Accounting Today Top Firms By Aum 2013:

The Report: Egypt 2013 Oxford Business Group, 2013-11-13 The Arab world's second largest economy and its largest population Egypt has endured more than three years of political and economic turbulence which have slowed its performance but its long term fundamentals remain strong Egypt has been through a turbulent time but still manages to churn out headline growth higher than the Eurozone Still an economy that was growing at a rate of 7% has given way to a more modest GDP expansion of 2.2% in the 2011-12 fiscal year following the ousting of Mubarak while foreign direct investment fell by two thirds over the same period The figures are likely to remain subdued in the near term but there have been some improvements in cyclical performance particularly with the country's capital markets as 2012 saw Egypt's exchange grow by 51% year on year More importantly the country still benefits from significant competitive advantages including a strong trade profile a large private sector a sizable manufacturing base and favourable demographics

Planted forests in emerging economies: Best practices for sustainable and responsible investments Lucio Brotto, Davide Pettenella, Paolo Cerutti, Romain Pirard, 2016-07-16 Investments in industrial scale planted forests have grown exponentially in recent years and are included into investment portfolios for various reasons e.g. diversification risk mitigation attractive returns The rapid growth of planted forests may incur negative social and environmental impacts Thus investment companies and fund managers are increasingly interested in using sustainable and responsible investment SRI tools e.g. standards guidelines and codes of conduct However a classification system for SRI tools in the field of planted forests still lacks consensus

The Report: Saudi Arabia 2015 Oxford Business Group, 2015-09-22 While Saudi Arabia's economy remains dominated by its hydrocarbons sector several other sectors have emerged in recent years as key propellers of economic growth The Kingdom's financial services industries have continued to expand steadily despite the liquidity challenges posed by falling oil prices Trade and investment are being treated as key priorities as the government looks to negotiate this altered economic landscape aiming to leverage its large population high per capita income and many sea and air links The country's capital markets sector meanwhile is poised for a period of significant growth on the back of the opening of Tadawul to international investors in 2015 and the raft of regulatory upgrades implemented as result The domestic insurance industry which remains dominated by the motor and medical segments has enjoyed double digit growth over the past five years in both revenue and net profit Elsewhere the targets outlined in Vision 2030 indicate that a period of greater opportunity and integration is on the horizon for private players operating in core sectors such as health care utilities industry and ICT
