Coaching and Mentoring Nigel MacLennan, 2017-07-05 The coaching mentoring approach is probably the most effective way of helping others to achieve optimum performance in the workplace Dr MacLennan s book covers the entire subject from basic skills to designing and implementing a tailor made coaching and mentoring system He starts by explaining the nature of achievement and the factors that determine it and then introduces a seven stage model that will enable managers and supervisors to encourage their people to develop their skills He examines the problems commonly encountered and shows how to overcome them or in some cases turn them to positive account The book is interactive throughout using cartoons humour self assessment questions case studies and illustrations to reinforce the text A particularly valuable feature is a set of checklists that together summarize the key elements involved Coaching and Mentoring is quite simply a comprehensive manual of the best methods known today of helping people to succeed

Kids Don't Want to Fail Angel L. Harris, 2011-06-13 Kids Don t Want to Fail uses empirical evidence to refute the widely accepted hypothesis that the black white achievement gap in

secondary schools is due to a cultural resistance to schooling in the black community The author finds that inadequate elementary school preparation not negative attitude accounts for black students underperformance

Barriers to Christian belief Arthur L. Griffith,1962 **The Theory of Narrative Thought** Lee Roy Beach,James A. Wise,2022-02-25

The renowned naturalist Loren Eisely observed that we humans have given up the certainty of the animal that what it senses is exactly there in the shape the eye beholds The big question is what did we get in return This book provides a convincing answer to this question arguing that instead of recording reality your brain uses your experience to create a story a narrative about how what happened to you in the past led to what is happening to you now This narrative is your private reality The book continues by showing how replacing recorded reality with private narrative enabled humans to anticipate the fundamentally unknowable immediate and remote future and expose potential threats It then shows how private narrative enabled complex thought and communication with others Drawing upon a wide range of research the book provides a stimulating new way of viewing human experience thinking communicating and action *The Unsaved Christian* Dean Inserra,2019-03-05 What to do when they say they re Christian but don t know Jesus Whether it s the Christmas and Easter Christians or the faithful church attenders whose hearts are cold toward the Lord we ve all encountered cultural Christians They d check the Christian box on a survey they re fine with church but the truth is they re far from God So how do we bring Jesus to this overlooked mission field The Unsaved Christian equips you to confront cultural Christianity with honesty compassion and grace whether you re doing it from the pulpit or the pews This practical guide will show you how to recognize cultural Christianity teach you how to overcome the barriers that get in the way give you easy to understand advice about VBS holiday services reaching good people and more If you ve ever felt stuck or unsure how to minister to someone who identifies as Christian but still needs Jesus this book is for you
