Are You Lied to about the Bible? Leif A. Werner, 2003-08 Like in his first book Christian Bible scholar Leif Werner addresses controversial Biblical issues in this his second thought provoking work *Are You Lied To About The Bible* volume 2 Published by Authorhouse He sheds light on additional controversial topics in the Scriptures in this book While many of the themes pertain to the end times this book like his first one is not alarmist in tone Instead it helps readers gain a deeper understanding of the Bible and better discernment especially in terms of separating truths from lies I hope this book like my first one shall help readers in learning the truth and live with peace of mind Werner says I am not here to scare anyone but rather to reveal the truth for the reader Truth will set you free from lies and confusion *Are You Lied To About The Bible* volume 2 is like volume 1 a treasure trove of fascinating insights and revelations It will appeal to students of the Bible and religion history buffs and anyone interested in the most pressing religious issues of today Beginning of knowledge and wisdom starts with the love for investigating the Biblical Scriptures which is God's letter to us This book clarifies issues such as if Christ is written about in the Old Testament who participate in the Battles of Armageddon and Hamon gog and where and when will they take place a summery of what the Bible is about what really born again means Capital Punishment law versus grace famine in the end times tithing and usury the millennium and much more The Bible'S Tare and Blind Spot Steven Iruthaya, 2012-08-31 For many of us theology rather than the Bible itself comprises our knowledge of God This knowledge however is a gift from the Holy Spirit In order to find it we must allow the Holy Spirit to direct us when we read the Bible instead of relying upon theologians interpretations The Bibles Tare and Blind Spot takes a hard look at the diverse complex and sometimes incompatible beliefs of various Christian groups Author Steven Iruthaya shares how portions of the

Church have misrepresented and misapplied the teachings in the Scriptures over the past two thousand years Through analysis he contends that religious leaders have agendas that they do not always make clear Iruthaya raises a number of significant issues that have caused discussions and controversies throughout the history of the church He briefly explores early middle and modern Christianity's doctrines and then focuses on pertinent topics such as the Holy Spirit the life of Jesus the Ten Commandments and more His conclusions are challenging and for some perhaps provocative An informative treatise on Christianity The Bible's Tare and Blind Spot calls Christians to challenge their long held assumptions and in doing so find greater faith

Jesus Told the U. S. a Bald-Faced Lie, I Got Proof Satan Has a Brother! Freddie L Quinn, **The True Revelation of Jesus Christ** Desmond Teddy, 2016-07-08 This book is written to assist Jews Muslims atheists and mostly Christians in gaining a more comprehensive and accurate knowledge and understanding about Jesus Christ The overwhelming weight of evidence placed on Jesus in this work as Lord and Savior of the universe is far greater than what the Quran narrates or what the Jew can accommodate The evidence is so strong and so clear that it gives understanding to the atheist and boosts up the knowledge of the reader about Jesus Christ who is 100 percent man and 100 percent God The journey from the original plan of God for man to the end of time is explained with examples of incompatibility between the Bible and the Quran Thus the reader is brought to a deeper knowledge of the Biblical inerrancy concerning the Godhead of the Bible and the great rescue plan of the Creator of the universe through Jesus Christ You will find thrilling information which will kick your socks off and keep your mind and spirit in balance as you continue to read I would say it is food for thought to change your life for the better

What Would Moses Say? Pamela Susanne Snyder, 2023-11-27 What Would Moses Say is a carefully researched and crafted book The author began with the premise that Moses's Law in fact much of Old Testament history is nonbinding for today's believer Her journey and findings brought a surprising revelation that all of God's word is useful for our spiritual growth As she explored each of the Ten Commandments the truth became even more clear The moral principles that God had established as a standard for the Israelites still hold true for today In fact as society continues to break down with prevailing lawlessness there has never been a better time than now to address our application of God's commandments Could it be that a careless disregard for the obsolete law is the reason for the lukewarm state of many believers in the twenty first century Decreased church attendance high divorce rates disobedient

