Judging Maria de Macedo Bryan Givens, 2011 On February 20 1665 the Inquisition of Lisbon arrested Maria de Macedo the wife of a midlevel official of the Portuguese Treasury after she revealed during a deposition that since she was ten years old an enchanted Moor had frequently taken her to a magical castle in the legendary land of wonders known as the Hidden Isle The island paradise was also the home of Sebastian the former king of Portugal 1557-1578 who had died in battle in Morocco while on crusade in 1578 His body remained undiscovered however and many people in seventeenth century Portugal including Maria eagerly awaited his return in glory In *Judging Maria de Macedo* Bryan Givens offers a microhistorical examination of Maria's trial before the Inquisition in Lisbon in 1665-1666 providing an intriguing glimpse into Portuguese culture at the time Maria's trial record includes a unique piece of evidence a pamphlet she dictated to her husband fifteen years before her arrest In the pamphlet reproduced in its entirety in the book Maria recounts in considerable detail her journeys to the Hidden Isle and her discussions with the people there King Sebastian in particular Not all of the components of Maria's vision were messianic in nature or even Christian in origin her beliefs therefore represent a unique

synthesis of disparate cultural elements in play in seventeenth century Portugal Because the pamphlet antedates the Inquisition s involvement in Maria s case it offers a rare example of a non elite voice preserved without any mediation from an elite institution such as the Inquisition as is the case with most early modern judicial records In addition to analyzing Maria de Macedo s vision Givens also uses the trial record to gain insight into the values concerns and motives of the Inquisitors in their judgment of her unusual case He thus not only examines separately two important subcultures in early modern Portugal but also analyzes how they interacted with each other Introducing a unique feminine voice from the early modern period Judging Maria de Macedo opens a singular window onto seventeenth century Portuguese culture

The Hidden Parchment Carole Wéavé Lane,2013-02 The Hidden Parchment is a Fantasy adventure set in two time frames It is the story of how Birgit de Merlinus a pawn of the Olde Gods Goddesses becomes aware that she is The Seeker and has been allocated a Quest to pursue Try as she may she is unable to extricate herself from the task is forced to accept it after her High Priestess informs her that she has been selected and groomed for the task that began in another time frame when she was known as Princess Brighid named after the Goddess daughter of the King Peradur of Dragonia When Lord Myrddin Head Merlin of the Earthly Plains and High Steward in the realms of Chrysdragontail visits her father and forces her to return to the Earthly Plains to assist him As an Enchantress as yet unknown does as she is bid her and future changes in such a way that the outcome is yet unresolved in the year 2003 where she has been reborn as Birgit de Merlinus an orphan and an excellent student with an A average On the day we meet her she is celebrating her birthday by a walk along the River in Bournemouth UK with her two friends Cherrie and Brendan What commences as something pleasant becomes a nightmare of experiences that change her forever Several large Ravens await her and under the instructions of the Mother Goddess awaken her to her Destiny From this time forth she undergoes dreams of such a horrific nature that she struggles to maintain her sense of who she is As a trainee Witch with the help of her high Priestess the Lady Moonfeather the Third who initiates her she jumps from one adventure to another She finds that she not only can communicate with these ancient forces that she possesses the gift of the Dragon the gift of fire that if provoked can rise unaided and that she can project it through her fingertips In time as she struggles in the two worlds that she resides in her concentration lapses and she struggles to be a good student and receives very damaging marks that will deny her entrance to Oxford where her parents were Professors in the Archeology Department As such upon receiving a letter as predicted by the High Priestess that she will be embarking upon a short trip an Aunt of her deceased mother asks to visit with them As she is feeling poorly she accepts and her Professor allows her to write two further essays that if she receives two A pluses he will reinstate her excellent credibility Thus we leave Birgit as she boards a plane to Melbourne

Braudel Revisited Gabriel Piterberg,Teofilo Ruiz,Geoffrey Symcox,2015-10-06 Fernand Braudel 1912 1985 was a leading French historian and author of among other books the groundbreaking *The Mediterranean and the Mediterranean World in the Age of Philip II* 1949 One of the founders of the

Annales School in France Braudel insisted on treating the Mediterranean region as a whole irrespective of religious and national divides Braudel's new historiography rejected political history as the dominant discipline and espoused a total history or a history from below that would tell the story of the vast majority of humanity hitherto excluded from the grand narrative At the time of the book's appearance this premise was revolutionary The contributors to Braudel Revisited assess the impact of Braudel's work on today's academic world in light of subsequent methodological shifts Engaging with Braudel's texts as well as with his ideas the essays in this volume speak to the enduring legacy of his work on the ongoing exploration of early modern history Studies of the Gods in Greece at Certain Sanctuaries Recently Excavated Louis Dyer,1891

