Control And Ideology In Organizations:

Control and Ideology in Organizations Graeme Salaman, Kenneth Thompson, 1980 **Ideology and Organization in Communist China** Franz Schurmann, 1973 **Management and Ideology** Judith A. Merkle, 2023-11-10 From its obscure beginning as a system for organizing machine shops Scientific Management has grown into the major technocratic ideology of the twentieth century Its development and international diffusion have influenced industrial productivity the social fabric of industrial society and even the nature of government In this study of the movement s growth Merkle compares the writings of the American German French British and Soviet vanguards of Scientific Management and finds that those who advocated efficiency engineering were considerably more than pragmatists seeking immediate technical solutions to production problems Rather they were visionaries who sought to reconcile class conflict restructure government and create a universal technocratic utopia by achieving efficient mass production and rationalized distribution The call for a mental revolution which permeates their writings found sympathizers among capitalists and socialists alike that revolution affected not only the structure of modern industrialism but also the organization of the state itself This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1980

Organization, Class and Control (RLE: Organizations) Stewart Clegg, David Dunkerley, 2013-05-02 In this volume the authors develop a systematic and chronologically based critique of the major concepts figures and schools in organization Themes discussed include the development of scientific management and the responses of Gramsci and Lenin to it the meaning of Mayo and the Human Relations School the development of typological systems and contingency models of the organization key concepts of goals environment and technology Ideological Control in Nonideological Organizations B C. Joerges, 1988-04-27 This work is both a theoretical and empirical analysis of the growing use of ideological control in business and administrative organizations The empirical studies reported in this volume were conducted in different types of organizations and in different countries Poland the United States and Sweden Throughout this unique examination the author emphasizes the role of ideologies as vehicles for organizational change not as traditionally seen as instruments for maintaining the status quo The Emerald Handbook of Management and Organization Inquiry David M. Boje, Mabel Sanchez, 2019-06-06 The Emerald Handbook of Management and Organization Inquiry provides new and innovative insights into the field of management and organization inquiry It provides extensive coverage of the 7S structure that has been so transformational for the field Storytelling System Sustainability Science Spirit Spirals and Sociomateriality **Foucault, Management and Organization Theory** Alan McKinlay, Ken Starkey, 1998-02-17 Foucault Management and Organization Theory provides a valuable summary of Foucault s contribution to organization theory while challenging some of the

conventions of traditional organizational analysis *International Encyclopedia of Organization Studies* Stewart Clegg, James R. Bailey, 2008 Describing the field spanning individual organisation societal and cultural perspectives in a cross disciplinary manner this is the premier reference tool for students lecturers academics and practitioners to gather knowledge about a range of important topics from the perspective of organisation studies **The Self Managing Organization** Ronald E. Purser, Steven Cabana, 1998 Table of Contents **Organization Theory** Mary Jo Hatch, 2018 The only textbook to use a three perspective framework to explain explore and evaluate organizational theory in a distinctively engaging style Organization Theory offers a clear and comprehensive introduction to the study of organizations and organizing processes Through the unique three perspective approach students are challenged to explain explore and evaluate organizational theory drawing on their own experiences as well as the book's diverse practical examples The fourth edition includes a host of new learning features which examine the practicality of theorizing and encourage students to broaden their intellectual reach Theory to Practice boxes and case studies highlight organizing processes in a range of settings either through real life business examples or through exercises that encourage students to apply the theory to organizations they know or organizing experiences of their own Think like a Theorist and Exercise Those Perspectives boxes then encourage students to actively theorize and evaluate developing essential critical thinking skills and a greater understanding of the complex knowledge with which organization theorists grapple By taking theory off the page students can learn through doing and adopt a reflexive stance to the world around them Mary Jo Hatch draws on her extensive experience in the field to produce a trusted and accessible introduction to the subject that provides academic depth engaging pedagogy and a practical focus This book is accompanied by a collection of online resources For students Multiple choice questions For lecturers PowerPoint slides Figures and tables from the book Lecturers guide Additional case studies **History of Management Thought** Vadim I. Marshev, 2021-01-13 This book describes the millennia long process of the genesis formation struggle and change of views on the management of social organizations in various countries around the world in other words it characterizes the worldwide evolution of the History of Management Thought HMT ideas concepts theories paradigms and scientific schools from Antiquity to the present The book is the outcome of extensive research based on the analysis generalization and systematization of foreign and domestic published literature as well as on the gathering and analysis of unique archival materials For the first time in the historical and managerial literature the book puts forward original definitions of three historical and managerial sciences the History of Management the History of Management Thought and the Historiography of Historical and Managerial Research It addresses the main challenges in pursuing Historical and Scientific Research HSR the main subject levels of HSR and specific methodological problems concerning HMT as well as epistemological methods for identifying key factors in and causes of the advent and evolution of HMT This book presents both the origins of management thought dating back to the 5th millennium BC and the latest management concepts of the early 21st century In particular it

