The British Library General Catalogue of Printed Books to 1975 British Library, 1985 **By Force of Impulse** Harry V. Vogt, 2022-08-10 By Force of Impulse is a theater drama written by Harry V Vogt Excerpt Coriolanus I am proud of you you have acquitted yourself nobly you have made an impression upon her maiden heart I feel assured She recognizes the true nobility that is hidden under the garb of the menial How I hate these clothes Oh Anastasia thou knowest true worth when thou see st it Shakespeare in

Hate Peter Kishore Saval, 2015-12-07 Hate malice rage and enmity what would Shakespeare's plays be without these demonic unruly passions This book studies how the tirades and unrestrained villainy of Shakespeare's art explode the decorum and safety of our sanitized lives and challenge the limits of our selfhood Everyone knows Shakespeare to be the exemplary poet of love but how many celebrate his clarifying expressions of hatred How many of us do not at some time feel that we have come away from his plays transformed by hate and washed clean by savage indignation Saval fills the great gap in the interpretation of Shakespeare's unsocial feelings The book asserts that emotions as Aristotle claims in the Rhetoric are connected to judgments Under such a view hatred and rage in Shakespeare cease to be a blinding of judgment or a loss of reason but become claims upon the world that can be evaluated and interpreted The literary criticism of anger and hate provides an alternative vision of the experience of Shakespeare's theater as an intensification of human experience that takes us far beyond criticism's traditional contexts of character culture and ethics The volume which is alive to the judgmental character of emotions transforms the way we see the rancorous passions and the disorderly and disobedient demands of anger and hatred Above all it reminds us why Shakespeare is the exemplary creator of that rare yet pleasurable thing a good

hater **The Law in Shakespeare** C. Jordan, K. Cunningham, 2006-12-12 Leading scholars in the field analyze Shakespeare's plays to show how their dramatic content shapes issues debated in conflicts arising from the creation and application of law. Individual essays focus on such topics such as slander, revenge, and royal prerogative; these studies reveal the problems confronting early modern English men and women. *The Complete Works of William Shakespeare* William Shakespeare, 1903 **Theatrical Costume, Masks, Make-Up and Wigs** Sidney Jackson Jowers, 2013-10-15 This is the first bibliography in its field based on first hand collations of the actual articles. International in scope, it includes publications found in public theatre libraries and archives of Barcelona, Berlin, Brussels, Budapest, Florence, London, Milan, New York, and Paris, amongst others. Over 3500 detailed entries on separately published sources such as books, sales, and exhibition catalogues and pamphlets provide an indispensable guide for theatre students, practitioners, and historians.
