant in culture and to be a faithful disciple of Christ with both heart and mind

The Quest of the Hermeneutical Jesus Robert B. Stewart, 2008 The Quest of the Hermeneutical Jesus is a study in how reading documents referring to Jesus influences conclusions as to who Jesus was as a figure in history In this book author Robert B Stewart leads his readers through the projects of two of the most important and influential scholars in the field of historical Jesus research in order to show his readers how the philosophical presuppositions and hermeneutical methods of Crossan and Wright impact their respective historical conclusions concerning Jesus There is arguably no more important question in religious studies than what can we know about Jesus Stewart takes on the task of filling the void in this area by addressing how hermeneutics influences history In addition to highlighting the work of two great scholars Stewart also provides a useful introduction and guide through much of the maze of contemporary literary criticism Book jacket

The Worldview of the Word of Faith Movement: Eden Redeemed Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright's model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement's narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism

Worldview John P. Newport, 1998 John Newport delivers a comprehensive study of the impact of New Age beliefs on contemporary culture and on Christianity itself while also offering an effective biblical antidote to today's worldview crisis After first surveying the historical development of the New Age worldview from ancient times through important tendencies in nineteenth century America to recent Far Eastern influences Newport explores in depth eleven key areas of the New Age worldview and contrasts each area of belief with the traditional biblical worldview **Biblical Counsel**, 1993 **Living at the Crossroads** Michael W. Goheen, Craig G. Bartholomew, 2008-11-01 How can Christians live faithfully at the crossroads of the story of Scripture and postmodern culture In *Living at the Crossroads* authors Michael Goheen and Craig Bartholomew explore this question as they provide a general introduction to Christian worldview Ideal for both students and lay readers *Living at the Crossroads* lays out a brief summary of the biblical story and the most fundamental beliefs of Scripture The book tells the story of Western culture from the classical period to postmodernity The authors then provide an analysis of how Christians live in the tension that exists at the intersection of the biblical and cultural stories exploring the important implications in key areas of life such as education scholarship economics politics and church *Understanding Cults and New Age Religions* Irving Hexham, Karla Poewe, 1998-05 **Claiming the Center** Jack Bartlett Rogers, 1995-01-01 Mainline Protestant churches have been seriously impacted by the conflict in belief systems embodied in the opposing worldviews of conservatives and liberals In this book Jack Rogers contends that for mainline churches to remain relevant in today's world they must make an active effort to claim the center an authentic and balanced Christian worldview **Redemption That Liberates** Wonho Jung, 2018-02-08 This book is for both evangelicals and ecumenicals interested in a holistic approach to the Christian vision of social transformation The author compares Richard Mouw's Reformed political theology and Nam dong Suh's Minjung theology to suggest a vision of transformation that is theologically more cogent and politically more engaged In general Minjung theology understands transformation in terms of political liberation and Reformed theology in terms of spiritual redemption and theologians of the two theologies have criticized the other's approach as theologically inadequate However Suh's formulation of Minjung theology and Mouw's Reformed political theology based on the neo Calvinist worldview show significant affinities with each other in their understanding of transformation in Christ Both Suh and Mouw show a broad understanding of liberation and redemption They develop their theologies in an inclusive both and way of thinking and their holistic approach is contrasted with the exclusive either or way of thinking in the Minjung theology of Byung mu Ahn and the Reformed theology of David VanDrunen The book concludes that redemption in Christ aims at an all

encompassing transformation that includes not only spiritual renewal but also liberation from social alienation economic inequality and political oppression *Andrews University Seminary Studies* Andrews University. Seventh-Day Adventist Theological Seminary,1985 *Pursuing Excellence for the Glory of God* Keith A. Currivean,2022-01-13 What is education How and why do educators do what we do And in what way can and ought education be distinctively Christian These are a few of the probing questions for which this book seeks answers Among other contributions Currivean s book explores a biblical philosophy of Christian education with unprecedented breadth and depth To accomplish this objective it considers what education is chapter 1 what philosophy of education is chapter 2 and what the ultimate goal of education is chapter 3 Additionally this book provides a never before Christian overview of twelve philosophies of education chapters 4 15 Each of those chapters provides an introduction of a particular philosophy of education and some of that philosophy s exemplars Each of those chapters also contributes a constructive Christian critique Chapter 16 highlights a biblical philosophy of Christian education featuring some people some principles and some priorities for a biblical philosophy of Christian education viz pursuing excellence for the glory of God Luke-Acts Improv: Biblical Narratives That Get You Into the Act Jamie Greene,2010-12 Head, Heart and Hands Dennis P. Hollinger,2010-09 As Christians we are to love God with all of our being heart mind soul and strength But many of us tend to overemphasize one aspect or another and as a result our faith becomes imbalanced Some of us have an intellectual faith but lack compassion or spiritual discipline Others of us have a vibrant heartfelt relationship with God but lac **The Transforming Vision** Brian J.
