The Soft Power of War Lilie Chouliaraki, 2007-01-01 This book which was originally published as a Special Issue of *Journal of Language Politics* 4 1 2005 takes the war in Iraq as an exemplary case through which to demonstrate the changing nature of contemporary power The book convincingly argues that the effective study of international politics depends today upon our understanding of the interplay between hard military economic and soft symbolic power One might say between the politics of territory guns or money and the language of narrating the world in coherent and persuasive stories Bringing together different strands of discourse analysis with social historical and to an extent political analysis all contributions seek to illustrate the ways in which a variety of public genres from political speeches to computer games and from educational material to newspaper reports produce influential knowledge about the war and shape the ethical and political premises upon which the legitimacy of this war and a vision of the emergent world order rests

Dying in Full Detail Jennifer Malkowski, 2017-03-02 In analyses of digital death footage from victims of police brutality to those who jump from the Golden Gate Bridge Jennifer Malkowski considers the immense changes digital technologies have introduced in the ability to record and display actual deaths one of documentary's most taboo and politically volatile subjects

Warm Bodies Isaac Marion, 2012-12-25 Alienated from his fellow zombies because of his dislike of having to kill humans and his enjoyment of Sinatra music R meets a living girl who sharply contrasts with his cold and dreary world and whom he resolves to protect in

spite of her delicious appearance Emerging Bodies Gabriele Klein, Sandra Noeth, 2014-04-15 The concept of worldmaking is based on the idea that the world is not given but rather produced through language actions ideas and perception This collection of essays takes a closer look at various hybrid and disparate worlds related to dance and choreography Coming from a broad range of different backgrounds and disciplines the authors inquire into the ways of producing dance worlds through artistic practice discourse and media choreographic form and dance material The essays in this volume critically reflect the predominant topos of dance as something fleeting and ephemeral an embodiment of the Other in modernity Moreover they demonstrate that there is more than just one universal world of dance but rather a multitude of interrelated dance worlds with more emerging every day Posthumanism Neil Badmington, 2000-09-11 What is posthumanism and why does it matter This reader offers an introduction to the ways in which humanism's belief in the natural supremacy of the Family of Man has been called into question at different moments and from different theoretical positions What is the relationship between posthumanism and technology Can posthumanism have a politics post colonial or feminist Are postmodernism and poststructuralism posthumanist What happens when critical theory meets Hollywood cinema What links posthumanism to science fiction Posthumanism addresses these and other questions in an attempt to come to terms with one of the most pressing issues facing contemporary society *The Photographer's Boy* Stephen Bates, 2014-07-01 A set of antique photographic plates is the key to uncovering hidden truths of the Civil War Great Depression and 9 11 eras in this unflinching novel Publishers Weekly A teenage boy and his grandfather travel across America to attend that last great reunion of Civil War veterans at Gettysburg in 1938 where secrets and lies are revealed about the old man's past Perhaps he was not the hero his grandson thought but he still has a valuable treasure to reveal which will shed intriguing light on the war and his part in it Interweaving three periods of crisis in American history the Civil War the Depression and 9 11 *The Photographer's Boy* explores the power of photography and journalism to inform or mislead raises questions about love and offers an unflinching but sympathetic often touching look at the comforting fictions people wrap themselves in to protect themselves from the cold of reality Publishers Weekly **Warm Bodies and The New Hunger** Isaac Marion, 2016-08-02 NEW YORK TIMES BESTSELLER NOW A MAJOR MOTION PICTURE Gruesome yet poetic highly original *The Seattle Times* Dark and funny *Wired* A mesmerizing evolution of a classic contemporary myth Simon Pegg A strange and unexpected treat elegantly written touching and fun Audrey Niffenegger author of *The Time Traveler's Wife* Has there been a more sympathetic monster since Frankenstein's *Financial Times* In *Warm Bodies* Isaac Marion's New York Times bestselling novel that inspired a major film a zombie returns to humanity through an unlikely encounter with love This special five year anniversary edition includes the powerful prequel novella *The New Hunger* which sheds light on the saga's past while setting the stage for its epic conclusion R is having a no life crisis he is a zombie He has no memories no identity and no pulse but he is a little different from his fellow Dead He may occasionally eat people but he'd rather be riding abandoned airport

escalators listening to Sinatra in the cozy 747 he calls home or collecting souvenirs from the ruins of civilization And then he meets a girl First as his captive then his reluctant house guest Julie is a blast of living color in R's gray landscape and something inside him begins to bloom He doesn't want to eat this girl although she looks delicious he wants to protect her But their unlikely bond will cause ripples they can't imagine and their hopeless world won't change without a fight Together Warm Bodies and The New Hunger form a richly layered tale of love and hope in the darkest of times while also opening the doors to an epic saga that continues with The Burning World an excerpt of which is included in this edition for current fans and newcomers alike

Playful Frames Steven Rybin, 2023-10-13 Playful Frames Styles of Widescreen Cinema studies the poetics of the auteur driven widescreen image offering nimble expansive analyses of the work of four distinctive filmmakers Jean Negulesco Blake Edwards Robert Altman and John Carpenter who creatively inhabited the nooks and crannies of widescreen moviemaking during the final decades of the twentieth century

The Gorgon's Gaze Paul Coates, 1991-04-26 This interdisciplinary study of recurrent themes in German cinema as it has developed since the early twentieth century focuses on pertinent films of the pre and post World War II eras The author explores the nature of expressionism which is generally agreed to have ended with the advent of sound and its persistence in the styles of such modern masters of film noir as Orson Welles and Ingmar Bergman In considering the possibility of homologies between the necessary silence of pre sound cinema and the widespread modernist aspiration to an aesthetic of silence Coates relates theories of the sublime the uncanny and the monstrous to his subject He also reflects upon problems of representability and the morality of representation of events that took place during the Nazi era

Film As Ethnography Peter Ian Crawford, David Turton, 1992-11-15 This work examines the reasons why anthropologists have not used the camera as a research instrument or film as a means of communicating ethnographic knowledge It suggests that images and words in this discipline operate on different logical levels that they are hierarchically related that whereas writings may encompass the images produced by film the inverse of this cannot be true The author argues for this position further by suggesting that the visual is to the written mode as thin description giving a record of the form of behaviour is to thick description giving an account of meaning

New Mythological Figures in Spanish Cinema Pietsie Feenstra, 2011 In the 1970s especially after Franco's death in 1975 Spanish cinema was bursting at the seams Numerous film directors broke free from the ancient taboos which had reigned under the dictatorship They introduced characters who through their bodies transgress the traditional borders of social cultural and sexual identities Post Franco cinema exhibits women homosexuals transsexuals and delinquents in new and challenging ways Under Franco rule all of these dissident bodies were lost Here they reflect new mythological figures inhabiting an idealised body form a prototypical body
