Graceful reason Lloyd P. Gerson, 2024-10-07

'Onde Di Questo Mare' Rossella Riccobono, Doug Thompson, 2003-02-01 In the half century following Pavese's death much that was written about him sought principally to understand and define his complex character and to determine his place within the twentieth century Italian literary canon. Latterly there appears to have been a significant shift in focus towards a closer reading of individual works or aspects or periods of his writing the better to analyse and reveal the subtleties and depth of his vision. This present collection of ten essays conforms broadly with this tendency. It is organised chronologically with regard to Pavese's life and works so as to convey a sense of the development of a writer over and above the particular concerns of any given essay. The book features contributions from many leading experts on Pavese.
