Corpse That Never Was:

The Corpse That Never Was Brett Halliday, 2015-10-13 Mike Shayne finds strange secrets hidden beneath the cover of a grisly double suicide It s 10 30 pm and Mike Shayne is sipping cognac ruminating on the perfection of Lucy Hamilton s fried chicken when a shotgun fires upstairs Following the acrid stench of gunpowder to a locked door halfway down the hall Shayne has no choice but to batter it down tumbling face first into the scene of a particularly ugly double suicide The woman lies on the floor in the middle of the sitting room her face twisted by the deadly kiss of cyanide A few feet beyond her body is what remains of a man his head obliterated by the shotgun s blast The woman s father is one of Miami s power brokers and he refuses to believe that his daughter would end her life over a silly affair Isn t it possible he asks that she was murdered Convinced or not Shayne is the only man ruthless enough to find out **The Corpse That Never Was** is the 45th book in the Mike Shayne Mysteries but you may enjoy reading the series in any order **The Man Who Never Was** Ewen Montagu, 2019-09-06 A now it can be told story of secret Operation Mincemeat This was a carefully prepared ruse involving planted documents on a floating body which successfully misled the German commanders as to the Sicily invasion Told by the British naval officer who originated the plot **Never Was. . .** Eddie Newton, 2001-11-30 There nEver was a sunset so sumptuous as the first when creation birthed the grand fire that dashed its light out upon the solar system exploding into a brilliant blue across Earth s vast sky There nEver was a girl so pretty and perfect as the girl next door who would thief your heart with a stolen glance and make you dream of angels and futures and love found in your very own backyard There nEver was a peach so ripe and full of juices that the mound positively erupted in your mouth overtaking every sense until you were slave to each bite and all that was and ever would be again was that fuzzy fruit There nEver was a day so perfect that you would enjoy every second savor each moment as if time itself were joy unbound and to reach the midnight hour and the closing of the day would be like unto death itself There nEver was a love so grand that it defeated all time and space not bound by the laws of physics but transcending all rules and crushing them under love s heel defining its grandness by mocking all the barriers of science and faith existing not only forever but beyond even the meek words that bind its August majesty There nEver was a tale told as thus *Corpses Never Argue* David Hume, 2008 **Operation Heartbreak and The Man Who Never Was** Hastings Ismay, John Julius Norwich, 2011-11-08 In the early hours of 30 April 1943 a corpse wearing the uniform of an officer in the Royal Marines was slipped into the waters off the south west coast of Spain With it was a briefcase in which were papers detailing an imminent Allied invasion of Greece As the British had anticipated the supposedly neutral government of Fascist Spain turned the papers over to the Nazi High Command who swallowed the story whole It was perhaps the most decisive bluff of all time for the Allies had no such plan the purpose of Operation Mincemeat was to blind the German High Command to their true objective an attack on Southern Europe through Sicily Though officially shrouded in secrecy the operation soon became legendary in part owing to Churchill s post war habit of telling the story at dinner It gave rise to two very different

books In 1950 came Duff Cooper s poignant novel Operation Heartbreak a romantic tale one which the government right up to PM Clement Attlee attempted to suppress Its publication prompted the intelligence services to pressurize the operation s mastermind Ewen Montagu into writing a factual account The Man Who Never Was Spellmount are proud to present these two accounts fictional and factual of one of the greatest intelligence operations ever undertaken with an introduction by Duff Cooper s son John Julius Norwich *Observations of the popular antiques of Great Britain* John Brand,1849

Observations on the Popular Antiquities of Great Britain Brand,1849 **Observations on the Popular Antiquities of Great Britain** John Brand,1854 *The Cabinet of Irish Literature* Charles Anderson Read,1903 *The Galaxy* William Conant Church,1870 **The World That Never Was** Alex Butterworth,2010-06-15 A thrilling history of the rise of anarchism told through the stories of a number of prominent revolutionaries and the agents of the secret police who pursued them In the late nineteenth century nations the world over were mired in economic recession and beset by social unrest their leaders increasingly threatened by acts of terrorism and assassination from anarchist extremists In this riveting history of that tumultuous period Alex Butterworth follows the rise of these revolutionaries from the failed Paris Commune of 1871 to the 1905 Russian Revolution and beyond Through the interwoven stories of several key anarchists and the secret police who tracked and manipulated them Butterworth explores how the anarchists were led to increasingly desperate acts of terrorism and murder Rich in anecdote and with a fascinating array of supporting characters The World That Never Was is a masterly exploration of the strange twists and turns of history taking readers on a journey that spans five continents from the capitals of Europe to a South Pacific penal colony to the heartland of America It tells the story of a generation that saw its utopian dreams crumble into dangerous desperation and offers a revelatory portrait of an era with uncanny echoes of our own *English Mechanic and Mirror of Science and Art* ,1893 **The Corpse on the White House Lawn** Diplomat,1932
