English Workbook: Year 3 Jane Baker, 2004 Excel Basic Skills English Workbooks Year 3 will help primary school students with the reading and writing they do every day at school in English and in other subjects. Each chapter is set out as a separate unit of work covering a different type of writing, text type and contains exercises that relate to that particular text type. When you work in this book you will be practising writing many of the texts you learn at school. Most of the sample texts have been written by students in Year 3. Work through the chapters from 1 to 11 in order. By doing this you will build on skills and understanding from one chapter to the next. By the end of the book you will have a good understanding of Year 3 English. In this book you will find eleven chapters each set out as a unit of work covering a particular text type such as narratives, letters, speeches and information reports, including a chapter on writing for school projects, exercises and activities in each chapter which are directly linked to the text type covered, practice in skills such as spelling, grammar, vocabulary, punctuation and comprehension, interesting and relevant sample texts including many written by Year 3 students with important features highlighted, answers to all questions at the back of the book. **Excel Essential Skills English**

Workbook Jane Baker, 2000 This book is the first in the series of four books that aims to improve students' writing and give practical help with writing tasks. The topics and text types covered in the book are designed to help students in their writing tasks for all school subjects. In Excel English Workbook Year 7 you will find a focus on 15 different text types, a wide variety of practice exercises, important grammar and punctuation information, vocabulary lists to memorise, a detailed answer section. Author Jane Baker. English Workbook Kristine Brown, 2005 Excel Basic Skills English Workbook Year 5 will help you with the writing you do every day at school in English and in other subjects. Each chapter looks at a different type of writing. Some are imaginative text types such as narratives and poems. Others are factual text types such as reports and explanations. All the chapters begin with a sample text. Make sure you read the sample text carefully and look at the special features marked on it. You should then try the activities that follow. These give you guidance and practice in writing a similar type of text. Some activities help you with grammar and punctuation. Others focus on words, the way they are spelt and what they mean. Some activities are just for fun. Each chapter ends with activities that help you write a complete text yourself.
