*Honorific Individualism and
the Making of Modern Japan*

EIKO IKEGAMI

The Taming Of The Samurai

N Noddings

The Taming Of The Samurai:

The Taming of the Samurai Eiko Ikegami, 1995 This book demonstrates how Japan's so-called harmonious collective culture is paradoxically connected with a history of conflict Ikegami contends that contemporary Japanese culture is based upon two remarkably complementary ingredients honorable competition and honorable collaboration The historical roots of this situation can be found in the process of state formation along very different lines from that seen in Europe at around the same time The solution that emerged out of the turbulent beginnings of the Tokugawa state was a transformation of the samurai into a hereditary class of vassal bureaucrats a solution that would have many unexpected ramifications for subsequent centuries

The Darker Angels of Our Nature Philip Dwyer, Mark Micale, 2021-08-12 In *The Better Angels of Our Nature* Harvard psychologist Steven Pinker argued that modern history has witnessed a dramatic decline in human violence of every kind and that in the present we are experiencing the most peaceful time in human history But what do top historians think about Pinker's reading of the past Does his argument stand up to historical analysis In *The Darker Angels of our Nature* seventeen scholars of international stature evaluate Pinker's arguments and find them lacking Studying the history of violence from Japan and Russia to Native America Medieval England and the Imperial Middle East these scholars debunk the myth of non-violent modernity Asserting that the real story of human violence is richer more interesting and incomparably more complex than Pinker's sweeping simplified narrative this book tests and bests fake history with expert knowledge

On the Process of Civilisation in Japan Wai Lau, 2022-11-03 Winner of the Norbert Elias Book Prize 2023 This book charts the process of civilisation in Japan Using the theory of civilising processes developed by Norbert Elias the author examines the complex underlying structural and psychological processes from the seventh century to the twentieth century Furthermore by drawing on rich historical data the author illustrates how these complex processes led the Japanese to see themselves as more civilised than their forebears and neighbouring countries Although the theory serves as an important reference point the author draws on other works to address different complex questions surrounding Japanese development Therefore this book presents three key themes first it gives an alternative understanding of the complex developments of Japanese society second it intercedes into an ongoing debate about the applicability of Elias's theory in a non-Western context and third it expands Elias's theory

The Historical Sociology of Japanese Martial Arts Raul Sanchez Garcia, 2018-10-03 Winner of the Norbert Elias Book Prize 2020 This is the first long-term analysis of the development of Japanese martial arts connecting ancient martial traditions with the martial arts practised today *The Historical Sociology of Japanese Martial Arts* captures the complexity of the emergence and development of martial traditions within the broader Japanese Civilising Process The book traces the structured process in which warriors' practices became systematised and expanded to the Japanese population and the world Using the theoretical framework of Norbert Elias's process sociology and drawing on rich empirical data the book also compares the development of combat practices in Japan England France and

Germany making a new contribution to our understanding of the socio cultural dynamics of state formation Throughout this analysis light is shed onto a gender blind spot taking into account the neglected role of women in martial arts The Historical Sociology of Japanese Martial Arts is important reading for students of Socio Cultural Perspectives in Sport Sociology of Physical Activity Historical Development of Sport in Society Asian Studies Sociology and Philosophy of Sport and Sports History and Culture It is also a fascinating resource for scholars researchers and practitioners interested in the historical and socio cultural aspects of combat sport and martial arts Public Law, Private Practice Darryl E. Flaherty, 2020-03-17 Long ignored by historians and repudiated in their time practitioners of private law opened the way toward Japan's legal modernity From the seventeenth to the turn of the twentieth century lawyers and their predecessors changed society in ways that first samurai and then the state could not During the Edo period 1600-1868 they worked from the shadows to bend the shogun's law to suit the market needs of merchants and the justice concerns of peasants Over the course of the nineteenth century legal practitioners changed law from a tool for rule into a new epistemology and laid the foundation for parliamentary politics during the Meiji era 1868-1912 This social and political history argues that legal modernity sprouted from indigenous roots and helped delineate a budding nation's public and private spheres Tracing the transition of law regimes from Edo to Meiji Darryl E. Flaherty shows how the legal profession emerged as a force for change in modern Japan and highlights its lasting contributions in founding private universities political parties and a national association of lawyers that contributed to legal reform during the twentieth century **The Postmodern Challenge: Perspectives East and West**, 2023-12-04 This volume is designed to bridge a gap in the current theoretical debate about the nature scope and relevance of postmodern perspectives in the humanist and social sciences in Eastern and Western Europe While the debate has been reasonably comprehensive and certainly abrasive in Western European and Anglophone countries it has signally failed to incorporate the viewpoints of Eastern European scholars and intellectuals Even the current appropriation of Mikhail Bakhtin as a prophet of the postmodern is paradoxically a monologic engagement with his thought rather than a dialogic encounter of cultures Doubtless different historical experiences ideology and social aspirations go some way to account for the weariness of Eastern Europe with postmodern challenge and its glad embrace by Western scholars The volume comprises some fifteen essays by leading historians literary theorists and social scientists from Western and Eastern Europe and America It has a threefold aim firstly to illuminate the distinctiveness of current Western and Eastern European theorizing about history and society secondly to reveal points of tension and disagreement and finally to open up a space for a meeting of seemingly incompatible worlds **Modern Ninjutsu: a Definitive Guide to the Tactics, Concepts, and Spirit of the Unconventional Combat Arts** J. Alaric Justice, 2016-07-12 Modern Ninjutsu A Definitive Guide to the Tactics Concepts Spirit of Unconventional Combat Arts is a path guide to realistic training and mind set development for combat situations wherever they may occur J. Alaric Justice is a military combat veteran and former anti terrorist as well as a former law

