MICROECONOMICS

A Contemporary Introduction

William A.

MCLEACHERN

THE WALL STREET JOURNAL EDITION

The central illustration of the book cover features a stylized, abstract composition. A large, dark silhouette of a human head in profile, facing left, is the central focus. The head is composed of various geometric shapes and colors, including orange, yellow, and blue. Inside the head, there are several interlocking gears of different sizes, some of which are metallic and shiny. A hand is visible at the bottom right, pointing towards the gears. The background is a mix of warm colors like orange and yellow, and cooler colors like blue and green. The overall style is modern and artistic, suggesting a connection between human thought and economic mechanisms.
