Berlin Bertie:

Six Contemporary Dramatists Duncan Wu,1996-12-18 A most illuminating study John Bayley *Six Contemporary Dramatists* explores in a straightforward manner the central concerns of six of the most important contemporary dramatists It demonstrates how the work of Alan Bennett Dennis Potter Simon Gray Howard Brenton David Hare and Alan Ayckbourn is essentially moral and relates their aspirations to the British romantic tradition of the last century At the same time Duncan Wu explores how each writer has responded to the changes that took place in personal and public ethics during the 1980s as a result of Thatcherism He also includes an interview with Alan Ayckbourn published here for the first time in which the volume s themes are focused and summarised For the paperback edition a substantial preface discussing Tom Stoppard s *Arcadia* David Hare s *Skylight* and David Edgar s *Pentecost* has been added This is an essential and readable guide to televised and theatrical drama for students and theatregoers alike

Victoria, Queen of the Screen Leigh Ehlers Telotte,2020-06-26 Both in life and death Queen Victoria is among the most popular monarchs to be committed to film Her reign was characterized by an explosion in media coverage that began to rely on images rather than words to tell her story Even though Victoria has been labeled the first media monarch the sheer magnitude of her screen presence has been neither chronicled nor fully appreciated until now This book examines the growth and evolution of Queen Victoria s on screen image From the satirical cartoons and silent films of the 19th century to the television shows video games and webcomics of the 21st it demonstrates how the protean Victoria character has evolved ultimately meaning many different things to many different people in many different ways Each chapter looks at a facet of her character and includes analysis of how these media present Queen Victoria as a real person and shape her as a character acting within a narrative The book includes a comprehensive and international filmography