enforcement defensive tactics instructor and crisis negotiator Perhaps most important to this work he has survived many violent street encounters fights and attempted crimes in gang infested areas Speaking as someone who has been exposed to violence and opponent force in myriad forms he offers a unique view to practitioners of any system of how to handle crisis situations and maintain realism in their training for generations to come

Idealism, Protest, and the Tale of Genji James McMullen, 1999 This book is a new study of the leading seventeenth century samurai Confucian Kumazawa Banzan 1619-91 It describes his stormy life as a samurai his interpretation of Confucian philosophy and his imaginative commentary on Japan's greatest literary monument The Tale of Genji More than warrior and philosopher Banzan is presented as a critic of the Japanese society of his day

Public Spheres, Private Lives in Modern Japan, 1600-1950 Gail Bernstein, Andrew Gordon, Kate Wildman Nakai, 2020-03-17 The eleven chapters in this volume explore the process of carving out in discourse and in practice the boundaries delineating the state the civil sphere and the family in Japan from 1600 to 1950 One of the central themes in the volume is the demarcation of relations between the central political authorities and local communities The early modern period in Japan is marked by a growing sense of a unified national society with a long common history that existed in a coherent space The growth of this national community inevitably raised questions about relationships between the imperial government and local groups and interests at the prefectural and village levels Moves to demarcate divisions between central and local rule in the course of constructing a modern nation contributed to a public discourse that drew on longstanding assumptions about political legitimacy authority and responsibility as well as on Western political ideas

The Postwar Developments of Japanese Studies in the United States Helen Hardacre, 1998 This volume of twelve essays with useful bibliographies in the fields of history art religion literature anthropology political science and law documents the history of United States scholarship on Japan since 1945

The Postwar Development of Japanese Studies in the United States Helen Hardacre, 2023-07-17 The present volume documents the postwar history of United States scholarship on Japan A careful selection of North American scholars under the general editorship of Helen Hardacre Reischauer Institute Professor of Japanese Religions and Society at Harvard University shows that a range of factors have directed Japanese studies in the United States since 1945 Among these factors are social and political change in Japan and the United States shifts in dominant scholarly concerns about Japan and changing evaluations of area studies The work consists of twelve essays in a wide variety of fields history art religion literature anthropology political science and law Each essay chronicles postwar scholarship in its particular discipline and provides a useful bibliography to serve further reference The general aim of the volume is to put current debates in historical perspective and to help assess the field's achievements It identifies areas requiring more work and charts directions for the future

