Sociological Theory George Ritzer, Jeffrey Stepnisky, 2017-01-05 Now with SAGE Publishing and co authored by one of the foremost authorities on sociological theory the Tenth Edition of *Sociological Theory* by George Ritzer and Jeffrey Stepnisky gives readers a comprehensive overview of the major theorists and schools of sociological thought from sociology's origins through the early 21st century Key theories are integrated with biographical sketches of theorists and are placed in their historical and intellectual context This text helps students better understand the original works of classical and modern theorists and enables them to compare and contrast the latest substantive concepts New to this Edition Chapter 1 now includes a discussion of colonialism as one of the forces that shaped modern society The Historical Sketch chapters contain new material on the historical significance of early women founders and on the contributions of W E B Du Bois Chapters on Marx Durkheim Weber and Simmel now conclude with sections on contemporary applications of ideas from these 19th century thinkers A new chapter focuses theories of race racism and colonialism as well as theories about indigenous peoples and theories from the Global South that challenge the work of scholars from Europe and North America The concluding chapter has a new section on theories of prosumption one of the newest developments in consumer theory New material on colonization women classical theorists and race theory as well as new timelines added to history chapters

Classical Sociological Theory George Ritzer, Jeffrey Stepnisky, 2016-12-27 Now with SAGE Publishing and co authored by one of the foremost authorities on sociological theory George Ritzer and Jeffrey Stepnisky's *Classical Sociological Theory* Seventh Edition provides a comprehensive overview of the major theorists and schools of sociological thought from the Enlightenment roots of theory through the early 20th century The integration of key theories with biographical sketches of theorists and the requisite historical and intellectual context helps students to better understand the original works of classical authors as well as to compare and contrast classical theories New to this Edition In Ch 1 Colonialism is now discussed as a major social force in development of modern society In Ch 2 there is an expanded discussion of the historical significance of Early Women Founders and the contributions of W E B Du Bois The chapter on Du Bois Ch 9 includes new material about his intellectual influences New contemporary commentary

about Durkheim has been added to Ch 7 Ch 9 includes new material from recently translated later writings of George Simmel providing new context for his overall theory Addition of Historical Context boxes throughout text Sections on contemporary applications of classical theory have been added to each chapter *Sociological Theory* George Ritzer,2000 This text provides an overview of the major classical theorists contemporary schools of sociological thought and spans the history of sociological theory from its inception to the present This edition has been updated and revised to include a number of sections on new developments in the field such as theories of consumption and the new means of consumption multiculturalism and criticisms and applications of postmodernism and post post modernism Contemporary Sociological Theory and Its Classical Roots George Ritzer,Jeffrey Stepnisky,2017-12-22 The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop Now with SAGE Publishing Contemporary Sociological Theory and Its Classical Roots The Basics is a brief survey of sociology s major theorists and theoretical approaches from the Classical founders to the present With updated scholarship in the new Fifth Edition authors George Ritzer and Jeffrey Stepnisky connect many theorists and schools of thought together under broad headings that offer students a synthesized view of sociological theory This text is perfect for those who want an accessible overview of the entire tradition of sociological thinking with an emphasis on the contemporary relevance of theory **Modern Sociological Theory** George Ritzer,Jeffrey Stepnisky,2021-02-03 The authors are proud sponsors of the SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop Modern Sociological Theory gives readers a comprehensive overview of the major theorists and schools of sociological thought from sociology s 19th century origins through the mid 20th century Written by an author team that includes one of the leading contemporary thinkers the text integrates key theories with with biographical sketches of theorists placing them in historical and intellectual context

Ebook: Sociological Theory George Ritzer,Jeff Stepnisky,2014-10-16 The ninth edition of Sociological Theory by George Ritzer gives readers a comprehensive overview of the major theorists and schools of sociological thought Key theories are integrated with biographical sketches of theorists and are placed in their historical and intellectual context Written by one of the foremost authorities on sociological theory this text helps students better understand the original works of classical and modern theorists and enables them to compare and contrast the latest substantive concepts **Classical Sociological Theory** George Ritzer,Douglas J. Goodman,2004 Written by one of the foremost authorities in the world on sociological theory and a junior colleague and former student who specializes and has already published widely in theory this market leading text gives readers a comprehensive overview of the major classical theorists and contemporary schools of sociological thought Key theories are integrated with biographical sketches of the lives of theorists to place readings in their personal and historical context for students This book provides students with the context to understand the original works of

classical authors as well as the framework to compare and contrast the newest substantive theories that they have learned in other sociology courses

