literature has had on his medical work His detailed critical essays on poets ranging from Keats to Plath allow us to engage with his own poetic principles I believe all poetry should be written out of a personal predicament and should be necessary that there is an unconscious aspect to poetry that it s not all on the surface The resounding voice like that of his poems is humorous compassionate and civilised **New Selected Poems** Dannie Abse,2010-03-30 The year 2009 marks the 60th anniversary of the publication of Dannie Abse s first poetry collection *After Every Green Thing* and since that time he has published an astonishing range of books including poetry fiction criticism and autobiography He remains a writer of great distinction who is at the height of his powers his memoir *The Presence* won the Wales Book of the Year in 2008 But it is as a poet that Dannie Abse is best known and to mark this extraordinary milestone he has compiled a new and definitive volume of selected poems which includes new work combining both passion and maturity *A Small Desperation* Dannie Abse,1968
