A Body More Or Less:

The Quarterly Review (London) , **More Than a Body** Lexie Kite,Lindsay Kite,2020 Drs Lindsay and Lexie Kite know firsthand how hard filtering out media influence is when it comes to self image Both struggled as young women to overcome the expectations of body size and shape but were able to learn to love appreciate and reclaim their own bodies eventually earning their PhDs in body image resilience The twin sisters founded the nonprofit Beauty Redefined and have made it their mission to help other women see themselves without societal expectations distorting their self perception More than a Body is a self help book focused on going beyond body positivity showing how a mindset focused on appearance sets women up for insecurities and self judgement In this book they offer an action plan for readers to combat that mindset and instead learn how the body can be an instrument not an ornament with practical actionable steps to take when consuming media exercising practicing self reflection and self compassion and finding a purpose in life Bulletin United States.