Classical Sociological Theory George Ritzer, Jeffrey Stepnisky, 2020-03-27 The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop Classical Sociological Theory Eighth Edition provides a comprehensive overview of the major theorists and schools of sociological thought from the Enlightenment roots of theory through the early 20th century The integration of key theories with biographical sketches of theorists and the requisite historical and intellectual context helps students to better understand the original works of classical authors as well as to compare and contrast classical theories

Sociological Theory George Ritzer, Jeff Stepnisky, Ph.D., 2013-03-01 The ninth edition of Sociological Theory by George Ritzer gives readers a comprehensive overview of the major theorists and schools of sociological thought Key theories are integrated with biographical sketches of theorists and are placed in their historical and intellectual context Written by one of the foremost authorities on sociological theory this text helps students better understand the original works of classical and modern theorists and enables them to compare and contrast the latest substantive concepts

Explorations in Social Theory George Ritzer, 2001-04-10 George Ritzer is one of the leading social and cultural commentators of the present day In this essential new book he considers some of the main tendencies in contemporary social theory Included here are Ritzer's latest reflections on the uses and misuses of metatheory According to Ritzer sociology is a multiparadigm science The differences and intensities of rivalries between paradigms are often very confusing for students and even for professional sociologists This book seeks to find a way out of the confusion by sketching out the lineaments of a new integrated sociological paradigm and demonstrates how this paradigm can be applied It shows the various ways in which Ritzer has developed rationalization theory to shed light on professional integration the shape of consumer culture hyperrationality and the state of sociology today

Looseleaf for Sociological Theory George Ritzer, 2010-12-30

Handbook of Social Theory George Ritzer, Barry Smart, 2003-07-26 The Handbook of Social Theory presents an authoritative and panoramic critical survey of the development achievement and prospects of social theory

Modern Sociological Theory George Ritzer, 2007-06-27 Gives you a comprehensive overview of the major contemporary schools of sociological thought This work integrates key theories with biographical sketches of theorists and theories are placed in their historical and intellectual context It helps students to better understand the original works and appreciate the diversity of contemporary theory

Handbook of Sociological Theory Jonathan H. Turner, 2006-05-17 Sociology is experiencing what can only be described as hyperdifferentiation of theories there are now many approaches competing for attention in the intellectual arena From this perspective we should see a weeding out of theories to a small number but this is not likely to occur because each of the many theoretical perspectives has a resource base of adherents As a result theories in sociology do not compete head on with each other as much as they coexist This seminal reference work was brought together

with an eye to capturing the diversity of theoretical activity in sociology specifically the forefront of theory Contributors describe what they themselves are doing right now rather than what others have done in the past The goal of this volume is to allow prominent theorists working in a variety of traditions who wouldn't usually come together to review their work The chapters in this volume represent a mix of theoretical orientations and strategies but these theories are diverse and represent the prominent theoretical discussions in sociology today Some areas included are Section I Theoretical Methodologies and Strategies Section II The Cultural Turn in Sociological Theorizing Section III Theorizing Interaction Processes Section IV Theorizing from the Systemic and Macrolevel Section V New Directions in Evolutionary Theorizing Section VI Theorizing on Power Conflict and Change Section VII Theorizing from Assumptions of Rationality This handbook will be of interest to those wanting a broad spectrum and overview of late 20th early 21st century sociological theory

Encyclopedia of Social Theory George Ritzer, 2005 Click Additional Materials for downloadable samples The Encyclopedia of Social Theory is an indispensable reference source for anyone interested in the roots of contemporary social theory It examines the global landscape of all the key theories and the theorists behind them presenting them in the context needed to understand their strengths and weaknesses Theories covered include Critical Theory Enlightenment Ethnomethodology Exchange Theory Feminism Marxist Theory Multiculturalism Phenomenology Postmodernism Rational Choice Structural Fundamentalism Led by internationally renowned scholar George Ritzer the Encyclopedia of Social Theory draws together a team of more than 200 international scholars covering the developments achievements and prospects of social theory from its inception in the 18th century to the present Understanding that social theory can both explain and alter the social world this two volume set serves as not only a foundation for learning but also an inspiration for creative and reflexive engagement with the rich range of ideas it contains Key Themes American Social Theory British Social Theory Comparative and Historical Theory Cultural Theory Economic Sociology Feminist Theory French Social Theory German Social Theory Macrosociological Theories Marxist and Neo Marxist Approaches Method and Metatheory Network and Exchange Theories Other Multiple National Traditions Politics and Government Postmodern Theory Psychoanalytic Theory Schools and Theoretical Approaches Symbolic Interaction and Microsociology Theorists Topics and Concepts in Social Theory Key Features More than 300 entries from fourteen countries Master Bibliography Reader's Guide Extensive biographical coverage of major theorists Extensive cross referencing

