Germany, 1871-1945 Raffael Scheck,2008-10-01 Germany 1871 1945 presents an original lucid and thought provoking history Its aim is to inspire readers to weigh the historical evidence At the end of the Second World War the first unified German state collapsed a disintegration with European and global ramifications Ever since historians have sought to explain what went wrong in German history Many have focused on the violence which forged unification others have highlighted the clash of authoritarian anti democratic and anti Semitic traditions with rapid industrialization and modernization Germany 1871 1945 presents a pragmatic interpretation of German history from the unification to the end of the Nazi regime This more open approach acknowledges the strong trend in German society towards modernization and democratization particularly before 1914 while also highlighting the factors which propelled Germany toward World War I The rise of the Nazis also demands a close analysis of the economic and political instability of the 1920s and early 1930s Finally a detailed assessment of the Third Reich explains how the regime s early successes fostered a loyalty and acceptance that remained hard to shake until disaster was obvious and unavoidable

The ^ANapoleonic Wars Alexander Mikaberidze,2020-01-13 The first truly global history of the Napoleonic Wars the world s first world war

A Brief Political and Geographic History of Europe (Where Are Prussia, Gaul, and the Holy Roman Empire?) Frances E. Davey,2010-12-23 Prussia Gaul The Holy Roman Empire These places played a crucial role in the development of Western Europe But where were they and what happened to them The borders of countries and territories shifted over time as kings and queens prime ministers and farmers demanded political religious and economic change Greedy dictators and emperors grabbed as much land as they could Peasants and revolutionaries wanted to secure a better future for themselves and their families Open this book and explore exciting places and times through pictures maps and stories Meet Julius Caesar and Marie Antoinette root for the British or the French at the Battle of Trafalgar and take a peek behind the Iron Curtain Wander through modern day Europe crossing borders and spending euros Lose yourself in a world gone by and wonder at the complex place Western Europe is today

Bismarck and Germany D.G. Williamson,2013-09-13 Bismarck s role in the unification and consolidation of Germany is central to any understanding of Germany s development as a nation and its consequent role as aggressor in two world wars This study

provides students with a concise up to date and analytical account of Bismarck's role in modern German history Williamson guides readers through the complex events leading to the defeats of Austria and France in 1866 and 1870 and the subsequent creation of a united Germany in January 1871 He then explores the domestic and foreign problems Bismarck faced up to 1890 in consolidating unification

Historical Dictionary of Contemporary Germany Derek Lewis, Ulrike Zitzlsperger, 2016-10-18 This second edition of Historical Dictionary of Contemporary Germany provides a comprehensive overview of most aspects of life and institutions in contemporary Germany It also introduces the reader to the historical development of both East and West Germany between 1949 and 1990 and addresses the various issues arising from reunification This second edition of Historical Dictionary of Contemporary Germany contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Germany

A History of Eastern Europe 1918 to the Present Ian D. Armour, 2021-04-08 Why is Eastern Europe still different from Western Europe more than a quarter century after the collapse of Communism A History of Eastern Europe 1918 to the Present shows how the roots of this difference are based in Eastern Europe's tortured 20th century Eastern Europe emerged in 1918 as the lands between new states whose weakness vis vis Germany and Soviet Russia soon became obvious The region was the main killing field of the Second World War which visited unimaginable horrors on its inhabitants before their liberation by the Soviets in 1945 The imposition of Communist dictatorships on the region ironically only deepened Eastern Europe's backwardness Even in the post Communist period its problems continue to make it a fertile breeding ground for nationalism and political extremism A History of Eastern Europe 1918 to the Present explores the comparative backwardness of Eastern Europe and how this has driven strategies of modernisation it looks at the ways in which the region has served as a giant test tube for political experimentation and in particular at the enduring strength of nationalism which since 1989 has re-emerged more virulent than ever This book is the essential textbook for any student of 20th century Eastern Europe

The Third Reich David G. Williamson, 2018-01-29 The Third Reich is a succinct comprehensive examination of the major debates surrounding this crucial period in modern German history The character and operation of the Nazi state and of its global consequences have been discussed and disputed since 1933 David G Williamson's Seminar Studies text now in its fifth edition provides students with a lucid introduction to the Third Reich and highlights the relevant research scholarship and controversies The new edition has been expanded to give increased coverage to such topics as ethnic cleansing in Poland and Russia the role of the Wehrmacht the Holocaust attitudes of ordinary Germans to the Third Reich the German opposition Nazi foreign policy and the German economy Accompanied by a wide range of primary sources a timeline maps and a glossary The Third Reich remains the best available introduction to this short lived but enormously impactful period in world history
