

The New Contemptibles

*A series of eye-witness stories of
Stands and Skirmishes in the great
Retreat to the Coast.*

These brilliant first-hand accounts appeared first in *The Daily Telegraph* where they attracted great attention. They have been most appreciated by the Army itself which felt that too little was known of the heroic fight put up by often isolated units which for no fault of their own were involved in the disaster which overtook the B.E.F. It will be seen how the evacuation of Dunkirk was only made possible by the rearguard gallantries of units and the brilliant counter-attacks.
