Runs, Hits, and an Era Paul J. Zingg,Mark D. Medeiros,1994 A favorite was Lou The Mad Russian Novikoff who won the Triple Crown in 1940 batting 343 with 171 RBIs and 41 homers while playing for the league runner up Los Angeles Angels thanks in no small part to his wife Esther who could be heard from her box seat behind home plate verbally abusing Lou during each of his appearances at the plate Another was Hollywood Stars player manager Bobby Bragan who was tossed from a game in 1953 against the rival San Diego club after slamming his chest protector to the ground to protest what he considered some bad calls by the umpire Ordered to pick up his equipment Bragan refused and instead proceeded to remove his shin guards mask glove and cap Banished to the dugout he added his uniform top shoes socks and a few towels to the pile Bragan and the Stars survived the ensuing fine and suspension to win the pennant handily

Baseball's Creation Myth Brian Martin,2013-05-28 The story about baseball s being invented in Cooperstown New York in 1839 by Abner Doubleday served to prove that the U S national pastime was an American game not derived from the English children s game of rounders as had been believed The tale embraced by Americans has long been proven false but to this day Cooperstown is celebrated as the birthplace of baseball The story has captured the hearts of millions But who spun that tale and why This book provides a surprising answer about the origins of America s most durable myth It seems that Abner Graves who espoused Cooperstown as the birthplace of the game likely was inspired by another story about an early game of baseball The stories were remarkably similar as were the men who told them For the first time this book links the stories and lives of Graves a mining engineer and Adam Ford a medical doctor both residents of Denver Colorado While the actual origins of the game of baseball remain subject to debate and study new light is shed on the source of baseball s durable creation myth

Stealing Lives Arturo J. Marcano Guevara,David P. Fidler,2002-12-09 While some Latin American superstars have overcome discrimination to strike gold in baseball s big leagues thousands more Latin American players never make it to The Show Stealing Lives focuses on the plight of one Venezuelan teenager and documents abuses that take place against Latin children and young men as baseball becomes a global business The authors reveal that in their efforts to secure cheap labor Major League teams often violate the basic human rights of children As a young boy growing up in Venezuela Alexis Quiroz dreamed of playing in the Major Leagues Alexis s dreams were like those of thousands of other boys in the Dominican Republic and Venezuela and Major League teams encouraged such dreams by recruiting Latin children as young as 10 and 11 years old Determined to become a big league player Alexis finished high school early and dedicated himself to landing a contract with a Major League team Alexis signed with the Chicago Cubs in 1995 at age 17 and then began a harrowing

ordeal of exploitation mistreatment and disrespect at the hands of the Chicago Cubs including playing for the Cubs Dominican Summer League team in appalling living conditions Alexis's baseball career came to an abrupt end by an injury for which the Cubs provided no adequate medical treatment The story continues however with Alexis's pursuit of justice in the United States to ensure that other Venezuelan and Dominican boys do not encounter similar experiences What happened to Alexis is not an isolated case Major League teams routinely deny Latin children and young men the basic protections that their U S counterparts take for granted This exploitation violates international legal standards on labor standards and the human rights of children *Stealing Lives* concludes by analyzing various reforms to redress the inequities big league baseball creates in its globalization *Congressional Record* United States. Congress, 1952