traces the origins and sources of management thought reflected in the works of thinkers and statesmen of the Ancient World Egypt Western Asia China India Greece and Rome the era of feudalism and the Middle Ages Byzantium Western Europe and England the era of inception capitalism Western Europe and the USA as well as the new and recent history of management thought of the 20th and 21st centuries In addition for the first time in History of Management literature it presents the history of Russian management thought from the 9th century to modern concepts and scientific schools *Systems, Cybernetics, Control, and Automation* Spyros G. Tzafestas, 2022-09-01 Systems cybernetics control and automation SCCA are four interrelated and overlapping scientific and technological fields that have contributed substantially to the development growth and progress of human society A large number of models methods and tools were developed that assure high efficiency of SCCA applied to practical situations The real life applications of SCCA encompass a wide range of man made or biological systems including transportations power generation chemical industry robotics manufacturing cybernetics organisms cyborgs aviation economic systems enterprise systems medical health systems environmental applications and so on The SCCA fields exhibit strong influences on society and rise during their use and application many ethical concerns and dilemmas This book provides a consolidated and concise overview of SCCA in a single volume for the first time focusing on ontological epistemological social impact ethical and general philosophical issues It is appropriate for use in engineering courses as a convenient tutorial source providing fundamental conceptual and educational material on these issues or for independent reading by students and scientists Included in the book is Background material on philosophy and systems theory Major ontological epistemological societal and ethical philosophical aspects of the four fields that are considered in the book Over 400 references and a list of 130 additional books in the relevant fields Over 100 colored photos and 70 line figures that illustrate the text *The Oxford Handbook of Management Ideas* Andrew Sturdy, Stefan Heusinkveld, Trish Reay, David Strang, 2019-03-28 Management ideas and their associated applications have become a prevalent feature of our working lives While their focus is familiar such as efficiency motivation and improvement they range from specific notions such as activity based costing to broad movements like corporate social responsibility This Handbook brings together some of the latest research from leading international scholars on how management ideas are produced promoted and adapted and their effects on business and working practices and society at large Rather than focusing on specific management ideas this volume explores their key socio political contexts and channels of dissemination and is organized around four core overlapping themes The first section sets out the research field in general in terms of both an overall system and of different perspectives and research methods The second section explores the role of different actors and channels of diffusion including the consumers and producers of management ideas and new media as well as traditional players in the management ideas field such as consultancies and business schools The third section focuses on specific features or dynamics of the management ideas system such as their adoption evolution institutionalisation and resurgence while in the

final section critical and new perspectives on management ideas are examined highlighting specific socio political contexts and the possibility of alternative ideas and forms of critique With a broad range of perspectives represented this Handbook provides a comprehensive authoritative and enduring resource for those studying management innovation and organizational change as well as for those working in the management ideas industry

Digital Organizations - Leadership Disrupted Ganesh Shermon,2016-12-08 Discover the Digital Organization We think of organizations as an amorphous large complex institutions True but organizations are also symbols of its people who aspired nurtured and struggled away to make it work not to forget its collection of stories rituals episodes values experiences that can be broadly summarized and called as the culture And the ethics that their organizations display today and in times to come Organizations are products of a leader s imagination It takes the shape of that dream And in that dream good or bad lies its destiny Leadership is disrupted owing to digital influences in technology knowledge millennial mindset people attitudes skills behaviors rapid changes in customer needs speed and agility flexible structures dynamic creative designs unique people actions expectations and deliverance talent issues business climate HR programs work values and business ethics all displayed as culture A Digital Mind Set all about Leadership

