Corporate Messiah:

The Messianic Matrix Loren W Caudill, 2006-10 *The Messianic Matrix* is a thrilling journey of theological concepts that define the Pentecostal experience. It is a ground breaking and sweeping endeavor that utilizes the best of modern scholarship. Finally in this exciting redefinition of baptism in the Spirit Loren Caudill has produced a fascinating theology of Pentecost that is at once complex and compelling. Reaching into modern scholarship and his Pentecostal experience the author lifts the veil on ultimate reality and its relationship to Spirit Baptism and to the heavenly places in Christ. For the first time in modern history definitions of New Testament terms like born again, new creation and yes even the term Christian are defined from within their original Pentecostal settings. The reader will sense a fresh wind of excitement as the traditional concepts of eternal life, the kingdom of God, water baptism, the mystery of Christ, the church and of believers inheritance are scrutinized. Just as believers in mass have become fatigued of church as usual *The Messianic Matrix* offers Pentecostals and Fundamentalists alike a new and biblical paradigm for life together in Christ. *The Nonviolent Messiah* Simon J. Joseph, 2014-06-02 When scholars have set Jesus against various conceptions of the messiah and other redemptive figures in early Jewish expectation those questions have been bound up with the problem of violence whether the political violence of a militant messiah or the divine violence carried out by a heavenly or angelic figure. Missing from those discussions Simon J. Joseph contends are the unique conceptions of an Adamic redeemer figure in the Enochic material conceptions that informed the Q tradition and he argues Jesus own self understanding. **Corporate Messiah** Patricia O'Toole, 1984 **Introduction to Messianic Judaism** Zondervan, 2013-02-05 This book is the go to source for introductory information on Messianic Judaism. Editors David Rudolph and Joel Willits have assembled a thorough examination of the ecclesial context and biblical foundations of the diverse Messianic Jewish movement. Unique among similar works in its Jew/Gentile partnership this book brings together a team of respected Messianic Jewish and Gentile Christian scholars including Mark Kinzer, Richard Bauckham, Markus Bockmuehl, Craig Keener, Darrell Bock, Scott Hafemann, Daniel Harrington, R. Kendall Soulen, Douglas Harink and others. Opening essays written by Messianic Jewish scholars and synagogue leaders provide a window into the on the ground reality of the Messianic Jewish community and reveal the challenges, questions and issues with which Messianic Jews grapple. The following predominantly Gentile Christian discussion explores a number of biblical and theological issues that inform our understanding of the Messianic Jewish ecclesial context. Here is a balanced and accessible introduction to the diverse Messianic Jewish movement that both Gentile Christian and Messianic Jewish readers will find informative and fascinating. *The Messianic Theology of the New Testament* Joshua W. Jipp, 2020-11-12 One of the earliest Christian confessions that Jesus is Messiah and Lord has long been recognized throughout the New Testament. Joshua Jipp shows that the New Testament is in fact built upon this foundational messianic claim and each of its primary compositions is a unique creative expansion of this common thread. Having made the same argument about the Pauline epistles in his previous book

Christ Is King Paul s Royal Ideology Jipp works methodically through the New Testament to show how the authors proclaim Jesus as the incarnate crucified and enthroned messiah of God In the second section of this book Jipp moves beyond exegesis toward larger theological questions such as those of Christology soteriology ecclesiology and eschatology revealing the practical value of reading the Bible with an eye to its messianic vision The Messianic Theology of the New Testament functions as an excellent introductory text honoring the vigorous pluralism of the New Testament books while still addressing the obvious question what makes these twenty seven different compositions one unified testament **Matthew's**

Non-Messianic Mapping of Messianic Texts Bruce Henning,2020-11-16 Scholars often explain Matthew s practice of applying non messianic texts to the messiah by postulating a Christological hermeneutic In Matthew s Non Messianic Mapping of Messianic texts Bruce Henning raises the question of how Matthew applies messianic texts to non messianic figures This neglected category challenges the popular view by stretching Matthew s paradigm to a broadly eschatological one in which disciples share in the mission of Jesus so as to fulfill Scriptural hopes Using Cognitive Linguistics this volume explores four case studies to demonstrate Matthew s non messianic mapping scheme the eschatological shepherd the vineyard care giver temple construction imagery and the Isaian herald These reveal how Matthew s theology of discipleship as participating in Jesus own vocation extends even to his hermeneutical paradigm of fulfillment **Drawn to Television**

M. Keith Booker,2006-08-30 Since late evening cartoons first aired in 1960 prime time animated series have had a profound effect on American television and American culture at large The characters and motifs from such shows as The Flintstones and The Simpsons are among the best known images in world popular culture and tellingly even series that have not done well in prime time series like The Jetsons for instance have yielded similarly iconic images The advent of cable and several new channels devoted exclusively to animated programming have brought old series back to life in syndication while also providing new markets for additional often more experimental animated series Even on the conventional networks programs such as The Flintstones and The Simpsons not to mention Family Guy and King of the Hill have consistently shown a smartness and a satirical punch that goes well beyond the norm in network programming Drawn to Television traces the history of prime time animation from The Flintstones initial extension of Saturday mornings to Family Guy and South Park s late night appeal in the 21st century In the process it sheds a surprising light on just how much the kid inside us all still has to say Drawn to Television describes the content and style of all the major prime time animated series while also placing these series within their political and cultural contexts It also tackles a number of important questions about animated programming such as how animated series differ from conventional series why animated programming tends to be so effective as a vehicle for social and political satire what makes animated characters so readily convertible into icons and what the likely effects of new technologies such as digital animation will be on this genre in the future **God-Walk** Frederick Herzog,2008-07-01 Challenging and disturbing and ultimately healing Robert McAfee Brown author of Liberation Theology

