Anthony Trollope, 2016-11-04 Barchester Towers published in 1857 is the second novel in Anthony Trollope's series known as the Chronicles of Barsetshire Among other things it satirises the then raging antipathy in the Church of England between High Church and Evangelical adherents Trollope began writing this book in 1855 He wrote constantly and made himself a writing desk so he could continue writing while travelling by train Pray know that when a man begins writing a book he never gives over he wrote in a letter during this period The evil with which he is beset is as inveterate as drinking as exciting as gambling And years later in his autobiography he observed In the writing of Barchester Towers I took great delight The bishop and Mrs Proudie were very real to me as were also the troubles of the archdeacon and the loves of Mr Slope But when he submitted his finished work his publisher William Longman initially turned it down finding much of it to be full of vulgarity and exaggeration More recent critics offer a more sanguine opinion Barchester Towers is many readers' favourite Trollope wrote The Guardian which included it in its list of 1000 novels everyone must read archester Towers concerns the leading clergy of the cathedral city of Barchester The much loved bishop having died all expectations are that his son Archdeacon Grantly will succeed him Instead owing to the passage of the power of patronage to a new Prime Minister a newcomer the far more Evangelical Bishop Proudie gains the see His wife Mrs Proudie exercises an undue influence over the new bishop making herself as well as the bishop unpopular with most of the clergy of the diocese Her interference to veto the reappointment of the universally popular Mr Septimus Harding protagonist of Trollope's earlier novel Barchester Towers (1857). Is the Second Novel in Anthony

Trollope's Series Known Anthony Trollope, Hugh M. Eaton, 2016-11-10 Barchester Towers published in 1857 is the second novel in Anthony Trollope's series known as the Chronicles of Barsetshire. Among other things, it satirises the then raging antipathy in the Church of England between High Church and Evangelical adherents. Trollope began writing this book in 1855. He wrote constantly and made himself a writing desk so he could continue writing while travelling by train. Pray know that when a man begins writing a book, he never gives over; he wrote in a letter during this period. The evil with which he is beset is as inveterate as drinking, as exciting as gambling. And years later in his autobiography, he observed: In the writing of Barchester Towers, I took great delight. The bishop and Mrs Proudie were very real to me, as were also the troubles of the archdeacon and the loves of Mr Slope. But when he submitted his finished work, his publisher William Longman initially turned it down, finding much of it to be full of vulgarity and exaggeration. More recent critics offer a more sanguine opinion. Barchester Towers is many readers' favourite. Trollope wrote The Guardian, which included it in its list of 1000 novels everyone must read. Barchester Towers concerns the leading clergy of the cathedral city of Barchester. The much-loved bishop, having died, all expectations are that his son, Archdeacon Grantly, will succeed him. Instead, owing to the passage of the power of patronage to a new Prime Minister, a newcomer, the far more Evangelical Bishop Proudie, gains the see. His wife, Mrs Proudie, exercises an undue influence over the new bishop, making herself as well as the bishop unpopular with most of the clergy of the diocese. Her interference to veto the reappointment of the universally popular Mr Septimus Harding, protagonist of Trollope's earlier novel The Warden, as warden of Hiram's Hospital, is not well received, even though she gives the position to a needy clergyman, Mr Quiverful, with 14 children to support. Even less popular than Mrs Proudie is the bishop's newly appointed chaplain, the hypocritical and sycophantic Mr Obadiah Slope, who decides it would be expedient to marry Harding's wealthy widowed daughter, Eleanor Bold, and hopes to win her favour by interfering in the controversy over the wardenship. The Bishop, or rather Mr Slope, under the orders of Mrs Proudie, also orders the return of the prebendary Dr Vesey Stanhope from Italy. Dr Stanhope has been there recovering from a sore throat for 12 years and has spent his time catching butterflies. With him to the Cathedral Close come his wife and his three adult children. The younger of Dr Stanhope's two daughters causes consternation in the Palace and threatens the plans of Mr Slope. Signora Madeline Vesey Neroni is a crippled serial flirt with a young daughter and a mysterious Italian husband whom she has left. Mrs Proudie is appalled by her and considers her an unsafe influence on her daughters, her servants, and Mr Slope. Mr Slope is drawn like a moth to a flame and cannot keep away. Dr Stanhope's son, Bertie, is skilled at spending money but not at making it. His two sisters think marriage to rich Eleanor Bold will provide financial security for him.
