mystery and spirituality of life The core of this otherworldly rhapsodic work is a plot about racial injustice and prejudice with a lesson in how traditional intolerance may render whole sections of a society untouchable A Study Guide for Bessie Head's "The Lovers" Gale, Cengage Learning, A Study Guide for Bessie Head's The Lovers excerpted from Gale's acclaimed Short Stories for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Short Stories for Students for all of your research needs **A Woman Alone** Bessie Head,1990 A collection of autobiographical writings sketches and essays that covers the entire span of Bessie Head's creative life *Postcolonial African Writers* Siga Fatima Jagne,Pushpa Naidu Parekh,2012-11-12 This reference book surveys the richness of postcolonial African literature The volume begins with an introductory essay on postcolonial criticism and African writing then presents alphabetically arranged profiles of some 60 writers including Chinua Achebe Nadine Gordimer Bessie Head Doris Lessing Tsitsi Dangarembga Tahbar Ben Jelloun among others Each entry includes a brief biography a discussion of major works and themes that appear in the author's writings an overview of the critical response to the author's work and a bibliography of primary and secondary sources These profiles are written by expert contributors and reflect many different perspectives The volume concludes with a selected general bibliography of the most important critical works on postcolonial African literature

Bessie Head Joyce Johnson,2008-04 This book shows how Bessie Head used her engagement with sociopolitical issues to convey her ideas about the art of fiction and the operations of the creative imagination It relates Head's literary practice to goals that she set for herself as a beginning writer and in view of the importance that she attached to reading as a stimulant of the imagination pays special attention to the influence of her reading on her writing Head's reading helped her both to define her role as a creative writer and to develop complex structures of meaning in her fiction The book identifies correspondences between Head's works and those of predecessors in Western scribal tradition and shows how she relates other traditions to her local oral tradition It thus examines Head's methods of combining thematic and imagistic elements her delineation of character her texturing of language and other aspects of her literary practice *African Oral Literature* Russell Kaschula,2001 Throughout Africa oral literature is flourishing though it is perceived by some as anachronistic to the modern world This work refutes this idea in its entirety by presenting 22 chapters which firmly place the study of oral literature within contemporary African existence The study analyzes how oral literature relates to media music technology text gender religion power politics and globalization **New Dictionary of South African Biography** E. J. Verwey,1995 This series of publications aims to fill the gaps in our history highlighting in particular the significant roles played by black leaders from all walks of life Tales of Tenderness and Power Bessie Head,1989 **Migrating Words and Worlds** E. Anthony Hurley,Renée Brenda Larrier,Joseph McLaren,1999 The essays presented here demonstrating concepts of Pan Africanism which historically were concerned with colonialism racial identity and African unity extend the discussion of an

Africa that exists beyond the continent and includes the Caribbean the Americas and Europe *African Women Narrating Identity* Rose A. Sackeyfio, 2023-08-08 This book examines the complexities of women's lives in Africa and the transnational spaces of Europe and North America through the literary works of key African women writers Using a postcolonial analytical framework the book highlights the commonalities of African women's identities and experiences across national ethnic linguistic and religious boundaries in Africa and in western settings It collates the multi regional narratives of key African women writers who convey how women's lives are shaped by social economic and political factors at home and abroad It also illustrates the intersection of ethnicity class and gender that flows through all the texts examined Unlike existing works that explore African women's fiction this book uncovers the transformation from postcolonial themes of nationhood to global modalities of post independence writing through the lens of gender The book engages with feminist expression through broad themes including religion war and ethnic conflict women's status in society tradition and modernity and local and global tensions A unique approach to literary criticism of Anglophone African women's writing this book will be of interest to scholars and students in the field of African Literature African Studies Women's Literature Postcolonial Literature Cultural and Ethnic Studies and Migration and Diaspora Studies *African Pasts, Presents, and Futures* Touria Khannous, 2013-10-17 African Pasts Presents and Futures Generational Shifts in African Women's Literature Film and Internet Discourse by Touria Khannous provides a history of African women's cultural production as well as an alternative approach to the arguments that have traditionally dominated post colonial studies in general and African and gender studies in particular It examines some of the more overarching questions that are prevalent in the works of African women authors who position themselves within the contexts of Islam feminism nationalism modernity and global and postcolonial politics thus engaging in the construction of socio political platforms for reform in their home countries The book explores different aspects of women's agency at the political cultural social religious and aesthetic level and highlights their civil society activism and push for legal reform It also traces their opinions on a range of social and political questions and underscores fundamental shifts in their positions and concerns through the different generations Third World Women's Literatures Barbara Fister, 1995-09-14 This reference volume serves as a companion to Third World women's literatures in English and in English translation by presenting entries on works writers and themes Entries are chosen to present a balance of well known writers and emerging ones contemporary as well as historical writers and representative selections of genres literary styles and themes What plays have been written by women in the developing world What books have been written by Sri Lankan or Brazilian women Which works address themes of feminism or exile or politics in the Third World These are the types of questions that can now be answered through Fister's companion to Third World women's literatures in English and English translation Organized alphabetically this reference volume presents entries on works writers and themes Entries are chosen to present a balance of well known writers and emerging ones contemporary as well as historical writers and representative

selections of genres literary styles and themes By providing information about and leads to works by and about Third World women an important and largely marginalized literature Fister has created a unique reference tool that will help teachers scholars and librarians both public and academic expand their definitions of the literary making the voices of Third World women available in the same format in which many companions to Western literature do An important book for all public and college level libraries Multiple Contexts And Insights S. & Anu Shukla,2003