children loss of young adults to secular pursuits and an absence of God's name in day to day conversation all characterize the problem Could it be that good people who call themselves Christian could benefit from a deeper look at the Ten Commandments According to the findings the answer is yes The evidence points to the need for a new or renewed relationship with God's appointed head of the church Jesus Christ There cannot be any substantial law keeping in the absence of the lawgiver We must first love God the first commandment before we can love others The worldliness of today's church has impacted Christianity as we know it There is no other answer than to be unique and separate This book was written for readers in all stages of their spiritual journey It promises to be interesting challenging enlightening and instructional Use it for personal reading or a group study *But Still Like Air* Velina Houston, 2010-06-17 In this pathbreaking volume Velina Hasu Houston gathers together eleven plays that speak in the hybridized unique American voices of Asian descent and often dissent These writers resist the bigotry that attempts to target them solely as people of color as well as the homogenizing tendencies of a multiculturalism that fails to recognize the varied make up of Asian America Anthologized for the first time these plays testify to the rich complexity of Asian American experience while they also demonstrate the different styles and thematic concerns of the individual playwrights What are Asian American plays about Family conflicts sexuality social upheaval betrayal the stuff of all drama Whether the characters are a middle aged Taiwanese woman who is married to an Irish American and who dreams of opening a Chinese restaurant a Chinese American female bond trader trying to survive a corporate takeover or an ABC American Born Chinese gay man whose lover has AIDS their Asian-ness is only a part of their story As a playwright Houston is keenly aware of the rigid formulas that often exclude writers of color and women women writers from mainstream theater *But Still Like Air* I'll Rise brings forth vibrant new work that challenges producers and audiences to broaden their expectations to attend to the unfamiliar voices that expresses the universal and particular vision of Asian American playwrights *Bible Word Search, Volume II* Akili Kumasi, 2005-03 Scriptures on named and unnamed women in the Bible Convenient research and reference tool Word Search Puzzles made from key words in Scriptures Excellent gift for puzzle enthusiasts Great witnessing and teaching tool Effective lessons for Sunday School youth classes **Recommending God** Jan Leslie, 2006 *Morning and Evening Meditations from the Word of God* Michael J. Akers, 2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers's teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God Buzzard Tom P. Myers, 2009 What would you think would happen if a former convict were

punished with a sentence to a small town church under the supervision of a children s minister Join new author Tom P Myers on this funny ride of joy and suspense as these two personalities collide in his book Buzzard Buzzard the ex convict has never been inside a church except to rob it Maddie the children s minister has never missed church The unique pair challenges each other over their vastly different lifestyles while Buzzard slowly learns more about life outside of crime The personality conflict small town church life and the idiosyncrasies of the characters will make you want to laugh out loud and also cry Buzzard is a book that you can t wait to read the next chapter The action is realistic the suspense is captivating and the ending is climactic

Akers,2017-02-24 This is a book of reflection and meditation to give you encouragement and greater spiritual depth **The Scoundrel's Bride** Emily March, **Spiritual Warfare Basic Training** Michael Mudge,2012-11 This book is written for my grandson Christian Mudge He is a young Christian enlisted in the Lord s army I hope that this book on basic training will help Christian and other new volunteers in their fight against Satan and his troops

Here Comes The King The Messenger,2009-12-11 **Freeing the Buddha** Brian Ruhe,2005-01-01 This book is not written to reinvent the wheel and offer up just another introduction to Buddhism This has a fresh approach of Buddhism which does not stir up dust in areas that most people have not thought of There are Buddhist teachers who would discuss things privately such as Buddhist views on UFOs Adolf Hitler and the historical Jesus but they would not give public talks or publish books on such controversial subjects The author has the courage to do so as he boldly discusses such topics in this book

Inspirational Short Stories Dennis E. Bailey,2025-06-05 These short inspirational writings were written in a five year time of my life starting in 1996 through 2001 Most of these stories were written while I was on vacation traveling the USA on an escorted motor coach When I was able to lay aside the everyday walk of life even on vacation I was inspired to write the story God gave me I learned quickly that when the Holy Spirit spoke I needed to make time soon to write what the spirit led me to write Some of these places were Niagara Falls Grand Tetons Yellowstone National Park and Alaska Special thanks to my wife for helping me get this book to this level My favorite Bible verse during these stories and still today is 2 Chronicles 7 14 If my people which are called by my name shall humble themselves and pray and seek my face and turn from their wicked ways then will I hear from heaven and will forgive their sin and will heal their land
