Bigart,2012-10-11 In 1870 the Bitterroot Salish Indians called Flatheads by the first white explorers to encounter them were a small tribe living on the western slope of the Northern Rocky Mountains in Montana Territory Pressures on the Salish were intensifying during this time from droughts and dwindling resources to aggressive neighboring tribes and Anglo American expansion In 1891 the economically impoverished Salish accepted government promises of assistance and retreated to the Flathead Reservation more than sixty miles from their homeland In *Getting Good Crops* Robert J Bigart examines the full range of available sources to explain how the Salish survived into the twentieth century despite their small numbers their military disadvantages and the aggressive invasion of white settlers who greedily devoured their land and its natural resources Bigart argues that a key to the survival of the Salish from the early nineteenth century onward was their diplomatic agility and willingness to form strategic alliances and friendships with non Salish peoples In doing so the Salish navigated their way through multiple crises relying more on their wits than on force The Salish also took steps to sustain themselves economically Although hunting and gathering had been their mainstay for centuries the Salish began farming getting good crops to feed themselves because buffalo were becoming increasingly scarce Raised on the Flathead Reservation himself the author is seeking to convey the Salish story from their perspective despite the paucity of written Salish testimony What emerges is a picture both inspiring and heartbreaking of a people maintaining autonomy against all odds *The Lost Hamsters and the Castle of Light* Michael Jude Schauer,2025-02-28 The castle was now at peace and whole forest was experiencing a season of harmony and rest Until that fateful day when the wolf awoke and he began to assemble a new army This time Serigala the great wolf gathered the angry baboons from Mount Papio and the giant jacaranda bees to help him overtake the castle What happens to a castle stronghold when the residents become complacent selfish and lazy What happens to a castle when the tower guards give up their posts and stop watching the walls for invaders As Serigala and his angry horde of followers begin to gather at the bottom of the castle hill time is running out to rescue Captain Nibbles After being kidnapped by Serigala's giant bees new heroes must arise to help the hamsters rescue their captain from captivity in the nest of the bees and return him to the castle to face the attack of the black hearts To make matters worse Barnaby Bunch lies at the bottom of a dark pit trap The hamsters with the help of Sky Commander Paffuto must find the Life Stone which is hidden in the den of the cinnamon bears then find the black echo hole where Barnaby's life has come to an end The castle has never been weaker and Serigala and his army have never been stronger Will Serigala

retake the castle Will the hamsters and all the forest animals come under his rule once again Will the light of the castle be extinguished How will goodness and hope ever prevail again Who will arise to defend the castle The Substitute Bride Margaret Blake,2008-10-01 2010 EPPIE AWARD Finalist for Best Historical Romance It is a simple trick Elizabeth Mary will take the place of her older sister Mary Elizabeth She will marry the Lord Edward Hinchcliffe pretending to be Mary He will never discover the plot Mary can then do what she promises enter a Convent Only the best laid plans often go astray and Elizabeth Mary finds the deception leads her into terrible danger The Lord Hinchcliffe is no fool and he is a stern taskmaster who prides honesty above all virtues **Dark Horse Barnaby** Marjorie Reynolds,1967 Jeff s father President of Golden Nugget Margarine has a fixation on the color scheme in his stable His ambition to raise and show only golden horses conflicts with Jeff s desire to be like regular people and ride a brown horse around the countryside *The Breeder's Gazette* ,1886 **Royal Flame the Police Horse** Pippa Funnell,2024-08-01 Tilly dreams of having a pony of her own One that only she can ride to stardom Will her wishes come true when she joins Silver Shoe Farm Stables When there s a catastrophe at Silver Shoe Farm Royal Flame the majestic retired police horse remembers his training and more than lives up to his name Collect all 18 titles in this series of irresistible uplifting and heartwarming pony adventures Printed in a dyslexia friendly font and packed with up to date tips from three times Olympic Medallist Pippa Funnell as well as a helpful glossary and black and white illustrations on every spread *Drunken Barnaby's Four Journeys* Richard Brathwaite,1762 Mirror Horse Tamara Williamson,2023-04-29 English Canadian indie musician Tamara Williamson offers an unbridled account of a life in the world of horses From her first clever little bay pony Stroller to brilliant ribbon winning Fletcher Tamara Williamson recalls the many significant horses in her life grappling with what it means to be horse obsessed and what drives this desire to connect with horses As Williamson discovers during the tumultuous years of relationships with people and horses these complicated equine creatures reflect back to us our best and worst selves Woven throughout the stories of individual horses in Williamson s life is her own story of a creative chaotic challenging and adventurous life Raised by an eccentric family with a distant mother who disappeared into alcoholism and a charismatic father who left one sunny morning with a younger woman Williamson struggles with dyslexia and a sense of increasing detachment Horses and the exacting sport of dressage provide her with opportunities to connect sometimes imperfectly Her drive for accomplishment in equestrian sports whether as a trainer or a rider is regularly at odds with the fear that lingers from a traumatic childhood riding accident While reckoning with the financial and psychological expense of training and competition and with the multitude of industries that benefit from horses Williamson never loses sight of the enormous burden of responsibility she feels toward horses and the respect she has for their individual characters memories and instincts On the surface Mirror Horse is a book about horses but beyond the bridles and braided manes Williamson crafts a complex story about courage family and the unexpected places where we find a reflection of our souls As a rider you can confuse yourself with being the teacher but horses are constantly showing us

something important They are holding up a mirror A percentage of the author s royalties from the sales of this book will go to the Canadian Horse Defence Coalition
