Without Child Martha G. Stout,1985

The Barren Cry Whitney Henneman,2020-06-22 Just as Hannah pleaded with the Lord for her son Samuel in 1 Samuel 1 10 so this devotional is a focused journey of faith and intentional prayer on behalf of our deepest longings for a child Each day in this three week journey encapsulates what I have processed and learned through my season of barrenness in regards to my understanding of God amidst the greatest suffering I have known For those who thirst for answers in the wilderness of waiting and long to hear from Him this book is a practical guide to help strengthen your resolve under the load you bear In my darkest moments of despair during our infertility battle and my husbands health crisis we decided to do a 21 day fasting prayer challenge It wasn't easy is an understatement In fact the increasing spiritual oppression we felt was staggering But guess what The Lord showed up Not immediately as it was months later we heard from Him but we ultimately experienced Him profoundly So I'm challenging you today commit to praying to the Lord for 21 days for your innermost yearnings for motherhood and healing I think you will be blown away by the power you hold in asking and in the graciousness of our Father in answering you Hannah's barren cry is what moved the heart of God So of you your barren cry is not powerless it is powerful I dare you to faithfully impress your requests upon the heart of God and not encounter an experience of life changing proportions

The Grief of Infertility Alan Wolfelt,2020-09-01 When you want to have a baby but are struggling with fertility challenges it's normal to experience a range and mixture of ever changing feelings These feelings are a natural and necessary form of grief Whether you continue to hope to give birth or you've stopped pursuing pregnancy this compassionate guide will help you affirm and express your feelings about infertility Tips for both women and men are included

Barren & Beloved Cindy Steeves,2021-02 the barren woman and the thirsty desert are

never satisfied Proverbs 30 16 Desperation for God to heal my barrenness inflicted a ten year strain on my marriage Would we survive the heartbreak Expectations bred disappointment Twelve out of one hundred women in North America are infertile which means everyone knows someone who lives this lonely reality Not Yet Pregnant Larry L. Greil, Arthur L. Greil, 1991 Although voluntary childlessness has come to be accepted as permissible the normal plans of most American couples include parenthood Having a child is still seen as a rite of passage to adulthood When a couple finds out that they are infertile and that life is not going to go according to plan they ask why me Greil explores not only why me and the difficulty of finding a satisfying answer but other questions as well Why do women and men respond differently to infertility Do gender differences play a role in the experience of infertility How has medical technology affected the experience of infertility Why are infertile couples so committed to the goal of having biological children Greil explores the effect that infertility has on men and women and why men seem to accept infertility more easily than women Women see infertility as failure they see themselves as incomplete Men seeing infertility more frequently as something they cannot change ask why worry about it Greil also explores what effect these attitudes have on the couple s marriage on relationships with their relatives and with their fertile friends Infertility is not just a medical problem it is a personal and emotional problem that affects all other aspects of the couple s life This is a thorough investigation of what fertility means to contemporary American couples

When Empty Arms Become a Heavy Burden Sandra Glahn, William Cutrer, 2011-06-07 One in six Americans of childbearing age experience infertility problems which lead to further struggles including stress sexual difficulties marital discord and a disturbing uncertainty about the future Sandra Glahn knows these issues far too well and has teamed with medical specialist Dr William Cutrer to reissue an updated edition of their trusted resource for couples struggling to have children While focusing on the emotional and spiritual struggles that accompany infertility Glahn and Cutrer also provide detailed information on associated medical issues and fertility treatments and alternatives Questions at the end of each chapter and lists for recommended reading promote further discussion while case histories and personal testimonies make the facts relatable With a sensitive touch and trusted advice Glahn and Cutrer offer encouragement and hope for couples struggling with infertility

Barren Among the Fruitful Amanda Hope Haley, InScribed, 2014-10-14 The problem of infertility has reached epidemic levels in our society It is projected that 40 percent of women currently 25 and younger will have difficulty conceiving a child or reaching a live birth Amanda Hope Haley had married David the man of her dreams and earned a master s degree from Harvard She and David purchased their first home and settled down to start a family All her hopes and dreams were coming true according to plan until the family didn t happen After spending seven years begging God for a child Amanda discovered that God gives only one hope Jesus Amanda having a baby wasn t to be her happy ending Finding wholeness by hoping only in God was her happy ending Using Amanda s personal stories and the stories of other women who have struggled to have children Barren Among the Fruitful surrounds those women struggling with infertility or

miscarriage with a sense of community while providing honest facts It leads women from confusion to understanding Each chapter is titled with a well meaning but sometimes thoughtless comment Amanda was offered during her seven year struggle with infertility Features include Personal stories from women who have struggled with infertility or miscarriage An honest look at the problem of infertility Questions for individual thought or group discussion **The Infertility Companion** Sandra L. Overcoming the Emotional Stigmas of Infertility Frances Jones, 2021-03-24 Do you feel like a failure because you cannot conceive or carry a baby to full term Do you feel unworthy for being infertile Are you ready to transform from a mindset of defeat and low self esteem to one of victory freedom and peace There was a time when I saw myself as damaged goods I was hard on myself felt unworthy because of my infertility and was tormented by negative thoughts and emotions The worst part

was that I didn't know how to stop. Then a miracle happened. I had an awakening. The crippling pain, heartache, and toxic thoughts associated with infertility no longer control my life, and my self-esteem. I now feel worthy as a mother, wife, and woman, and I coach others who are dealing with infertility. I hope that the story of my journey inspires you and guides you through your infertility challenges. Infertility impacts one in eight couples, yet many suffer alone and in silence. Thank you, Frances Jones, for sharing your story to help increase awareness and shatter the stigmas that surround this issue. Your personal journey through physical and emotional struggles on your way to finding peace again is inspirational. Many will find comfort in this book.
