Unauthorized Love Jane Lilly López, 2021-11-23 A rich narrative exploration of the ways love defies survives thrives and dies as lovers contend with US immigration policy For mixed citizenship couples getting married is the easy part The US Supreme Court has confirmed the universal civil right to marry guaranteeing every couple's ability to wed But the Supreme Court has denied that this right to marriage includes married couples right to life liberty and the pursuit of happiness on US soil creating a challenge for mixed citizenship couples whose individual level rights do not translate to family level protections While US citizens can extend legal inclusion to their spouses through family reunification they must prove their worthiness and the worthiness of their love before their relationship will be officially recognized by the state In *Unauthorized Love* Jane L. pez offers a comprehensive critical look at US family reunification law and its consequences as experienced by 56 mixed citizenship American couples These couples stories of integration and alienation of opportunity and inequality of hope and despair make tangible the consequences of current US immigration laws that tend to favor Whiteness wealth and heteronormativity as well as the individual rather than the family unit in awarding membership and official belonging In examining the experiences of couples struggling to negotiate intimacy under the constraints of immigration policy L. pez argues for a rethinking of citizenship as a family affair *Your Passport to Immigration* Terry Cleaves, 2013 **Civic**

Education in the Age of Mass Migration Angela M. Banks, 2021 This important book offers an inclusive approach to preparing students to be responsible participants in a democratic society Civic education generally operates through the lens of citizenship where students learn what good citizenship is and what good citizens do Yet the citizenship lens fails to identify the wide range of schoolchildren and their families who participate in economic political and social life Civic Education in the Age of Mass Migration examines the exclusionary aspects of citizenship and offers democratic societies an alternative approach that includes all long term residents regardless of citizenship and immigration status Banks reimagines a civic education curriculum that gives secondary students the knowledge and skills needed to move the United States toward a more perfect union Book Features A brief overview of the history of civic education and why citizenship status and immigration status should be explicitly addressed An examination of the economic political and social forces shaping immigration law A new way to conceptualize membership based on three principles popular sovereignty participation and the jus nexi principle Classroom activities and discussion questions to help civic educators incorporate the idea of citizenship boundaries into their curriculum *The Integration of Immigrants into American Society* National Academies of Sciences, Engineering, and Medicine, Division of Behavioral and Social Sciences and Education, Committee on Population, Panel on the Integration of Immigrants into American Society, 2016-04-17 The United States prides itself on being a nation of immigrants and the country has a long history of successfully absorbing people from across the globe The integration of immigrants and their children contributes to our economic vitality and our vibrant and ever changing culture We have offered opportunities

to immigrants and their children to better themselves and to be fully incorporated into our society and in exchange immigrants have become Americans embracing an American identity and citizenship protecting our country through service in our military fostering technological innovation harvesting its crops and enriching everything from the nation's cuisine to its universities music and art Today the 41 million immigrants in the United States represent 13.1 percent of the U.S. population The U.S. born children of immigrants the second generation represent another 37.1 million people or 12 percent of the population Thus together the first and second generations account for one out of four members of the U.S. population Whether they are successfully integrating is therefore a pressing and important question Are new immigrants and their children being well integrated into American society within and across generations Do current policies and practices facilitate their integration How is American society being transformed by the millions of immigrants who have arrived in recent decades To answer these questions this new report from the National Academies of Sciences Engineering and Medicine summarizes what we know about how immigrants and their descendants are integrating into American society in a range of areas such as education occupations health and language

The Danger of Devaluing Immigrants Fariborz Ghadar, 2022-11-07 Despite deep divisions on the issue of immigration this book shows that immigration promotes economic innovation expands the job market and contributes to diversity and creativity in the United States Immigration as a conduit for bringing new talent ideas and inventions into the United States is essential to the success and vitality of our economy and society This timely book researched and written by the Immigration Book Project Team at Penn State University approaches immigration from historical economic business and sociological perspectives in order to argue that treatment of immigrants must reflect and applaud their critical roles in supporting and leading the economic social cultural and political institutions of civil society Approaching immigration as both a socioeconomic phenomenon and a matter of public policy *The Danger of Devaluing Immigrants* offers demographics and statistics on workforce participation and job creation along with stories of individual immigrants contributions to the economy and society It supports the idea that when immigration is challenged in the political sphere we must not lose sight of the valuable contributions that immigrants have made and will continue to make to our democracy