On Terrorist Groups Khusrav Gaibulloev,Todd Sandler,2023-03-31 This book presents nine up to date chapters on key aspects of terrorist groups by leading contributors in the study of terrorism The chapters focus on the study of terrorist groups their interface with targeted governments as well as ways to counter politically motivated terrorist attacks To augment the efficacy of counterterrorism governments must understand how terrorist groups form recruit members gain support and choose targets Additionally governments must be aware of interactions within and among terrorist groups to allow governments to hone the practice of counterterrorism This book addresses many of these topics In particular the volume casts light on group formation during 1860 1969 and 1970 2016 respectively From different vantages terrorist recruitment and group support are investigated Other topics include the role of terrorist groups ideologies and goals determinants of home base attacks groups response to government countermeasures intergroup interactions as well as conflicts On Terrorist Groups will be of interest to students and researchers of Terrorism Political Violence Security and Intelligence Conflict Studies and Political Science in general This book was originally published as a special issue of Defence and Peace Economics

Studying Organization Stewart R Clegg,Cynthia Hardy,1999-04-29 In response to the needs of lecturers the acclaimed Handbook of Organization Studies has been made available as two major paperback textbooks In this the first of a two volume paperback edition of the landmark Handbook of Organization Studies editors Stewart Clegg and Cynthia Hardy survey the field of organization studies Studying Organization is an ideal textbook around which to build courses on organization theory and research methodology Central to the enterprise has been a concern to reflect and honour the manifest diversity of the field including recognition of the extent to which the very notion of a single field of organization studies is debated Part One locates the study of organization by reviewing some of the most significant theoretical paradigms

to have shaped our understanding The second part reflects on the relationships between theory and research in organization studies *Organizational Communication* Michael J. Papa, Tom D. Daniels, Barry K. Spiker, 2008 Communication in organizations has changed drastically since the release of the first edition of this bestselling textbook This fully revised and updated edition delves into state of the art studies providing fresh insights into the challenges that organizations face today Yet this foundational resource remains a cornerstone in the examination of classic research and theory in organization communication Communication Yearbooks Vols 6-33 Set Various, 2021-12-02 The Communication Yearbook annuals originally published between 1977 and 2009 publish diverse state of the discipline literature reviews that advance knowledge and understanding of communication systems processes and impacts across the discipline Topics dealt with include Communication as Process Research Methodology in Communication Communication Effects Taxonomy of Communication and European Communication Theory Information Systems Division Mass Communication Research Mapping the Domain of Intercultural Communication Public Relations Feminist Scholarship Communication Law and Policy Visual Communication Communication and Cross Sex Friendships Across the Life Cycle Television Programming and Sex Stereotyping InterCultural Communication Training Leadership and Relationships Media Performance Assessment Cognitive Approaches to Communication Communication Yearbook 16 Stanley Deetz, 2012-05-23 The Communication Yearbook 16 focuses on the study of communication within corporate organizations Part II explores the role of communication studies in such timely issues as communication technology globalization and multiculturalism The final section focuses on three theoretical debates in which contributors discuss communication during initial interaction the motivation to communicate and communication in decision making and problem solving groups Commentaries on each chapter provide alternative perspectives extend issues of significance and help engage the reader in the contemporary debates in each area **The Handbook of Organizational Culture and Climate** Neal M. Ashkanasy, Celeste P M Wilderom, Mark F. Peterson, 2010-12-01 In The Handbook of Organizational Culture and Climate Second Edition a team of leading international scholars presents the state of the art in the field ten years after the publication of the award winning First Edition Following the Preface by Edgar Schein 33 entirely new chapters document the development and maturing of ideas canvassed in the First Edition and also offer exciting new perspectives on organizational culture and climate This Handbook will be a must have resource for researchers and students in management human resource management organizational behavior industrial and organizational psychology and social psychology

Control And Ideology In Organizations Introduction

In today's digital age, the availability of Control And Ideology In Organizations books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Control And Ideology In Organizations books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Control And Ideology In Organizations books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Control And Ideology In Organizations versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Control And Ideology In Organizations books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Control And Ideology In Organizations books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Control And Ideology In Organizations books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Control And Ideology In

Organizations books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Control And Ideology In Organizations books and manuals for download and embark on your journey of knowledge?

FAQs About Control And Ideology In Organizations Books