The Eternal Pathways of Prophecies Whitney Crosby,2024-12-19 *The Eternal Pathways of Prophecies* is an enthralling collection of tales that plunges readers into a world where ancient pathways hum with untold futures and the very fabric of existence is woven with destiny At its heart is Elara a Pathwalker apprentice whose unique connection to Eldoria's Whispering Ways thrusts her into a quest to safeguard the realm's fading prophecies from the encroaching Great Stillness From her daunting initiation trial in the ever shifting Labyrinth of Whispers where illusions test the purity of her heart to journeying into the celestial realms of the Sunstone Citadel and the enigmatic Whispering Isles Elara's path is fraught with both peril and profound revelation She encounters ancient guardians deciphering cryptic warnings from a Spectral Guardian and collaborates with unexpected allies like the astute cartographer Ronan Their shared pursuit of the Forgotten Whisper a hidden melody crucial to reawakening the pathways reveals a deeper understanding of magic music and the interconnectedness of all life The book delves into profound themes of fate versus free will the power of ancient knowledge and the delicate balance between preservation and progress Elara's courage is tested not just by external threats but by the weight of foretold events leading her to discover that true strength lies in a blend of intellect empathy and an unwavering belief in the power of hope *The Eternal Pathways of Prophecies* is a captivating odyssey that combines intricate world building with a deeply personal journey proving that the most powerful prophecies are those that are not merely read but lived and that the echoes of forgotten melodies can inspire a future far brighter than any foreseen **From Sense to Soul**

Hulk the return of Bucky and the death of Captain America **Twilight of the Arcane** Revin Cank,2025-10-03 In Aeloria where magic and destiny intertwine Kaelan embarks on a daring quest to unravel the secrets of his family s legacy aided by his cautious twin Lorcan and the fiercely independent warrior Elysia Together they journey through the mystical Crimsongrove seeking the enigmatic guidance of the Oracle whose riddles reveal the delicate balance of light and shadow in their world But as they traverse the treacherous Frostbound Wastes and cross the shimmering Celestial Bridge they must confront their inner demons and the looming darkness that threatens to consume everything they hold dear in the twilight of the arcane *Invoking the Akelarre* Emma Wilby,2019-08-02 With their dramatic descriptions of black masses and cannibalistic feasts the records generated by the Basque witch craze of 160914 provide us with arguably the most demonologically stereotypical accounts of the witches sabbath or akelarre to have emerged from early modern Europe While the trials have attracted scholarly attention the most substantial monograph on the subject was written nearly forty years ago and most works have focused on the ways in which interrogators shaped the pattern of prosecutions and the testimonies of defendants *Invoking the Akelarre* diverts from this norm by employing more recent historiographical paradigms to analyze the contributions of the accused Through interdisciplinary analyses of both French and Spanish Basque records it argues that suspects were not passive recipients of elite demonological stereotypes but animated these received templates with their own belief and experience from the dark exoticism of magical conjuration liturgical cursing and theatrical misrule to the sharp pragmatism of domestic medical practice and everyday religious observance In highlighting the range of raw materials available to the suspects the book helps us to understand how the fiction of the witches sabbath emerged to such prominence in contemporary mentalities whilst also restoring some agency to the defendants and nuancing the historical thesis that stereotypical content points to interrogatorial opinion and folkloric content to the voices of the accused In its local context this study provides an intimate portrait of peasant communities as they flourished in the Basque region in this period and leaves us with the irony that Europes most sensationally demonological accounts of the witches sabbath may have evolved out of a particularly ardent commitment on the part of ordinary Basques to the social and devotional structures of popular Catholicism , **The Whispering Kingdom of Prophecies** Hernan Paz,2024-08-31 Step into The Whispering Kingdom of Prophecies a spellbinding collection of tales where destiny is woven into living tapestries and the future unfolds along starlit pathways Nestled within the colossal branches of an ancient sentient tree the Whispering Kingdom is a labyrinthine city its very roots delving into the fabric of time Here Elara a gifted weaver of whispers bears the profound responsibility of deciphering the cryptic narratives that shimmer with untold destinies sensing the joy and sorrow within each potential reality Her most critical assignment thrusts her into a desperate battle against the insidious Nightshade a shadowy entity that seeks to extinguish the vibrant light of the kingdom s prophecies Through a breathtaking duel of light and shadow Elara wields not a sword but a powerful melody a song born from the fading prophecies themselves a hymn of creation and defiance sung in

the ancient language of the stars This epic saga explores themes of free will versus fate the resilience of hope against encroaching darkness and the enduring power of ancient wisdom to guide a kingdom through its most perilous trials The Whispering Kingdom of Prophecies is a testament to the idea that destiny is not merely read but lived sung and defended