Premodern Japan Mikiso Hane, Louis G. Perez, 2018-04-17 Japanese historian Louis Perez brings Mikiso Hane's rich and beloved account of early Japanese history up to date in this thoroughly revised Second Edition of Premodern Japan The text traces the key developments of Japanese history in the

premodern period including the establishment of the imperial dynasty early influences from China and Korea the rise of the samurai class and the establishment of feudalism the culture and society of the long Tokugawa period the rise of Confucianism and Shinto nationalism and finally the end of Tokugawa rule While the text provides many political developments through the early modern period it also integrates the social cultural and intellectual aspects of Japanese history as well Perez s updates to the text provide a comprehensive overview of the major social political and religious trends in premodern Japan as well as offering the most current scholarship Routledge Handbook of Premodern Japanese History Karl F. Friday,2017-07-14 Scholarship on premodern Japan has grown spectacularly over the past four decades in both sophistication and volume The new scholarship sees a higher reliance on primary documents a shift away from the history of elites to broader exploration of social structures and a reexamination of many of the key tenets which were once the received wisdom Providing a primarily historiographical review this handbook highlights the recent innovations and major themes that have developed in the study of premodern Japanese history Covering Japanese history to 1600 The Routledge Handbook of Japanese History is an essential reference work for any student and researcher on Japanese Asian and World History

Values, Identity, and Equality in Eighteenth- and Nineteenth-Century Japan ,2015-09-17 The chapters in this volume variously challenge a number of long standing assumptions regarding eighteenth and nineteenth century Japanese society and especially that society s values structure and hierarchy the practical limits of state authority and the emergence of individual and collective identity By interrogating the concept of equality on both sides of the 1868 divide the volume extends this discussion beyond the late Tokugawa period into the early Meiji and even into the present An Epilogue examines some of the historiographical issues that form a background to this enquiry Taken together the chapters offer answers and perspectives that are highly original and should prove stimulating to all those interested in early modern Japanese cultural intellectual and social history Contributors include Daniel Botsman W Puck Brecher Gideon Fujiwara Eiko Ikegami Jun ichi Isomae James E Ketelaar Yasunori Kojima Peter Nosco Naoki Sakai Gregory Smits M William Steele and Anne Walthall

Wrong About Japan Peter Carey,2012-07-10 Previous winner of two Booker Prizes Peter Carey expands his extraordinary achievement with each new novel but now gives us something entirely different When famously shy Charley Carey becomes obsessed with Japanese manga and anime Peter is not only delighted for his son but entranced himself Thus with a father sharing his twelve year old s exotic comic books begins a journey that will lead them both to Tokyo where a strange Japanese boy will become both their guide and judge The visitors quickly plunge deep into the lanes of Shitamachi into the weird stuff of modern Japan meeting manga artists and anime directors visualists who painstakingly impersonate cartoons and solitary otakus who lead a computerized existence What emerges from these encounters is a pithy far ranging study of history and culture both high and low from samurai to salaryman from kabuki theatre to the post war robot craze Peter Carey s observations are provocative even though his hosts often point out politely that he is wrong about Japan In

adventures that are comic surprising and ultimately moving father and son cope with and learn from each other in a place far from home No Real Japan said Charley You ve got to promise No temples No museums What could we do We could buy cool manga There ll be no English translations I don t care I d eat raw fish excerpt from *Wrong About Japan* *Kendo* Alexander C. Bennett,2015-07-31 Kendo is the first in depth historical cultural and political account in English of the Japanese martial art of swordsmanship from its beginnings in military training and arcane medieval schools to its widespread practice as a global sport today Alexander Bennett shows how kendo evolved through a recurring process of inventing tradition which served the changing ideologies and needs of Japanese warriors and governments over the course of history Kendo follows the development of Japanese swordsmanship from the aristocratic aesthetic pretensions of medieval warriors in the Muromachi period to the samurai elitism of the Edo regime and then to the nostalgic patriotism of the Meiji state Kendo was later influenced in the 1930s and 1940s by ultranationalist militarists and ultimately by the postwar government which sought a gentler form of nationalism to rekindle appreciation of traditional culture among Japan s youth and to garner international prestige as an instrument of soft power Today kendo is becoming increasingly popular internationally But even as new organizations and clubs form around the world cultural exclusiveness continues to play a role in kendo s ongoing evolution as the sport remains closely linked to Japan s sense of collective identity *Philosophers of War* Daniel Coetsee, Lee W. Eysturliid,2013-10-21 This user friendly reference systematically covers the entire intellectual history of strategy and war in all cultures and all times Each culture has had its Machiavelli its Sun Tzu its own Mohammed like or Napoleonic figure This encyclopedia ranges across the world to provide entries on every significant military and strategic thinker in human history as well as a number of military cultures covering Chinese Western Indian Islamic and other cultures Each entry supplies a brief biography a synopsis of the writer s theories their success or failure and their impact on other thinkers and military practitioners The unique coverage allows readers to cross cultural barriers and gain access to sources in languages as diverse as Arabic and German and to note key similarities and contrasts The relative importance and contribution of each individual to intellectual progress is noted as is the greater significance of specific schools of thought and debates **The Power of the Dispersed** Cornel Zwierlein,2021-12-20 Early modern travelers often did not form part of classic diaspora communities they frequently never really settled perhaps remaining abroad for some time in one place then traveling further not blown by the wind but by changing and complex conditions that often turned out to make them unwelcome anywhere The dispersed developed strategies of survival by keeping their distance from old and new temporary homes as well as by using information from and manipulating foreign representations of their former countries This volume assembles case studies from the Mediterranean context the Americas and Japan They explore what kind of power s and agency dispersed people had counterintuitively through the connections they maintained with their former homes and through those they established abroad Contributors Eduardo Angione Iordan Avramov Marloes Cornelissen David Do Pa o Jos Luis Eg o Maria Tsampika

