Walker,2012-10-15 Rare glimpses into the hardscrabble lives of rural Southern women and a model for oral history practice It was hard times French Carpenter Clark recalls a sentiment unanimously echoed by the sixteen other women who talk about their lives in Country Women Cope with Hard Times Born between 1890 and 1940 in eastern Tennessee and western South Carolina these women grew up on farms in labor camps and in remote towns during an era when the region s agricultural system changed dramatically As daughters and wives they milked cows raised livestock planted and harvested crops worked in textile mills sold butter and eggs preserved food made cloth sewed clothes and practiced remarkable resourcefulness Their recollections paint a vivid picture of rural life in the first half of the twentieth century for a class of women underrepresented in historical accounts Through her edited interviews with these women Melissa Walker provides firsthand descriptions of the influence of modernization on ordinary people struggling through the agricultural depression of the 1920s and 1930s and its aftermath Their oral histories make plain the challenges such women faced and the self sacrificing ways they found to confront hardship While the women detail the difficulties of their existence the drought years early freezes low crop prices and tenant farming they also recall the good times and the neighborly assistance of well developed mutual aid networks of which women were the primary participants

in shaping labor supply and demand the intersection of prostitution with trafficking and the optimal use of law enforcement What makes the material unique is its explicit focus on economics as the primary methodology for organizing our understanding of prostitution The Handbook brings to scholars attention for the first time a collection of original writings on prostitution that provides an overview of what is known and what is not known in this area Researchers with an interest in underground markets labor economics risky behaviors marriage and gender will find the book s contents illuminating and path breaking ,
