United States of America** ,1988 **North Eastern Reporter** ,1977 **United States of America V. Ambrose** ,1983 **Williams' Cincinnati Business Directory** ,1909 *Press Summary - Illinois Information Service* Illinois Information Service, 1996 **The Federal Reporter** ,1989 *Chicago Tribune* ,1981 *The Lakeside Annual Directory of the City of Chicago* ,1917 **Encyclopedia of World Crime: K-R** Jay Robert Nash, 1989 **Chicago Police** Thomas Joseph Jurkanin, Terry G. Hillard, 2006 The book also delves into how the Chicago Police Department battles gangs guns drugs and murder how Hillard exhibited leadership in good times and in bad times how Hillard dealt with politicians the community cops on the street and the media how the department handled difficult crimes and their investigations and how Hillard led what he learned in the process and what he accomplished The book also discusses contemporary police issues including police corruption and brutality use of force by police police pursuits police shootings and deaths community policing police accountability and the use of emerging technologies in the fight against crime BOOK JACKET **History of the Chicago Police** John J. Flinn, John E. Wilkie, 1971 History of the Chicago Police John Joseph Flinn, John Elbert Wilkie, 1887 Yearbook Engineers' Club of St. Louis, 1944 *The Code* Daniel V. Schrager, 2001-05-01 The Code is the story of a Chicago cop Jake Harmon who stumbles across an unidentified man carrying 250 000 While struggling to adhere to the Cop Code of Behavior he attempts to uncover the source of the money Aided by his girlfriend and fellow officer Aranda Gonzalez he makes a shocking discovery that pushes him to the limits of the Code Written by a real cop this book delves into the everyday workings of a police department and explores how real police think and act hemmed in by the code of behavior when the rest of you aren't around **The Chicago Police Department** Charles River Editors, 2020-01-06 Includes pictures Includes a bibliography for further reading Today as one of the biggest cities in the country Chicago means a lot of different things to different people but the Windy City as culturally rich as it is has long been known for controversial political corruption and its gangster past While those kinds of crimes are less prominent today one recent documentary Chirag provided a new chilling sobering and wildly unfortunate sobriquet for the city and for far too many of the city's youth the places they call home are just a few steps removed from an actual war zone According to a 2019 report by CBS News roughly 1 099 of every 100 000 Chicagoans are likely to experience a violent crime Records released by the FBI revealed that a staggering 653 people in Chicago were murdered in 2016 surpassing Los Angeles and New York City combined The obvious dissimilarities between Chicago and a traditional battlefield aside many experts can relate to the sentiment BBC correspondent Ian Pannell for one described what he saw as striking resemblances People live with a threat or elements of danger and although the degree is completely different that's similar for civilian populations in both environments What always amazes me you see this in Chicago and you see this in places like Syria is

people they'll be out on the street they'll be doing the shopping but they know the rules As soon as trouble starts to happen suddenly everybody disappears Pannell further added I've never seen so many weapons in civilian hands outside of a war zone as I did in parts of Chicago Kids have become desensitized to violence Someone's been shot and kids are playing up and down the streets on their bikes because they're used to seeing it and that's also what you see in a war zone More disturbing yet veteran gangsters and juvenile street thugs may not be the only ones to blame for this senseless bloodshed Not only is Chicago consistently nominated each year as one of the deadliest cities in America the Windy City is infamous for its egregiously problematic police department whose reputation has been marred by corruption abuse and systemic racism among other kinds of misconduct A 2019 Fortune report citing a study conducted by the University of Illinois found that Chicago's finest were responsible for 82% of the corruption convictions in the entire state The discriminatory tendencies entrenched in Chicago's police department have undoubtedly become one of the most contentious hot button issues to divide the city in recent years Chicagoans and allies from cities near and far demand answers and justice for the number of unarmed black men who have died such as 17 year old Laquan McDonald who while carrying a folded 3 inch blade was walking away from Officer Jason Van Dyke when he was shot at 16 times It hasn't escaped people's notice that 67% of those booked in the Cook County Department of Corrections on a daily basis are black Of course the city can be plenty dangerous for the cops as well Dozens of Chicago police officers have fallen in the line of duty such as Officers Eduardo Marmolejo and Conrad Gary who were struck and killed by a train while in pursuit of a suspected gunman Officers like those two knowingly risk their lives each and every day both on and off the clock willing to thrust themselves into danger without a second's hesitation In late November 2018 Officer Samuel Jimenez was on what would have been an uneventful assignment mail delivery when he was apprised of an active shooter at Mercy Hospital Jimenez hastened to the premises at once in a noble effort to assist the squad dispatched to the scene and he was shot and killed in the process On a lighter note one would be remiss not to acknowledge the endeavors of Officer Jennifer Maddox one of 10 crowned Heroes of the Year by CNN New York in 2017

Armed & Dangerous Gina Gallo, 2024-05-01 This critically acclaimed memoir of one female cop is an exceptionally well written account of life in the Chicago Police Department from 1982 to 1988 Richmond Times Dispatch Beginning with day one at the Police Academy and spanning assignments on Chicago's West Side one of the most dangerous areas in the city Armed Dangerous chronicles Gina Gallo's sixteen year odyssey as a police officer The notorious cops code of silence is broken as the author recounts incidents in the West Side projects shoot outs ambushes and what it feels like to kill a man just four days out of the Academy The stories told are sometimes tragic sometimes funny often poignant and always provide the reader with an on the scene feel for life behind the badge Domestic violence murdered spouses abused children and philandering CPD brass are just some of the topics addressed topics that officer Gallo dealt with everyday From her work with gangs narcotics the gun task force and acting as a prostitute Gina Gallo offers a gritty account of the darker side of the

city giving readers an objective side to the cops crooks and victims that comprise the police world Gallo's slide into the us versus them mentality and her depiction of that psychological evolution is a powerful aspect of this book Gallo offers rare insights into a compelling world Chicago Tribune Provides stories about fear and survival on the Windy City's mean streets Armed Dangerous is a frank view of law enforcement in the nation's second city Richmond Times Dispatch A no holds barred look at life behind the badge a look which is both perceptive and disturbing Arizona Daily Star **Windy City** Hugh Holton, 1996-04-15 Margo and Neil DeWitt sees like any other fun loving super rich couple until Chicago Police Commander Larry Cole sees through their affluent charade While investigating the death of a fellow officer Cole stumbles across a pattern of killings that leads him to discover the DeWitt's gruesome hobby murdering women and children using methods from their favorite mystery novels Cole enlists a group of mystery writers to help him figure out where the homicidal couple will strike next But as the body count rises will it be enough of an edge to help him get to the DeWitts before they get to him