Lampitsi Paula Manstetten Simon Mills David Nelson Adolfo Polo y La Borda Ana M Rodr guez Rodr guez Cesare Santus Stefano Saracino and Cornel Zwierlein **Before Colonization** Charles R. Butcher, Ryan D. Griffiths, 2025-07-08 Prior to European colonization the world was thickly populated with hundreds of independent states and vibrant regional state systems Yet these states are typically excluded from traditional international relations scholarship which has mostly focused on the European experience This book provides a groundbreaking comparative analysis of non Western states and state systems in the nineteenth century Using an original data set on independent states during this period Charles R Butcher and Ryan D Griffiths answer fundamental questions such as how many states there were when they arose and when they died documenting the large number of states that were extinguished as a consequence of European colonialism They explore the structure of nineteenth century state systems in East Asia South Asia maritime Southeast Asia and West Africa examining the effects of war trade and interaction capacity Through these case studies Butcher and Griffiths provide novel perspectives on longstanding debates over state centralization and the choice between indirect and direct forms of rule Shedding new light on the dynamics of non Western interstate relations during the nineteenth century Before Colonization reveals striking similarities between state systems across diverse historical settings *Literaturbericht über: Ikegami, Eiko: "The Taming of the Samurai. Honourific Individualism and the Making of Modern Japan."* Cambridge: Havard University Press, 1995 ,2006-07-10 Rezension Literaturbericht aus dem Jahr 2004 im Fachbereich S dasienkunde S dostasienkunde Note keine Universit t Leipzig Ostasiatisches Institut Veranstaltung Grundkurs Geschichte der Gesellschaft und Kultur Japans Sprache Deutsch Abstract Der Literaturbericht besch ftigt sich mit Eiko Ikegamis Standardwerk The Taming of the Samurai Honourific Individualism and the Making of Modern Japan in dem die Professorin f r Soziologie an der renomierten Yale Universit t die Entstehung und Entwicklung der Samurai aus einem soziologischen Kontext heraus erz hlt Der Literaturbericht geht ausf hrlich auf ihre Darstellungen ein und gibt die komplexe Thematik der Entstehung dieser besonderen Kultur deren gemeinschaftlichen Richtlinien auf einem strengen Kodex zur Regelung von Schuld und Dienst dem sogenannten Ehrenkodex der Samurai beruht anschaulich wieder

The Taming Of The Samurai Introduction

The Taming Of The Samurai Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Taming Of The Samurai Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Taming Of The Samurai : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Taming Of The Samurai : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Taming Of The Samurai Offers a diverse range of free eBooks across various genres. The Taming Of The Samurai Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Taming Of The Samurai Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Taming Of The Samurai, especially related to The Taming Of The Samurai, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Taming Of The Samurai, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Taming Of The Samurai books or magazines might include. Look for these in online stores or libraries. Remember that while The Taming Of The Samurai, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Taming Of The Samurai eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Taming Of The Samurai full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Taming Of The Samurai eBooks, including some popular titles.

FAQs About The Taming Of The Samurai Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including

classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Taming Of The Samurai is one of the best book in our library for free trial. We provide copy of The Taming Of The Samurai in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Taming Of The Samurai. Where to download The Taming Of The Samurai online for free? Are you looking for The Taming Of The Samurai PDF? This is definitely going to save you time and cash in something you should think about.