An Introductory Guide Frederick Herzog was Professor at the Duke University Divinity School He served on numerous commissions of the World Council of Churches and the United Church of Christ In the spring of 1970 he wrote the first North American article on liberation theology and in 1972 his *Liberation Theology* was published a study of the Fourth Gospel described by Robert McAfee Brown as a pioneer North American work In *Justice Church* Herzog continues his pioneering work with a North American methodology of liberation theology **Isaiah's Servant in Paul** Daniel M. I. Cole,2021-07-02 Paul seems to read Isaiah's Servant with reference to himself Daniel Cole examines Paul's use of texts within Isa 49:54 to explain why the apostle does this and what the ethical implications are He demonstrates that the coherent salvation history of the Servant prophecy guides Paul throughout *Romans* Gerald L. Stevens,2021-05-25 Stevens invokes a powerful synthesis of recent Pauline studies by insisting the category of Israel is the hermeneutical key to all of *Romans* Through Jesus the Messiah and the power of the Spirit Paul saw fulfilled Isaiah's vision of Israel's destiny to the nations to bring the good news of salvation Recapturing Isaiah's vision broke the spell for Paul of the Great Assembly's postexilic take on Israel Paul's apostleship first and foremost was to Israel not gentiles exclusively Paul used his expos of the gospel of God in *Romans* to challenge believers in Rome to embrace their place in the messianic Israel of God **Little Theologians** David M. Csinos,2020-11-18 Children don't just learn theology They actively create it playing with ideas and drawing together aspects of their own lives to form theological understanding David Csinos offers a groundbreaking exploration of how cultural contexts intersect with the theological meaning making of children Personnel Literature ,1984 **The Old Testament in Early Christianity** E. Earle Ellis,2003-06-12 In this paperback edition of an important historical study E Earle Ellis examines the Old Testament canon in the early church and biblical interpretation in the New Testament He writes from the conviction that the use of the Old Testament by the New Testament writers is the primary key to their theology and thus to the message of God that they taught the early church and that they continue to teach the church today **Staying the Course as a CIO** Jonathan Mitchell,2014-10-22 STAYING THE COURSE AS A CIO HOW TO OVERCOME THE TRIALS AND CHALLENGES OF IT LEADERSHIP The shelf life of a Chief Information Officer can be shockingly short Few survive in post for more than a few years More often each falls prey to insurmountable problems and their careers come to a sharp and ignominious end In this book a global CIO with over thirty years of experience in major corporations examines the main reasons why this happens Readers will understand which types of issue can cause problems for an IT Leader and more importantly they will learn strategies of how these problems can be minimized or even avoided IT is often seen a technical backwater but it is a discipline which has the capability to add massive value to an organisation whether it is in the private or the public sector provided of course it has the right leadership doing the right things Aspiring IT Leaders will need to deal with a common set of recurring trials and challenges These include Overcoming the challenge of managing diverse and conflicting stakeholders How to deal with large and complex projects Making sense of software and how to handle the rapidly

changing technology landscape Knowing when to outsource and how to get the best out of an outsourcing partner Harnessing the intellectual power of consultants to help you meet your goals And last but not least how to develop a set of strategies that are aligned with your corporate goals and then make sure your resources are properly targetted so that the IT function generates maximum positive impact for the enterprise For IT professionals looking to fully integrate their function into the enterprise Staying the Course as a CIO is a valuable source of practical advice all based on real experience

Another Kind of Hero Craig E. Aronoff,John L. Ward,1992 **The Hero's Farewell** Jeffrey Sonnenfeld,1991-02-07 How a business replaces its chief executive often determines that firm s future If a business does not effectively manage the transfer of power utter turmoil can result with profound implications not only for the CEO but also for the other employees the shareholders and the community at large Filled with inside stories from corporate boardrooms and fresh conceptual perspectives *The Hero s Farewell* describes in rich detail the factors that affect executive succession Jeffrey Sonnenfeld offers the first close examination of the critical role a CEO s departure style plays in helping or hindering the transfer of power Through candid interviews with fifty prominent retired chief executives from corporations such as AT Generals who leave reluctantly and spend their retirement planning a comeback Ambassadors who retain close ties with their former firms and Governors who willingly serve a limited time and leave to pursue new interests Capturing the human drama of these departures and succession battles *The Hero s Farewell* will fascinate anyone intrigued by power struggles in large corporations Outlining

ways to smooth out the inevitable transfers of power that corporations must face Sonnenfeld presents essential information for all top executives and especially for CEOs *Truth Or Deception, Choose* Marc Kamsu, 2018-11-08 Why can't the devil be extinct What sets God uniquely apart from any other being Why only God could have saved human beings from their sinful state and desperate fate What is the one talent that every human being possesses What are the remaining climactic events to occur before the end of the age How far are we from the end of the age How can we live successful lives in these last and stressful days How can we prepare for the end of the world Please join Marc Kamsu on a revolutionary journey to explore and answer the latter questions in light of the Word of the one who knows everything Also in this well planned journey Marc strategically focuses on one feature of the Holy Bible which makes it unique that is prophecy Finally Marc convincingly shows how many of the events in history including the contemporary ones such as the current Arab Israeli conflict the growing worldwide anti-Semitism the ongoing rise of Islam and the persecution of Christians were clearly predicted for our benefit
