Slavery & Race in American Popular Culture William L. Van Deburg, 1984 Spanning more than three centuries from the colonial era to the present Van Deburg s overview analyzes the works of American historians dramatists novelists poets lyricists and filmmakers and exposes through those artists often disquieting perceptions the cultural underpinnings of American current racial attitudes and divisions Crucial to Van Deburg s analysis is his contrast of black and white attitudes toward the Afro American slave experience There has in fact been a persistent dichotomy between the two races literary

historical and theatrical representations of slavery If white culture makers have stressed the unmaning of the slaves and encouraged such stereotypes as the Noble Savage and the comic minstrel to justify the blacks subordination Afro Americans have emphasized a counter self image that celebrates the slaves creativity dignity pride and assertiveness ISBN 0 299 09634 3 pbk 12 50 **The Evolution of African American Studies** James L. Conyers Jr.,1995-01-10 **National Library of Medicine Current Catalog** National Library of Medicine (U.S.),1991 *Index to Afro-American Reference Resources*,1988-01-20 This volume makes a much needed contribution to the field of Afro American studies by providing subject access to a wealth of materials on the black experience in the Americas Sources include titles generally considered to be reference tools such as dictionaries encyclopedias catalogs indexes abstracts bibliographies and resource guides as well as selected resources such as classic history texts and anthologies that fall outside the traditional reference area Throughout the emphasis is on the United States although a significant number of citations from Canada the Caribbean and South America are also included This index to Afro American reference sources covers specific chapters and subdivisions within works in addition to providing general subject access to entire works that include helpful information on the black experience