The Whispering Legacy of the Moonstone Joyce Warren,2025-01-23 The Whispering Legacy of the Moonstone invites readers into an expansive and intricately woven epic fantasy where ancient magic pulses through forgotten realms and destinies are etched in moonlight At its heart lies the enigmatic Moonstone a legendary artifact that serves as a conduit to hidden dimensions a repository of cosmic prophecies and the key to unraveling the deepest secrets of existence Follow protagonists like Elara a curious cartographer and others as they embark on perilous journeys guided by the Moonstone s ethereal glow From navigating cities built of starlight and obsidian to deciphering ancient riddles and confronting sentient shadows these heroes seek to understand and harness the Moonstone s immense power Their quests lead them through sun drenched deserts and mist shrouded forests to sunken citadels and celestial kingdoms all while facing personal trials of courage empathy and wisdom This series explores profound themes of legacy the delicate balance between light and shadow and the transformative power of understanding one s true potential The Whispering Legacy of the Moonstone is a captivating saga that blends cosmic wonder with intimate human struggle promising a journey where every whisper holds a secret and every glimmer of moonlight reveals a new path to destiny

Rise of the King Books 1 -3 TJ Green,2021-03-01 King Arthur the Once and Future King is destined to return and Tom is destined to wake him When the Lady of the Lake summons Tom to the Other she tells him he has to wake King Arthur from his long sleep on Avalon She sets him on a journey that will change his life forever He encounters magic mythical creatures and wonders he never thought possible But he also finds his life in danger more times than he cares to count If he s to survive he has to find courage he never thought he had and he has to learn to fight From King Arthur and Excalibur to Nimue and Merlin Tom finds that old myths are real and so are ancient enemies But he also finds that with great risks comes great friendships This multi volume set contains Call of the King The Silver Tower and The Cursed Sword If you love magic mystery and old myths with a new twist you ll love this re imagining of the Arthurian legend Buy now to read your new fantasy series This title was previously released as Tom s Arthurian Legacy containing Tom s Inheritance Twice Born and Galatine s Curse Call of the King previously Tom s Inheritance has been fully rewritten with expanded scenes and a new ending Consequently the beginning of The Silver Tower 2 has changed to reflect this The Cursed Sword remains the same Keywords Arthurian fantasy Arthurian young adult fantasy epic fantasy swords and sorcery fantasy young adult coming of age King Arthur historical fantasy Arthurian fiction English myths legends and folklore magic young adult mystery teenager fantasy mythical creatures dragons fairytales fey fae faery fairy Otherworld portal fantasy young adult action and adventure destiny Arthurian legend

The Story of Swahili John M. Mugane,2015-07-15 Swahili was once an obscure dialect of an East African Bantu language Today more than one hundred million people use it

Swahili is to eastern and central Africa what English is to the world. From its embrace in the 1960s by the black freedom movement in the United States to its adoption in 2004 as the African Union's official language, Swahili has become a truly international language. How this came about and why, of all African languages, it happened only to Swahili is the story that John M. Mugane sets out to explore. The remarkable adaptability of Swahili has allowed Africans and others to tailor the language to their needs, extending its influence far beyond its place of origin. Its symbolic as well as its practical power has evolved from its status as a language of contact among diverse cultures, even as it embodies the history of communities in eastern and central Africa and throughout the Indian Ocean world. *The Story of Swahili* calls for a reevaluation of the widespread assumption that cultural superiority, military conquest, and economic dominance determine a language's prosperity. This sweeping history gives a vibrant living language its due, highlighting its nimbleness from its beginnings to its place today in the fast-changing world of global communication.

Unveiling the Power of Verbal Beauty: An Mental Sojourn through **Hidden Isle**

In some sort of inundated with screens and the cacophony of immediate transmission, the profound power and psychological resonance of verbal art usually disappear in to obscurity, eclipsed by the regular onslaught of sound and distractions. However, nestled within the musical pages of **Hidden Isle**, a charming work of literary beauty that pulses with organic emotions, lies an unforgettable journey waiting to be embarked upon. Penned with a virtuoso wordsmith, this mesmerizing opus courses visitors on an emotional odyssey, delicately revealing the latent possible and profound impact stuck within the complex internet of language. Within the heart-wrenching expanse with this evocative analysis, we will embark upon an introspective exploration of the book is central subjects, dissect its captivating publishing type, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
