Baseball In Asheville:

Baseball in Asheville Bill Ballew, 2001-01-13 Baseball has served as the pastime of preference in Asheville North Carolina for more than a century Nearly anywhere a flat lot can be found in the rolling hills of the Blue Ridge Mountains baseball has been played by locals and visitors alike with many of the city s greatest thrills created by the hometown Tourists who have been mainstays in the professional ranks for most of the past 80 years Oates Park where author Thomas Wolfe toiled as a batboy prior to attending the University of North Carolina served as the home of the Mountaineers Tourists and the semi pro Asheville Royal Giants during the first three decades of the 20th century until McCormick Field was built in the mid 1920s The ballpark just south of downtown Asheville welcomed the likes of Ty Cobb and Babe Ruth during exhibition contests while future Hall of Famers Eddie Murray and Willie Stargell and current standouts Todd Helton and Juan Pierre honed their skills in the mountains on their way to the game s top level **Tourists Guide** Asheville Tourists (Baseball team), 2009 **A**

History of Professional Baseball in Asheville Bill Ballew, 2007 So many greats have appeared in Asheville within McCormick Field s white lines Babe Ruth Jackie Robinson Ty Cobb manager Cal Ripken Sr and batboy Cal Ripken Jr As player Tom Nevers said When you think of all the great people that have played on this field before us it s kinda neat being a part of history Asheville North Carolina is not widely recognized as a baseball crazy city However for a small town where flat land is hard to find and everything is far removed from the bright lights of the big cities Asheville s part in professional baseball is remarkable In these pages you ll find little known stories of baseball s stars the ups and downs of the national pastime in the Land of the Sky and a number of local heroes Meet Struttin Bud Shaney a pitcher from the 1920s who served as athletic director umpire and the McCormick Field groundskeeper at various times in the diamond s past Despite his inexperience gritty Tourists general manager Ron McKee s efforts revived the flagging franchise in the 1980s Most recently fiery skipper Joe Mik Mikulik has helped bring record numbers of fans to McCormick to cheer the Tourists to victory The Old Ball Yard Bob Terrell, 1997 Here is the saga of one of America s fine old baseball parks McCormick Field home of the minor league Asheville NC Tourists This park is older than any major league park except for Wrigley Field Fenway Park and Yankee Stadium **Asheville Tourists Baseball Club Through the Years** Asheville Tourists (Baseball team), 1997

Souvenir Program Asheville Tourists (Baseball team), 1969 *Vaudeville on the Diamond* David M. Sutera, 2014-01-09 Over the last couple of decades minor league baseball games have shown substantial attendance figures with more than forty one million spectators in both 2010 and 2011 With all the high tech live streaming fast paced entertainment available to consumers what is it about minor league baseball that still holds appeal with today s audiences With access to major league games broadcast on countless cable networks what draws fans to small stadiums to watch obscure players struggle to make the big time Sports historian David M Sutera set out to answer these questions by visiting fourteen minor league baseball parks around the country In *Vaudeville on the Diamond* Sutera discusses the lure of minor league baseball with fans players

and team representatives examining how teams have survived and thrived in today's competitive entertainment world. Combining interviews with game day observations, Sutera argues that minor league baseball's key to survival lies in the creation of on and off field attractions that invoke the traditions of vaudeville with their unique and quirky spectacle. From inviting fans to participate in dizzy bat competitions and races against the mascot to featuring Star Wars theme nights and monkeys riding border collies, teams have created a multifaceted form of entertainment that transcends the game itself. Part study and part travelogue, *Vaudeville on the Diamond* features numerous photographs of on field entertainment showcasing the vaudevillian side of minor league baseball. A light hearted and engaging look at the minor leagues, this book will appeal not only to scholars and students of popular culture, sports and leisure studies and sports management but to all fans of baseball and minor league sports.

Preston Roberts, Brevard College, Asheville Tourists (Baseball team), 2005. Road-Tripping the South Atlantic League, Walter Triebel, 2015-11-27. This comprehensive visitor's guide to the teams of baseball's South Atlantic League lays out the methods needed to plan efficient, cost effective and rewarding road trips to see home games at ballparks throughout the league. It provides carefully planned travel routes including lists of interesting eateries and attractions both baseball related and otherwise in or near each team's city. The text traces the history of the league, profiles each current team in detail, describes each ballpark and identifies players who have led the league in batting or pitching. Team profiles list more than 300 players who played with a South Atlantic League team and went on to have a successful major league career. Information about nearby teams outside the SAL is also included for travelers wanting to broaden their baseball road trip experience.

Baseball's Dead of World War II, Gary Bedingfield, 2015-01-27. While most fans know that baseball stars Ted Williams, Hank Greenberg and Bob Feller served in the military during World War II, few can name the two major leaguers who died in action. They were catcher Harry O'Neill and outfielder Elmer Gedeon. Far fewer still are aware that another 125 minor league players also lost their lives during the war. This book draws on extensive research and interviews to bring their personal lives, baseball careers and wartime service to light.

Baseball's Most Wanted™, Floyd Conner, 2002-02-27. Edd Roush was once ejected from a game for falling asleep in the outfield. Dan Friend played left field while dressed in a bathrobe. Outfielder Len Koenecke was killed attempting history's first skyjacking. Pitchers Fritz Peterson and Mike Kekich swapped not only their wives but also their children, station wagons and pets. Baseball history is brimming with the weird, the bizarre and the hard to believe. *Baseball's Most Wanted* chronicles 700 of the most outlandish players, managers and owners throughout baseball history. Its seventy lists describe in humorous detail baseball's top ten inept players, strange plays, bad practical jokes, bizarre nicknames, murderers, politicians, Don Juans, unusual contracts, notable nicknames, curses, worst trades, freak injuries, unsolved mysteries, least known records and more. Many of these anecdotes have been published here for the first time.