Contemporary Sociological Theory George Ritzer, 1992 **Introduction to Sociology** George Ritzer, J. Michael Ryan, 2023-08-10 This edition of Introduction to Sociology brings on a new co author The relationship between George Ritzer and J Michael Ryan goes back more than two decades In this letter the two authors talk more about their relationship how they came to work together on this text and hopefully to inspire students to see how sociology and sociologists work behind the scenes George Michael was first a student in one of my classes at the University of Maryland He went on to take every class I offered and even co taught a class with me He also became a research assistant serving as

managing editor of a scholarly journal I edited the Journal of Consumer Culture Michael also contributed several updates to another book of mine The McDonaldization of Society and will be co author on future editions Most recently he has been my co editor also with Chris Rojek on The Wiley Blackwell Encyclopedia of Sociology 2nd edition the largest major reference work in the field today In between all of that we have published several academic articles together had a few quarrels and more than a few laughs Michael has emerged as a leading global scholar in his own right providing fresh perspectives on many of the classical issues I write about Significantly he has held academic positions across five continents In a world where understanding the importance of globalization has perhaps never been so important this standpoint has served to significantly enhance this edition Michael It goes without saying that George is one of the leading sociologists in the world today His contributions to the discipline have spanned nearly five decades and have had a significant influence within the discipline of sociology as well as beyond it One of the many strengths of this new edition is that it represents a more rounded vision of sociology Despite being frequent collaborators we often have very different perspectives and while frequently overlapping our individual areas of expertise are often quite different George for example is an expert in theory consumption and globalization while my scholarly work focuses more on genders and sexualities the COVID 19 pandemic and health issues and social inequalities As we think you will find in this textbook these differences are in fact interdependent and complementary Both Sociology is more than just a major it can also become a way of life That is certainly the case for us Sociology is about facts And about opinions And about trends And about each of us our families and friends social networks and the worlds in which we live In sum sociology is about how all of these things blend together and allow us to develop a social scientific understanding of our contemporary world and our own individual places within it This textbook is not intended to persuade but rather to inform Like the societies we live in it is made stronger by complementary knowledges We present it to readers as a living testament to the idea that society can be rooted in differences a growing reality especially in recent years yet still grow through mutual understandings based in science reason and the many tools that the exciting field of sociology can provide We do believe that though imperfect our text represents the most comprehensive academic base for gaining an introduction into the exciting field of sociology in the world today We hope that you will feel the same Welcome to sociology

Frontiers of Social Theory George Ritzer,1990 This book presents essays reflecting the current state and near term prospects of sociological theory

Sociological Theory Alessandro Orsini,2024-05-14 This textbook analyses the work of classical and contemporary sociological theorists The first part is dedicated to Comte Spencer Marx Durkheim Weber Pareto and Simmel The second part covers the major contemporary sociological perspectives Functionalism Marxism Conflict Theory Symbolic Interactionism Phenomenological Sociology and Rational Choice Theory The third part is devoted to Postmodern Theory Feminist Theory Postcolonial Theory and Race Theory The author combines academic rigour with clear and accessible language offering students an in depth and extensive overview of the main recurring problems that have

troubled sociological theory from its origins to the present day The textbook uses contemporary examples analysing how sociological theory can explain the most tragic phenomena of our time including the war in Ukraine the Israeli Palestinian conflict US China competition over Taiwan nuclear proliferation radicalization neofascism white suprematism jihadism and terrorism With pedagogic features aiding learning this book helps navigate the various approaches methods and research that divide sociologists into distinct schools This textbook is therefore an invaluable tool to any sociology student looking to gain a comprehensive understanding of the foundational thinkers that have shaped the discipline
